Realm Of Fiction 74 Short Stories:

Our Very Own Adventure Carolyn Lee, 2011-02-15 Our Very Own Adventure demonstrates the main convention of the short story specifically the heightened reader response that Carolyn Lee terms narratorial presence The intensity of the short story encourages readers to appropriate the fictive world as rendered through one or more represented subjectivities in the narrative Lee argues that this narratorial presence is the enabling effect of the tale s telling Each chapter examines a group of stories by authors such as William Faulkner James Joyce Charlotte Perkins Gilman Ray Bradbury and Alice Munro that share basic similarities but where the narratorial presence differs due to differing techniques Our Very Own Adventure reveals just how a story yields its meanings to a reader **Short Story Index**, 1974 *Short Story Index, Collections*

Indexed 1900-1978 Juliette Yaakov, 1979 This vol is a complete listing of the 8 355 collections indexed in the cumulated vols of Short Story Index for the years 1900 1978 *Catalog of Copyright Entries. Third Series* Library of Congress. Copyright Office, 1978

The Short Story after Apartheid Graham K. Riach, 2023-10-15 Honourable Mention in the 2023 British Association for Contemporary Literary Studies Monograph Prize The Short Story after Apartheid offers the first major study of the anglophone short story in South Africa since apartheid s end By focusing on the short story this book complicates models of South African literature dominated by the novel and contributes to a much needed generic and formalist turn in postcolonial studies Literary texts are sites of productive struggle between formal and extra formal concerns and these brief fragmentary elliptical formally innovative stories offer perspectives that reframe or revise important concerns of post apartheid literature the aesthetics of engaged writing the politics of the past class and race the legacies of violence and the struggle over the land Through an analysis of key texts from the period by Nadine Gordimer Ivan Vladislavi Zo Wicomb Phaswane Mpe and Henrietta Rose Innes this book assesses the place of the short story in post apartheid writing and develops a fuller model of how artworks allow and disallow forms of social thought **The Reader's Adviser**, 1986

Subject Guide to Books in Print, 1983 **Fiction, 1876-1983: Titles** R.R. Bowker Company. Department of Bibliography, R.R. Bowker Company. Publications Systems Department, 1983 **Subject Catalog** Library of Congress, 1977 **Young Adult Science Fiction** C. W. Sullivan III, 1999-03-30 At the close of the nineteenth century American youths developed a growing interest in electricity and its applications machines and gadgetry When authors and publishers recognized the extent of this interest in technology they sought to create reading materials that would meet this market need The result was science fiction written especially for young adults While critics tended to neglect young adult science fiction for decades they gradually came to recognize its practical and cultural value Science fiction inspired many young adults to study science and engineering and helped foster technological innovation At the same time these works also explored cultural and social concerns more commonly associated with serious literature Nor was young adult science fiction a peculiarly American phenomenon authors in other countries likewise wrote science fiction for young adult readers This book examines young adult science fiction in the U S and several other countries and explores issues central to the genre The first part of the book treats the larger contexts of young adult science fiction and includes chapters on its history and development Included are discussions of science fiction for young adults in the U S and in Canada Great Britain Germany and Australia These chapters are written by expert contributors and chart the history of young adult science fiction from the nineteenth century to the present The second section of the book considers topics of special interest to young adult science fiction Some of the chapters look at particular forms and expressions of science fiction such as films and comic books Others treat particular topics such as the portrayal of women in Robert Heinlein's works and representations of war in young adult science fiction Yet another chapter studies the young adult science fiction novel as a coming of age story and thus helps distinguish the genre from science fiction written for adult readers All chapters reflect current research and the volume concludes with extensive bibliographies

A History of Modern Chinese Popular Literature Boqun Fan, 2020-07-30 The first English translation of one of the most authoritative and significant studies in the field of modern Chinese literature Restoring Paradise Arthur Versluis, 2012-02-01 Focusing on how spiritual initiation takes place in Western esoteric religious literary and artistic traditions from antiquity to the present Restoring Paradise provides an introduction to Western esotericism including early modern esoteric movements like alchemy Christian theosophy and Rosicrucianism The author argues that European and

American literature and art often entail a written transmission of spiritual knowledge in which writing itself works to transmute consciousness to generate provoke or convey spiritual awakening He focuses on several important figures whose work has not received the attention it deserves including American writer and Imagist poet H D Hilda Doolittle and British painter Cecil Collins among others While Arthur Versluis presents a new way of understanding Western esotericism in a contemporary light above all he has crafted a book about knowing and about how we come to know and what knowing by way of literature and language actually means
