## **Realignments In Russian Foreign Policy:**

*Realignments in Russian Foreign Policy* Rick Fawn, 2004-11-23 This collection provides international perspectives on the evolution of Russia's foreign relations and analyses official Russian responses to major regional and international developments including NATO and EU enlargement and the post September 11 international war on terrorism

**Realignments in Russian Foreign Policy** Rick Fawn, 2003 This collection provides international perspectives on the evolution of Russia's foreign relations and analyses official Russian responses to major regional and international developments including NATO and EU enlargement and the post September 11 international war on terrorism

**Realignments in Russian Foreign Policy**, 2002 *Palestine in EU and Russian Foreign Policy* Malath Alagha, 2016-10-04 The establishment of a Palestinian state has long been a strategic objective of EU and Russian foreign policy in the Middle East. However, over a decade after the creation of the road map, the establishment of an independent Palestinian state has still not been achieved. *Palestine in EU and Russian Foreign Policy* uses the school of constructivism to provide a new understanding of EU and Russian foreign policy. It explores the failure of these global actors to speed up the process of establishing a Palestinian state despite this being a strategic objective and top priority of their involvement in the Middle East peace process. The book then analyses the role of identity and self-other perception in the making of EU and Russian foreign policy towards the Middle East peace process. It is argued that Palestinian statehood provides a telling empirical example of how and to what extent the search for global actorness as a matter of international identity informs foreign policy making by global actors. The book then proceeds to discuss why the EU and Russia are so eager to be involved in initiating a peace settlement. Offering a new understanding of foreign policy making by global players in Middle Eastern politics, this book will appeal to students, scholars and policymakers working in International Relations and European, Russian and Middle Eastern studies.

[The Foreign Policy of Russia](#) Robert H. Donaldson, Joseph L. Noguee, Vidya Nadkarni, 2014-03-15 Now fully updated, this widely respected text traces the lineage and development of Russian foreign policy with the insight that comes from historical perspective. The fifth edition incorporates new and fully updated coverage of issues including relations with the major powers and with other post-communist states, international security issues including arms control issues and grounds for sanctions and intervention, and domestic and regional issues related to natural resource politics, human rights, Islamism and terrorism.

**The Unlimited Power of Russia** Merve Suna Özel Özcan, 2025-07-30 The present book explores how Russia has pursued its aspiration to be recognized as a great power throughout its history and its actions to achieve this aim. From the imperial period to the Soviet era, Russia has consistently sought to uphold its reputation as a formidable player in the international system. The Russian Federation strategically moves to maintain this great superpower status. The book aims to analyze Russia's role in the international arena by examining key themes including its foreign policy, identity, the use of military power, energy policies and relationships with the system. These

themes provide a comprehensive framework for understanding Russia's international role. A comprehensive analysis of the historical and cynical context, current policies, and future strategies is essential for understanding the complexities surrounding Russia's emergence as a great power. In this framework, we can say that the Putin era has significantly facilitated Russia's pursuit of its strategic objectives. This period has enabled the nation to reaffirm its status as a prominent player within the international arena.

Security Integration in the Post-Soviet Space and Collective Security Treaty Organization Ramakrushna Pradhan, Sukanya Kakoty, 2024-08-28. This book explores the role of the Central Security Council (CSTO) in ensuring regional security, analyzing the evolution of cooperation between post-Soviet states since the Soviet Union's demise. It focuses on the establishment of the CSTO as a regional organization since 2002 with six out of 11 CIS members. The book fills a gap in existing research on the security paradigm in post-Soviet space and the collective security mechanism of CSTO. Many western scholars have not understood the importance of multilateralism and Russia's foreign policy in maintaining security measures in the post-Soviet space. The book is an informative handbook on regional integration, Eurasianism, and CSTO for students, scholars, readers, academicians, and researchers working on this area.

The Routledge Handbook of Russian International Relations Studies Maria Lagutina, Natalia Tsvetkova, Alexander Sergunin, 2023-02-27. This handbook examines the study of international relations (IR) in Russia, giving a comprehensive analysis of historical, theoretic, conceptual, geographical, and institutional aspects. It identifies the place and role of Russia in global IR and discusses the factors that facilitate or impede the development of Russian IR studies. The contributors represent diverse Russian regions and IR schools and offer an overview of different intellectual traditions and key IR paradigms in the post-Soviet era. Filling the vacuum in international understanding of the Russian perspective on pivotal international issues, they demonstrate the continuity and change in Russia's international policy course over the past three decades and explain how different foreign policy schools and concepts have affected Russian foreign policy making and the decision-making process. Providing a unique contribution to the discussion on non-Western IR theory, this handbook will appeal to scholars and students of international relations.

Russian studies, world politics, and international studies. *Key Players and Regional Dynamics in Eurasia* M. Freire, R. Kanet, 2010-10-20. Explores Russia's re-emergence as a major actor in Central Asia and the Caucasus, a re-emergence which is limited by the involvement and influence of external state and non-state actors including China, the USA, and foreign energy companies.

**Russian Politics Today** Michael Waller, 2005-07-22. This introductory text, written by an established authority on communist and post-communist politics, describes how Vladimir Putin has turned to those with backgrounds in the military and security structures to provide stability in today's Russian Federation following the democratising reforms of Gorbachev and the ensuing instability of the Yeltsin presidency. Against the background of an increasing authoritarianism which has restored features of the Soviet political system, it examines the attempts by social and economic groups to assert themselves against the state using embryonic democratic forms that fall far short of pluralism. The book's fourteen chapters offer an

exceptionally broad coverage It will appeal to first and second year students in higher education but its deliberately accessible style will also make it attractive to the general reader

**Analyzing Global Responses to Contemporary Regional Conflicts** Pietrzak, Piotr, 2024-03-18 In a world characterized by persistent local and regional conflicts policymakers and professionals in current affairs and security studies are increasingly challenged From the ongoing war in Yemen to the complex civil war in Syria and the recent third Nagorno Karabakh Conflict the global landscape is shaped by violent disruptions that demand a nuanced understanding Geopolitical tensions humanitarian crises and the intricate interplay of international actors necessitate a comprehensive guide for those seeking to navigate this complex web of challenges Analyzing Global Responses to Contemporary Regional Conflicts emerges as a beacon of insight and a tangible solution to this urgent problem This edition is a crucial tool for academic scholars and professionals providing readers with the knowledge necessary to comprehend the complexities of global conflicts By drawing on geoeconomics geopolitics security studies and humanitarian perspectives the book explores the roots of competition and cooperation among states but also critically examines conflict prevention peacebuilding and the role of key international entities It goes beyond mere analysis offering a roadmap for a more peaceful and stable future

**Economic and Geopolitical Perspectives of the Commonwealth of Independent States and Eurasia** Karnaukhova, Oxana, Udovikina, Alexandra, Christiansen, Bryan, 2018-06-01 The Commonwealth of Independent States CIS is a regional organization that formed during the breakup of the Soviet Union in 1991 It has few supranational powers but aims to be more than a purely symbolic organization nominally possessing coordinating powers in the realm of trade finance lawmaking and security As such it is vital to examine this region and its economic and geopolitical impacts on the world Economic and Geopolitical Perspectives of the Commonwealth of Independent States and Eurasia is a vital research publication that explores the importance and influence of the Commonwealth of Independent States and Eurasia in the twenty first century Highlighting a wide range of topics such as sovereign democracy economic integration and foreign policy this book is geared toward business managers economists business professionals entrepreneurs business analysts and researchers seeking current research on the effects of political organizations like the CIS on various regions

**The SAGE Handbook of European Foreign Policy** Knud Erik Jorgensen, Aasne Kalland Aarstad, Edith Drieskens, Katie Laatikainen, Ben Tonra, 2015-04-30 During the last two decades the study of European foreign policy has experienced remarkable growth presumably reflecting a more significant international role of the European Union The Union has significantly expanded its policy portfolio and though empty symbolic politics still exists the Union's international relations have become more substantial and its foreign policy more focused European foreign policy has become a dynamic policy area being adapted to changing challenges and environments such as the Arab Spring new emerging economies powers the crisis of multilateralism and much more The SAGE Handbook of European Foreign Policy Two Volume set is a major reference work for Foreign Policy Programmes around the world The Handbook is designed

to be accessible to graduate and postgraduate students in a wide variety of disciplines across the humanities and social sciences Both volumes are structured to address areas of critical concern to scholars at the cutting edge of all major dimensions of foreign policy The volumes are composed of original chapters written specifically to the following themes Research traditions and historical experience Theoretical perspectives EU actors State actors Societal actors The politics of European foreign policy Bilateral relations Relations with multilateral institutions Individual policies Transnational challenges The Handbook will be an essential reference for both advanced students and scholars

**Afghanistan and Central Asia** Oktay F. Tanrisever, 2013 Papers presented at the NATO Advanced Research Workshop entitled as NATO the Fight against International Terrorism in Afghanistan and Security Situation in Central Asia since 9 11 held at the Middle East Technical University in Ankara Turkey between April 10 11 2011

**Russian Foreign Policy and the CIS** Nicole J. Jackson, 2003-09-04 This book investigates the options the debates and the ensuing policies of the fledgling Russian government It examines the evolution of policy from the collapse of the Soviet Union in December 1991 until the Presidential elections in June 1996 Analysing Russia's actions in the context of contemporary foreign policy theory Nicole J Jackson discusses and compares three key conflicts the separatist war between Moldova and Transdniestria the separatist war between Georgia and Abkhazia and the civil war in Tajikistan It will be of interest to students and researchers of international relations security foreign policy analysis and Russian studies

**Strategic Developments in Eurasia After 11 September** Shireen Hunter, 2004 Presenting the views of leading experts on strategic considerations in Eurasia this volume shows that the 11 September attacks and subsequent developments have affected the way in which international relations are evaluated In addition these developments have turned the concept of asymmetric threats including large scale international terrorist attacks into genuine realistic dangers threatening our security As a result the conventional mindset over issues of war and peace of existing alliances and partnerships even of the character of the international system has to be re evaluated This volume sheds light on the aspects of change that have taken place in the post 11 September evolution of international relations in Eurasia

*Russian Energy Security and Foreign Policy* Adrian Dellecker, Thomas Gomart, 2011-05-03 This book provides an original and thoroughly academic analysis of the link between Russian energy and foreign policies in Eurasia as well as offering an interpretation of Russia's coherence on the international stage seeking to understand Russia and explain its behaviour The authors analyse both energy and foreign policies together in order to better grasp their correlation and gain deeper understanding of broader geopolitical issues in Eurasia at a time when things could go either way towards producers or towards consumers Questioning the concept of energy deterrence which aims to fuel uncertainty in Russia's relations with its partners as well as projecting its overall power on the international scene this provocative volume seeks to stimulate debate on this very important issue Assessing the weight that energy has in Russia's foreign policy and in its pursuit of power on the international stage this book will be of interest to students and scholars of

international relations energy politics geopolitics and Russian and Central Asian Studies      **New Perspectives in Modern Russian History** Robert B Mcklean,1992-10-13 Containing a selection of papers from the Congress for Soviet and East European Studies this book deals with the crisis of the ancien regime in the 1890s and 1990s The essays in this volume are accordingly devoted mainly to the history of tsarist Russia between 1881 and 1917      *Russian Foreign Policy in the Post-Soviet Era* B. Lo,2002-08-12 In the first comprehensive treatment of its kind Bobo Lo examines the course of Russian foreign policy in the decade following the Soviet collapse Adopting a conceptual approach he identifies the principal ideological and institutional factors that have influenced the thinking of decisionmaking behind the policies Bobo Lo challenges many of the conventional assumptions that have dominated much of the preceding literature on Russian foreign policy      **Russia and NATO since 1991** Martin Smith,2006-06-16 This is the first comprehensive analysis of the development of relations between Russia and NATO since 1991 Since the re emergence of Russia as an independent state in December 1991 debates and controversies surrounding its evolving relations with NATO have been a prominent feature of the European security scene This is the first detailed and comprehensive book length analysis of Russia NATO relations covering the years 1991 2005 This new volume investigates the nature and substance of the partnership relations that have developed between Russia and NATO since the end of the Cold War It looks at the impact that the Kosovo crisis September 11th the Iraq War and the creation of the NATO Russia Council have on this complex relationship The author concludes that Russia and NATO have so far developed a pragmatic partnership but one that may potentially develop into a more significant strategic partnership This book will appeal to students and scholars of international relations European politics and European security
