Rebecca Harding Davis Sharon M. Harris, 2019-06-04 **A Rebecca Harding Davis Reader** Jean

Pfaelzer, 2014-09-29 Rebecca Harding Davis was a prolific writer who published chiefly in popular periodicals over the latter half of the nineteenth century In tales that combine realism with sentimentalism and in topical essays Davis confronted a wide range of current issues notably women s problems as one who knew the frustration caused by the genteel female s helpless social position and barriers against women entering the working world In an excellent critical introduction Jean Pfaelzer integrates cultural historical and psychological approaches in penetrating readings of Davis s work She emphasizes how Davis s fictional embrace of the commonplace was instrumental in the demise of American romanticism and in eroding the repressive cultural expectations for women In both fiction and nonfiction Davis attacked contemporary questions such as slavery prostitution divorce the Spanish American War the colonization of Africa the plight of the rural South northern racism environmental pollution and degraded work conditions generated by the rise of heavy industry Written from the standpoint of a critical observer in the midst of things Davis s work vividly recreates the social and ideological ferment of the post Civil War United States The American literary canon is enriched by this collection nearly all of which is reprinted for the first time

Rebecca Harding Davis Sharon M. Harris, 2018 Rebecca Harding Davis is best known for her gritty short story *Life in the Iron Mills* set in her native Wheeling West Virginia Far less is known of her later career among elite social circles in Philadelphia New York and Europe or her relationships with American presidents and leading international figures in the worlds of literature and the stage In the first book length biography of Davis Sharon M Harris traces the extraordinary life of this pioneering realist and recovers her status as one of America s notable women journalists Harris also examines Rebecca s role as the leading member of the Davis family a unique and nationally recognized family of writers that shaped the changing culture of later nineteenth century literature and journalism This accessible treatment of Davis s life based on deep research in archival sources provides new perspective on topics ranging from sectional tensions in the border South to the gendered world of nineteenth century publishing It promises to be the authoritative treatment of an important figure in the literary history of West Virginia and the wider world Rebecca Harding Davis's Stories of the Civil War Era Rebecca Harding

Davis, 2010-01-25 The ten stories gathered here show Rebecca Harding Davis to be an acute observer of the conflicts and ambiguities of a divided nation and position her as a major transitional writer between romanticism and realism Capturing the fluctuating cultural environment of the Civil War and Reconstruction eras the stories explore such issues as racial prejudice and slavery the loneliness and powerlessness of women and the effects of postwar market capitalism on the working classes Davis s characters include soldiers and civilians men and women young and old blacks and whites Instead of focusing like many writers of the period on major conflicts and leaders Davis takes readers into the intimate battles fought on family farms and backwoods roads delving into the minds of those who experienced the destruction on both sides of the

conflict Davis spent the war years in the Pennsylvania and Virginia borderlands a region she called a vast armed camp Here divided families ravaged communities and shifting loyalties were the norm As the editors say Davis does not limit herself to writing about slavery abolition or reconstruction Instead she shows us that through the fighting the rebuilding and the politics life goes on Even during a war people must live they work eat sleep and love Rebecca Harding Davis Rebecca Harding Davis,2001 This is the annotated edition of novelist journalist Rebecca Harding Davis s 1904 autobiography Bits of Gossip and a previously unpublished family history written for her children The memoirs are not traditional autobiography rather they are Davis s perspective on the extraordinary cultural changes that occurred during her lifetime and of the remarkable and sometimes scandalous people who shaped the events She provides intimate portraits of the famous people she knew including Emerson Hawthorne Louisa May Alcott Ann Stephens Oliver Wendell Holmes and Horace Greeley Equally important are Davis s commentaries on the political activists of the Civil War era from Abraham Lincoln to Booker T Washington from the daughters of the Southland to Lucretia Mott from Henry Ward Beecher to William Still **Rebecca Harding Davis** Jane Atteridge Rose,1993 Despite this legacy most scholars who have studied Davis s works in depth concur that she did not fulfill the promise shown in *Life in the Iron Mills* To earn more money for her family Davis eventually decided to favor quantity over quality On the advice of her publisher she lightened her dark view of the human condition and on the advice of her husband a crusading journalist she sometime advocated social causes in her fiction and was then criticized for being didactic While she never abandoned her quest to write serious honest fiction her commitment was likely compromised under these influences *A Rebecca Harding Davis Reader* Rebecca Harding Davis,1995 In this collection of stories that combine realism with sentimentalism and in topical essays Davis confronted a wide range of current issues as one who knew the frustration caused by the genteel female s helpless social position and barriers against women entering the working world *A Study Guide for Rebecca Harding Davis's "Life in the Iron Mills"* Gale, Cengage Learning,2016 A Study Guide for Rebecca Harding Davis s *Life in the Iron Mills* excerpted from Gale s acclaimed *Short Stories for Students* This concise study guide includes plot summary character analysis author biography study questions historical context suggestions for further reading and much more For any literature project trust *Short Stories for Students* for all of your research needs **Waiting for the Verdict (1867) Rebecca Harding Davis (Classics)** Rebecca Harding Davis,2016-04-22 Rebecca Blaine Harding Davis June 24 1831 September 29 1910 born Rebecca Blaine Harding was an American author and journalist She is deemed a pioneer of literary realism in American literature She graduated valedictorian from Washington Female Seminary in Pennsylvania Her most important literary work is the novella *Life in the Iron Mills* published in the April 1861 edition of the *Atlantic Monthly* which quickly made her an established female writer Throughout her lifetime Davis sought to effect social change for blacks women Native Americans immigrants and the working class by intentionally writing about the plight of these marginalized groups in the 19th century *Life in the Iron Mills, and Other Stories* Rebecca Harding Davis,1985 You

must read this book and let your heart be broken New York Times Book Review One of the earliest recognitions in American literature of the existence of the very poor Michele Murray National Observer Suggested for course use in 19th century U S literature Working class studies Rebecca Harding Davis 1831 1910 published 12 books and many serialized novels stories and essays *Parlor Radical* Jean Pfaelzer,2010-11-23 Rebecca Harding Davis was a prominent author of radical social fiction during the latter half of the nineteenth century In stories that combine realism with sentimentalism Davis confronted a wide range of contemporary American issues giving voice to working women prostitutes wives seeking divorce celibate utopians and female authors Davis broke down distinctions between the private and the public worlds distinctions that trapped women in the ideology of domesticity By engaging current strategies in literary hermeneutics with a strong sense of historical radicalism in the Gilded Age Jean Pfaelzer reads Davis through the public issues that she forcefully inscribed in her fiction In this study Davis s realistic narratives actively construct a coherent social work not in a fictional vacuum but in direct engagement with the explosive movements of social change from the Civil War through the turn of the century
