## **Reality Religion Realigion:**

**Reality Religion** Dale Heaton, 2011-03-14 Reality Religion A Biblical Faith Handbook for the Modern World Many people have questions about the Bible and the faith that they do not feel free to ask since questioning is often viewed as ignorance or lack of faith In reality questions are a sign of intelligence and sincere seeking after faith a search for answers to doubts I have always viewed questions as an opportunity to rethink my own faith and re shape my answers to help people over faith obstacles they are encountering This has become more urgent with the rise of literalism and the infallibility of scripture interpretation It is more important than ever to bring back those who are being driven away by platitudes and by requirements for literal interpretation which creationism and dispensationalism demand This drives many thinking people away from the church and the emphasis on death and some other world in eternity distracts people from finding meaning for life in this world

**Reality, Religion, and Passion** Jessica Frazier, 2009-01-01 Radical doubt about the truths that govern life has posed a problem for thinkers in many different cultures and periods This study uncovers the solutions offered by a postmodern Western thinker Hans Georg Gadamer and an early modern Indian thinker Rupa Gosvami each of whom offers a renewed postskeptical vision of a revitalized life that is firmly rooted in the transcendental truths of reality

Understanding Reality Religion Hiley Ward, 2007-08 You know the Big questions When did it all begin Before creation what Before that Where was I 10 000 years ago When will it all end But I suppose that the question that bothers people most is How can God the omnipotent the Creator be good when there is so much evil in the world Here is an attempt to face up to the eternal unsolvable contradictory questions about God Jesus the church and the practice of faith in the Christian life Without negating traditional religion concepts God is embraced in all of his attributes He has a dark side He is jealous egotistical cruel tyrannical killer of innocent hordes He is also recognized as a great deliverer lover of good supporter of mankind and a generally good companion The Christian opts to address this second image of God the beneficent The author has struggled with the definition and nature of God all his life He has found that he can question God and acknowledge his her dark side while at the same time love God and bask in his presence and love Here is a new kind of spiritual journey intellectually honest and committed in faith
