Essay On Nature And Environment

Why should you protect the environment? We need to protect the environment as we depend on it completely. If don't have plants, which are part of the environment, we cannot live as it provides us with oxygen and food. If don't have sunlight we won't get energy to grow. If we don't have land we could not have lived in buildings and houses. Environment is our surrounding which includes everything from a non-living to a living being.

There are two kinds namely the natural environment and Built environment. An environment essay necessarily has to focus on these points. In actual parlance if one has to describe a natural environment it is nee that has natural existence and the built is one that man is responsible for like the dams cities etc. You can obtain more particulars from the Nature and Environment Essay. The natural atmosphere is being polluted due to the unnatural factors.
