Reasons Skeptics Should Consider Christianity:

Reasons Skeptics Should Consider Christianity Josh McDowell, Don Douglas Stewart, 1981 A Campus Crusade for Christ book T p verso Bibliography p 222 249 Every Reason to Be a Christian Byron Bledsoe, 2006-06 Bledsoe offers a comprehensive and compelling case for Christianity Extensive intense and scholarly the text contains more than 1 400 Bible and 235 other references Social Issues **Beyond a Reasonable Doubt: Evidence for Christianity Third Edition** Terry Siciliano, 2020-07-15 Is God for real Where does one turn in this chaotic world of pandemics economic uncertainty social injustice unrest moral decline widespread wars and recurring natural disasters How can a person believe in God with all of this turmoil This book is a brand new third edition which represents my journey in a search for God and whether He exists Many books on this topic are very long complex and difficult to read I saw the need for a simpler approach which this book provides with its very straightforward and readable material Topics covered Scientific evidence for a Divine Creator Archaeological evidence for the authenticity and trustworthiness of the Bible Who Jesus claimed to be and why He came What other religions believe about Jesus End Times signs This book is for anyone with the desire to find answers to life s most probing questions and for Christians who wish they had a short easy to read tool for sharing with others the reason for their faith in God *Is Christianity True?* Jonathan Menn, 2024-10-29 Is Christianity True is an excellent resource for twenty first century Christians and non Christians who want to investigate the truth claims of Christianity This book tackles the most important issues in a clear and compelling way Part 1 looks at the trustworthiness of the Bible and at Jesus Christ who claimed to be God incarnate He verified his claim by his fulfillment of prophecy and his resurrection from the dead Part 2 shows that the great alternative to Christianity the belief that there is no God or supernatural realm and that the universe and all that exists do so simply by natural forces not only is false but is impossible Part 3 deals with perhaps the greatest challenge to Christianity the problem of evil i e if God is all knowing all powerful and all good then why is there so much evil in the world The book does not shy away from discussing up to date scientific knowledge and shows how this knowledge actually confirms the claims of Christianity This book is a clear yet challenging explanation of the biblical historical philosophical and scientific evidence which shows that indeed Christianity is true **Why I Believe** Chip Ingram, 2017-10-03 In our post Christian pluralistic society responding to the perception that Christians are prejudiced anti intellectual and bigoted has become a greater challenge than ever before The result is often intimidation withdrawal and even doubts among God s people about what we really believe Bestselling author and teaching pastor at Living on the Edge Chip Ingram wants to change that In *Why I Believe* he gives compelling answers to questions about the resurrection of Christ the evidence of an afterlife the accuracy and intellectual feasibility of the Bible the debate between creation and evolution the historicity of Jesus and more The solid biblical logical answers he shares will satisfy the honest doubts that every believer experiences now and then and will provide practical thoughtful answers that can be shared with family and friends This is the

perfect resource for churches small groups and individuals who long not only to really know what and why they believe but also to be equipped to explain the intellectual justification for their faith in everyday language *Why Everything That Doesn't Matter, Matters So Much* Andi Ashworth, Charlie Peacock, 2024-03-12 A hopeful and practical model for what it means to be a Christian and a culture maker in a world of hurt and wondrous possibility from multi Grammy winner Charlie Peacock and his wife and author Andi Ashworth Do you feel powerless and overwhelmed by the pain and suffering all around you Have you ever asked What can I do to mend the world my family or my own life And if I could why bother Does my own small part even matter If so here comes hope from two guides who are further down the road Charlie and Andi have written a collection of letters to Christians and spiritual seekers who think deeply and care acutely about the state of the world and their personal spheres of influence In *Why Everything That Doesn't Matter Matters So Much* beloved and trusted mentors Charlie and Andi offer you Thought provoking explorations into the many facets of Christian culture care and making from the kitchen to Carnegie Hall Practical guidance for how to care for and improve the quality of human life locally and globally no matter your vocation A theology of imagination and creativity that provides a framework for all of life A model for expressing love in marriage friendship citizenship and every kind of work even in the midst of cynicism fear exhaustion and oppression It might be said of Christians that our lives are either moving in the direction of the redemption Jesus has on offer or away from it Each of these letters is a gentle nudge in the direction of God's powerfully ordinary purpose for each of us no matter what the future holds to participate fully in the beautiful redemptive work of Christ *Why I Believed* Kenneth W. Daniels, 2008-06-28 Part auto biography and part expos of Ken Daniels experience and long time belief in Christianity and the questions and answers he's had to ask about with regard to the validity of Christian theories *Why Do Bad Things Happen If God Is Good?* Rhodes, Ron, 2004 When a cross section of Americans was asked If you could ask God one question and knew He would give you an answer what would you ask the top response was Why is there so much pain and suffering in the world Bible scholar speaker and author Ron Rhodes addresses this issue with the heart of a pastor and the mind of an apologist Debunking non Christian responses to the problem of pain Ron explores the unshakable biblical truths that provide a strong foundation in stormy times Believers who need a tonic for their faith caregivers who support people in pain and seekers who are wrestling with the philosophical problem of evil will find helpful answers in this encouraging and enlightening discussion

A Zeal for God Not According to Knowledge Eric Snow, 2005-03 Are the Jewish arguments against belief in Jesus as mankind's Savior any good Is Jesus Christ the promised Messiah of the Old Testament's prophecies Is Christianity derived from ancient Roman or Greek pagan mystery religions Is the New Testament historically reliable Was Jesus of Nazareth God according to the New Testament Did Gnosticism influence Christianity Since some 185 000 Americans have converted to Judaism according to a 1990 survey the arguments of such groups as Jews for Judaism against Christianity can't be dismissed lightly Using solid scholarship and rigorous logic *A Zeal For God Not According to Knowledge* defends Christianity against

the arguments of its Jewish critics such as Samuel Levine Michael Drazin Tovia Singer and Hyam Maccoby This book demonstrates that the New Testament is historically reliable denies that Christian doctrines and sacraments can be derived from pagan beliefs and practices shows that Jesus of Nazareth was the promised Messiah based on the Old Testament s prophecies and proves that the New Testament teaches the Deity of Christ This book is intended for both Christians perplexed by the arguments of Jewish friends coworkers and relatives and Jews interested in objectively considering the claims of Christianity while searching for spiritual truth about whether Jesus is their Messiah also Christianity Considered John M. Frame, 2018-05-16 Christianity is more than a religion it is also a complex intellectual tradition Christians and non Christians who want to understand the world as it is today have to understand Christianity too Christianity makes objective claims but also presents a new way of thinking about the world In A Guide to Christianity for Skeptics and Seekers renowned theologian Dr John Frame introduces the reader to the Christian religion and its unique intellectual framework describing the key pillars of Christian thought and how these shape the Christian worldview Covering a range of topics from the resurrection to the Christian posture toward politics A Guide to Christianity for Skeptics and Seekers is a valuable guide to understanding the Christian faith as an intellectual tradition Useful for both the Christian reader looking for a better understanding of the faith and the skeptical reader who seeks to understand the intellectual tradition that has done much to shape the modern world Apologetics for the Twenty-first Century Louis Markos, 2010 Using the work of C S Lewis as a starting point Markos examines the key popular apologists and arguments that shape the intellectual defense of the Christian faith today The Insanity of Unbelief Max Davis, 2012-10-16 How Science and the Supernatural Changed My Life One day one of my professors asked me if it was true that I was a Bible believing Christian When I answered yes his polite upbeat attitude instantly turned rude and arrogant In front of my peers he insulted my intelligence belittled my faith and discredited the Bible To him there was absolutely no doubt that science and academia had shown the pure insanity of such belief writes author Max Davis Written from his journalistic point of view The Insanity of Unbelief is a result of the author s 30 year walk from childlike belief to skepticism and finally deep secure faith The contents are based on his expert and thorough research of solid facts versus what many atheists agnostics and even some believers tout Different from other apologetic books is the addition of true documented supernatural experiences and miracles making a compelling and exciting argument for the reality and power of God Five Foundations of Human Development Errol A. Gibbs, Philip A. Grey, 2006-10-01 Five Foundations of Human Development FFHD Is our Materially Driven Life a Threat to the Spiritual Purpose of our Existence The book is a philosophical religious and practical discourse on Five Foundations of Human Development It offers compelling philosophical analytical and empirical arguments for a better world which is inherent in the worship of God service to humanity obedience to governing authorities and management of God s creation The authors examine problems that we encounter daily and they postulate solutions from Spiritual moral social intellectual and physical perspectives They

essentially explore some of our past and present approaches to solutions to human problems They propose new revolutionary approaches to human development that call the reader's attention to a new enlightenment new hope and new optimism informed by a new Body of knowledge The authors strive to explain the Christian message of God as delivered and taught by Jesus Christ however it is not a work that is exclusively for Christians Their discourse recognizes the comparable message and desire for the unity of humanity by other world religions They present their discourse not as experts or giving expert advice but simply as individuals with a desire to add another dimension of thought and enquiry to the vast storehouse of human knowledge The primary purpose of their discourse is to demonstrate the positive benefits to humanity when Biblical religious perspectives underpin every human endeavor These endeavors include but are not limited to family relations national and international relations engineering science and technology economics history education and health These endeavors dictate human progress Gibbs and Grey contend that humanity can realize the greater ideals of leadership and authority in the world through the application of the teachings of Jesus Christ and the great prophets The authors appeal to leaders of the 21st century educational political scientific and business to seek the knowledge wisdom and understanding of God in using our vast global natural wealth science technology and human capital to educe relevant and applicable strategies for the betterment of all humanity Genre Christianity Religion Inspirational Religion Enlightenment Philosophy General
