Reality Of Jesus:

The Reality of Jesus Dermot A. Lane, 1975 A synthesis of current thinking on Christology

The Unknown Jesus Bob Guccione, Jr., 2021-03-23 This engagingly written and stunning visual celebration brings readers closer to our savior and explores what's fact and what's mostly fiction about Jesus Christ The story of Jesus birth is one of ancient prophecies glorious angels simple shepherds mysterious kings a humble and righteous young couple and a baby who would come to be known as the Savior the Son of God the Prince of Peace Drawing from the Gospels of Matthew and Luke the reader is swept into the world of Roman occupied Galilee two thousand years ago and discovers why Mary and Joseph had to journey to Bethlehem even while expecting a baby Commonly held myths about the Nativity are dispelled and fascinating insights into Mary everyday life in Jesus time and angels are woven throughout This book draws readers into a time a place and a life that would forever change the world

The Truth About Reality Anti Christ, 2008-08-15 This book is for you Anti Christ introduces you to yourself your government and to your god People from all walks of life and religion wonder about the validity of religion Are physical creatures eternal beings cast in a prison of flesh or did life accidentally spring forth from the absurd and incoherent twists and turns of evolution The several kinds of reality this book introduces fill the voids of understanding about reality with real knowledge The book is not about religion spirituality occult or anything concretely physical It encompasses all the deceitful control schemes laid on you like obedient dogs in their traces You cannot afford to stay ignorant for your continued existence depends on knowing what and who you are physically and spiritually The mysteries of life are caused by your belief systems To believe means that you do not know Belief is the portal to hell the permanent state of living death knowledge is the portal to reality and eternal life Science and religion cannot give the insight this book brings Whether you believe the material is for you or not you cannot afford to remain ignorant for the route back to true reality is made clear Ignorance always portrays itself as brilliance The world is full of brilliant pretenders My brother Anti Christ leads you from example to example to understand the hoax on which physical reality is based The more real life seems the more you are betrayed and trapped The greatest mystery in the mind is the mystery of yourself Vaguely you all believe to be strangers guilty of something not understood Anti Christ gives you the better outlook on life than any ideology ism or cult you now subscribe to Through believing clever deceits mankind never saw physical awareness for what it is What humanity endlessly searches for lies revealed in the pages of this book It overrules all human and so called godly knowledge I could not have said it better Make it yours Jesus Christ

Reality Call: Jesus Is Alive Ana Pantoja Cahill, 2012-02

Living Your Jesus Reality Erich Fuls, 2012-03-14 Living Your Jesus Reality penned by author Erich Fuls presents that Jesus in Person came to reside in every born again believer Jesus lives here on earth in believers to implement the words and works of Almighty God The author grapples with these questions Why does the world not see Christ fully alive in and active through Christians Have Christians taken Christ out of Christianity The book flags that Christianity is dead apart from Christ living in His people and

He Himself transforming the world through them Readers will be challenged to discover meditate and implement the truth that every believer is supposed to live from through and to Jesus alive in them The sharp shooting and compact style of the 60 essays and poems gives much food for reflection in every section without a long reading requirement This book is for everyone who wishes to know why there is such a glaring discrepancy between what Jesus prepared and promised for all and what one sees in Christian circles today Furthermore this book is for all Christians who are hungry to know and show Jesus in their everyday life for real Every Christian who is tired of a fake self based religious and ritualistic Christianity and seeks revival in his own life will get much blessing from this book Christians who want to live from through and to Jesus Christ in Person here within them need to read this book Faithfully following the Biblical teachings of this book will reveal God Jesus in Person in God s children and in action from within them

Simulating Jesus George Aichele,2015-01-30 Can the different pictures of Jesus in the New Testament be reconciled Or are they simply simulations the products of a virtual Gospel Simulating Jesus argues that the gospels do not represent four versions of one Jesus story but rather four distinct narrative simulacra each of which is named Jesus The book explores the theory and evidence justifying this claim and discusses its practical and theological consequences The simulations of Jesus in each of the gospels are analysed and placed alongside Jesus simulacra elsewhere in the Bible and contemporary popular culture Simulating Jesus offers a radical understanding of Scripture that will be of interest to students and scholars of biblical studies

A Grammar of the Ethics of John Jan G. van der Watt, 2019-11-12 Jan G van der Watt analyses in detail the ethics of John's letters against their respective socio historical backgrounds He then compares the ethics of the Gospel and Letters showing that the basic core narrative overlaps

in these writings although some ethical material is applied in different ways to different situations A rich ethical landscape is revealed addressing issues like the importance of interpersonal relations which results in co operation through mutual love The author shows that the focus in 1 John is pastoral aiming at convincing the addressees not to be deceived by their schismatics but to strengthen their relationships with the eyewitness group In 2 John advice is given about visitors who threaten the church with false teachings while 3 John deals with a conflict about receiving travelling missionaries In both cases ethical guidelines are given which aim at protecting the group Volume 2 Dust Jacket Inside front Flap Telling Each Other the Truth William Backus, 2006-02-01 Proven Healing Ways to Speak the Truth in Love Now in a fresh package this classic on learning the art of true communication is good news for all The author uses Scripture case histories and dialogue to impart timeless principles that can heal damaged relationships strengthen everyday communication and help people avoid the traps of manipulation that often disrupt the free flow of honest discussion Readers will find this information invaluable in every relationship of life especially those that don't come easy **The Unique Work in the Lord's Recovery** Witness Lee, This book is intended as an aid to believers in developing a daily time of morning revival with the Lord in His word At the same time it provides a limited review of the International Training for Elders and Responsible Ones held in Yokohama Japan on October 4-6 2012 The general subject of the training was The Unique Work in the Lord's Recovery Through intimate contact with the Lord in His word the believers can be constituted with life and truth and thereby equipped to prophesy in the meetings of the church unto the building up of the Body of Christ **Taking the Way of Enjoying Christ as the Tree of Life** Witness Lee, Watchman Nee, 2022-06-04 This book is intended as an aid to believers in developing a daily time of morning revival with the Lord in His word At the same time it provides a limited review of the Memorial Day weekend conference held in Anaheim California May 27-30 2022 The general subject of the conference was Taking the Way of Enjoying Christ as the Tree of Life Through intimate contact with the Lord in His word the believers can be constituted with life and truth and thereby equipped to prophesy in the meetings of the church unto the building up of the Body of Christ

The Conclusion of the New Testament (7) Witness Lee, In the Lord's recovery during the past five hundred years the church's knowledge of the Lord and His truth has been continually progressing This monumental and classical work by Brother Witness Lee builds upon and is a further development of all that the Lord has revealed to His church in the past centuries It is filled with the revelation concerning the processed Triune God the living Christ the life giving Spirit the experience of life and the definition and practice of the church In this set Brother Lee has kept three basic principles that should rule and govern every believer in their interpretation development and expounding of the truths contained in the Scriptures The first principle is that of the Triune God dispensing Himself into His chosen and redeemed people the second principle is that we should interpret develop and expound the truths contained in the Bible with Christ for the church and the third governing principle is Christ the Spirit life and the church No other study or exposition of the New Testament conveys

the life nourishment or ushers the reader into the divine revelation of God's holy Word according to His New Testament economy as this one does **1, 2, and 3 John** Karen H. Jobes, 2014-02-11 Concentrate on the biblical author's message as it unfolds Designed to assist the pastor and Bible teacher in conveying the significance of God's Word the Zondervan Exegetical Commentary on the New Testament series treats the literary context and structure of every passage of the New Testament book in the original Greek With a unique layout designed to help you comprehend the form and flow of each passage the ZECNT unpacks The key message The author's original translation An exegetical outline Verse by verse commentary Theology in application While primarily designed for those with a basic knowledge of biblical Greek all who strive to understand and teach the New Testament will benefit from the depth format and scholarship of these volumes 1 3 John In her commentary on John's letters Karen H Jobes writes to bridge the distance between academic biblical studies and pastors students and laypeople who are looking for an in depth treatment of the issues raised by these New Testament books She approaches the three letters of John as part of the corpus that includes John's gospel while rejecting an elaborate redactional history of that gospel that implicates the letters Jobes treats three major themes of the letters under the larger rubric of who has the authority to interpret the true significance of Jesus an issue that is pressing in our religiously pluralistic society today with its many voices claiming truth about God *Jesus Came from Base Reality* Spiro Lee, Where did Jesus come from Heaven or Base Reality Were Jesus miracles simulation hacks Did Jesus know how to reset the parameters of the simulation Did Jesus enter the simulation with his own chosen avatar or did he connect to the avatar of an existing game player Are players from Base Reality gods in comparison with those born in the simulation Was the Bible a coded account of the creation of the simulation Did science fiction writer Philip K Dick break through and discover the answer to the simulation What are the glitches in the simulation How do they manifest mentally and physically Come inside and discover if Jesus was a great Simulator who changed the nature of the simulation forever *Ethics* Dietrich Bonhoeffer, 2009 Called by Karl Barth the brilliant *Ethics* of Dietrich Bonhoeffer this book is finally being recognized as Bonhoeffer's magnum opus and one of the most important works of Christian ethics of the last century Presented here in a new translation and a striking new arrangement it is based on intensive study of the original manuscripts and includes copious historical notes and commentary Written in the midst of the conspiracy to overthrow the Hitler regime it is nonetheless chiefly concerned with ethics for the postwar time of reconstruction and peace Focused on Christ the God who became human and the vision of a world reconciled with God the *Ethics* shuns abstraction seeks the will of God in concrete historical reality and calls the church to be a transforming community in the world with a new responsibility in public life *Jesus "The Way, The Truth and The Life"* Thd Bish, 2011 *Jesus The Way The Truth and The Life* will prove that Jesus is the only Way to God the very embodiment of all Truth and the very essence of Life just as He declared of Himself in the fourteenth chapter and sixth verse of the gospel of John by saying I am the way the truth and the life and that no one comes to the Father except through Me This book will show using

systematic theology proofs and truth arguments that Jesus is exactly who He says He is confirmed by God the Father the Holy Spirit and by Christ Himself Jesus said in Mark 8 27 of scripture Who do you say I Am This book will make it obvious why you must answer this pointed question just as Peter did in claiming to Jesus that You are the Christ the Son of the Living God Time is getting short and Jesus is on His way back to earth It s not a time to be confused or wrong on issues having eternal consequences Though the book reads as a college textbook it forces you to think and study the word of God The book is most valuable in a curriculum setting or for those interested in Christian apologetics Jesus is compared to a myriad of other secular philosophies both past and present and as a result it is conclusively obvious that Jesus is the way truth and the life and all others are false This book stands on the foundation that a relationship with God thru Christ is by faith alone Sola Fide by grace alone Sola Gratia by Christ alone Solus Christus by scripture alone Sola Scriptura and with glory to God alone Soli Deo Gloria Dr Ronald N Bish ThD received his Doctorate from Freedom Bible College in Systematic Theology and Apologetics and also holds a Master Degree in Mechanical Engineering For further information contact www.ronaldbish.com
