Real Prosperity Biblical Principles Of Material Possessions:

Real Prosperity Gene A. Getz,1990 *Godly Living with Contentment for Every Christian* Malcolm J. Borden,2016-05-18
Discover how the Holy Spirit's vital and unique role in God's design for the New Testament Church impacts the stewardship of our life. Whether our material resources, talents and abilities or time, the Christian needs to depend totally upon the permanently indwelling Holy Spirit for direction and enablement. Is tithing as practiced in the Old Testament the norm for Christian giving today? Discover God's New Testament principles, precepts and directions as they related to the Christian's stewardship responsibilities and how they are distinct from God's plan for Israel. Learn how a consistently literal approach to Scripture helps us clearly define biblical stewardship and identify our distinct stewardship obligations during this Church age.

Neither Poverty Nor Riches Craig L. Blomberg,2020-05-21 One of the most difficult questions facing us today is that of the proper attitude toward possessions. In wealthy nations such as Britain and the USA, individuals accumulate much and yet are daily exposed to the plight of the poor, whether the homeless on their own city streets or starving children on their TV screens. What action should they take on behalf of the poor? What should they do with their own possessions? In *Neither Poverty nor Riches*, Craig Blomberg asks what the Bible has to say to these issues. He avoids easy answers and instead seeks a comprehensive biblical theology of possessions. Beginning with the groundwork laid by the Old Testament and the ideas developed in the intertestamental period, he draws out what the whole New Testament has to say on the subject and finally offers conclusions and applications relevant to the modern world. This is a book that all concerned with issues of poverty and wealth should read.

Shekels, Dollars, & Sense Dennis O. Wretling,2007-02-19 The Bible presents a seemingly inconsistent teaching on financial stewardship. This apparent confusion is reflected in sermons, books and journal articles. Advocates abound for 1) tithing for 2) tithing plus giving for 3) no tithing but gracious giving. Church leaders clearly need money, but how to convince the people in the pews to be faithful stewards of God with their finances remains allusive. If they preach tithing, some may balk at the Old Testament basis for the doctrine. If they proclaim that tithing is a Christian duty and a starting point, only for genuine giving, others may claim that they are New Testament Christians and live under grace, not law. If they present no definitive teaching about the Bible and money, adequate finances may not be given. At the heart of the problem lies the need to clarify the biblical doctrine of financial stewardship. This book attempts that goal. The author investigates the tithing patterns of the Old Testament prior to the giving of the Mosaic Law and within the Mosaic Law. With these matters clarified, he then shines the light on intertestamental Judaism and the passages in the Gospels that mention tithing as part of the Old Testament economy. A remarkable consistency is discovered at the level of biblical theology. Finally, the New Testament Church giving patterns are thoroughly investigated, beginning with the early Jerusalem Church and extending throughout the known world. Continuity and discontinuity appear: continuity in biblical theology and discontinuity in custom and legal requirements between the Old and New Testaments. The biblical doctrine of financial stewardship and

the divine mandate for the Christian become clear The last two chapters of the book transfer the biblical teaching to the 21st century American church scene Theological and practical considerations are presented without trying to legislate solutions

The Pursuit & Acquisition of Health & Wealth Gerard Jacobs,2012-04-30 The pursuit and acquisition of health and wealth are part of the worldview that drives Singaporean society It encompasses a strong work ethic in the pursuit to modernise and be a key player in the global economy Health and wealth are defined in terms of an individuals well being in the sense of good health and a continued assurance of material provision and security This worldview stems from a syncretism with non Christian religions that have reconceptualised themselves with the socioeconomic and political goals of Singaporean society Subsequently they continue to be the authentic expression of the noblest longings of people that have become symbiotic with their daily expressions shaping their history and culture The book attempts to show that while Pentecostal and Charismatic Christianity have played a significant role in the growth of contemporary Singaporean churches it has inadvertently presented a gospel that appeals to the deeply embedded dominant religious secular worldview of its society in the context of health and wealth

Bin Kang,2022-12-16 For many cultures throughout history honor and shame have been foundational concepts for understanding and evaluating reality In this study of the first seven chapters of 1 Samuel Dr Bin Kang establishes that ancient Israel was such a culture Utilizing social scientific criticism and careful linguistic analysis Kang explores the honor shame framework as an interpretive lens for reading the Old Testament specifically the Eli Samuel and Saul David episodes and the rich thematic threads that such a reading brings to light He demonstrates the narrator s intentional juxtaposition of honor and shame at the beginning of Samuel s narrative and its role in establishing a system of judgement for evaluating Israel s leaders throughout the rest of 1 and 2 Samuel Ultimately it is the choice to render right honor to God or to claim it for oneself that determines the rise and fall election or rejection of both priests and kings While making an important contribution to Old Testament scholarship Kang also includes practical implications for the church in contemporary honor shame cultures especially in Asia
