My High Adventures Behind the Movie Scenes Rene Veluzat, 2021-02-09 I started in the movie business when I was ten years old and got my Screen Actors Guild card in 1950 I was an actor model stuntman teamster driver with Local 399 construction coordinator and producer My ultimate accomplishment was winning a Telly Award for producing the feature movie *The Long Ride Home*

Wayfarers Winfred O. Cook, 2011-07 A life lived in earnest provides one with a moral compass upon which to gauge the parameters of one's inner journey the source of any lasting fulfillment *Wayfarers* gives evidence of the epic miles one may travel when morality transcends the dead end of mindless dogma and becomes instead a conduit to personal happiness John Johnson linguist A Scribendi critique Hello Mr Cook I read your engaging novel and thoroughly enjoyed it I found it difficult to put away in the evenings It was a pleasure to read with its vivid details presented in wonderfully lush descriptive passages By focusing specifically on a handful of characters you manage to ensure that the story is not too bogged down in historical details which could be distracting The book is well organized and obviously well thought out The plot which is excellent flows organically from one event to the next toward the natural conclusion It's especially interesting how Daniel and Jerry's lives parallel each other throughout the book The dialogue is so well done You do an excellent job of capturing the nuances of the characters speech and their accents Additionally you do well at making the dialogue realistic to the characters For the most part it seems that each character would naturally say whatever it is you have written for them Very nicely done Mr Cook I'm the person at WritersLiterary responsible for reviewing your manuscript I just finished and feel compelled to tell you that I think you have a SUPERB writing style and I love your prose Russell Brooklyn NY

Letters to My Mother Mary Ruth Borg, 2009-10-27 I knew I liked to write when I was a teenager locking myself in my room I was angry frustrated and needed a positive outlet I was tired of breaking things I was sad having to pick up pieces of my little treasures So I picked up a pencil to write about how I felt and why I was being self destructive I was determined to find a way to diffuse the confusion in my head Taught very early to pray I d put my prayers on paper Seeing something written brought me back into reality I had a reference point Something I could read over and over to remind myself who I was and that I would be okay This is my story of survival My journey from the traumatic experience of being molested countless times by my step father while living within the strict religious practices of Jehovah s Witnesses to my healing process with Parents United I thought my life of confusion mistrust and low self esteem could never change As I got older I attracted more dysfunction in my choices I didnt know I could change that I didnt know any better I became afraid for my children I thought I was crazy and didnt have good parenting skills After years of therapy I learned to have control over my life and how to take the power back that I kept giving away I am no longer a victim It has been a long and twisty road Today I am proud to be happy healthy and productive in my world I am proud to be a survivor I hope to inspire others and give them hope that the craziness in their heads can go away I want to keep talking about this until the cycle is broken and all children are safe
