

The testimony of my heart still tells of
the reason for my hope - Jesus, and
His love for me.

Reason For My Hope

Charles Haddon Spurgeon

Reason For My Hope :

The Reason for My Hope Billy Graham, 2013-10-22 The saving message of the Gospel is the heartbeat of this preacher and evangelist Millions around the world heard Billy Graham proclaim this unchanging truth He never forgot the transformation of his own life when he first said yes to God's gift of salvation and he witnessed multitudes turn their hearts to the God of Hope What is the most hopeful word in History For Billy Graham that word is SALVATION Billy Graham proclaimed God's Gospel with resolve and deep compassion It is a message he preached for more than seventy years And in this book you will sense its urgency filled with hope for the future Salvation is what we all long for when we are lost or in danger or have made a mess of our lives And salvation belongs to us when we reach out for the only One who can rescue us Jesus The Reason for My Hope Salvation presents the essence of that transformative message It is biblical and timeless and though simple and direct it is far from easy There are hard words prophetic words directed toward a culture that denies the reality of sin and distracts us from the veracity of Hell But through its ominous warnings shines a light that cannot be extinguished a beacon of hope that Jesus came to seek and to save that which was lost Luke 19:10 The Reason for My Hope Billy Graham, 2016

Reason for My Hope Charles F. Stanley, 1997 Author shares his personal struggles to remain focused on Christ and keep hope alive in the middle of difficult circumstances leading the reader along the path to hope identifying the promises and resources to help you reach your won hope filled destination The Life that Really is Lyman Abbott, 1899

Hope's Reason: a Journal of Apologetics Vol. 2 No. 1 Stephen Bedard, 2011-09-28 In an increasingly skeptical world there is now more of a need than ever for quality apologetic resources defending the Christian faith The purpose of this journal is to bridge the gap between the academy and the church equipping pastors and interested laypeople to present the Christian faith to an unbelieving world *Minor Poems of Michael Drayton* Cyril Brett, 2020-07-17

The Big Questions Made Easy Doug Zimmer, 2016-02-05 This book uses plain easy to understand logic to answer some of life's big questions Does God exist Does He have a physical body Is the Godhead one or three individuals What is the purpose of life Why do bad things happen to good people Do we have free will or does destiny determine our lives The author has spent a lifetime searching for these answers in both secular and scriptural sources Although one cannot prove for instance that God does or does not exist this text will make it easier for you to formulate your own conclusions using circumstantial evidence and logical reasoning Please set aside passions hearsay and assumptions to engage your mind in contemplating these questions with me I do not believe that you will find an easier path to finding answers than this book provides Sermons of the Rev. Prayers After God's Own Heart Robert Alan McArthur, 2019-11-19 This one year daily devotional is an invitation an

invitation to come on a fresh and exciting adventure into the Word of God It is an invitation to enter into a deeper more intimate relationship with your Heavenly Father the One who made you and wants you and loves you like no other It is an invitation to enter into the peace and joy and protection and provision and purpose of an abundant life that can only be found by having a right relationship with the Father through Christ a covenant relationship of surrender trust and obedience It is a call to live in Truth and to allow that Truth to set you free to be everything that God has called you to be God s Word has an answer to every situation and circumstance of your life and this devotional explores many of those answers as it moves you from fear to faith from doubt to belief from despair to hope from darkness to light from the lies of the enemy to the truth of God s unrelenting unending unfailing and passionate love for you Each day s devotion focuses on a particular passage from the Bible and uses the truth found in the passage to offer a prayer for God s help in correctly understanding and rightly applying that truth to your life As you move through the year each new day will bring new insights into who God is and all that He has done for you It will also reveal who you are in Christ so you can courageously and confidently do all things that that He asks of you knowing your strength is found in Him alone This devotional will change your life because you cannot come to knowledge of the Truth of the Word of God and not be changed The way that you allow it to change your life will depend largely on the choices that you make when confronted with the Truth Use this devotional to help you choose wisely God s very best path for you and know that He always has your best interests at heart

Exploiting Children Matt

Spencer,2013-09-20 America s citizens want children to receive a high quality education in clean orderly and safe schools staffed with quality teachers support staff and courageous educational leaders In many communities such a school experience is something the students will never have Why One or more members of the governing board desire to use their elected position for personal gain They are Exploiters Some desire to exploit a little Others crave total domination of the school system and become the petty tyrants of education Whether the exploitation is minimal or extreme exploitative board members are highly detrimental to the effectiveness of the local school system They destroy teamwork morale careers and many times entire school systems They steal a high quality education from children The predominant governance structure of public education dictated by law is seriously flawed What thousands of citizens and educators strongly desire for their schools can be discarded and replaced with the unscrupulous will of one individual Exploitive school board members must be understood and stopped The governance structure of public education must be changed
