Rebecca Harding Davis And American Realism:

Rebecca Harding Davis and American Realism Sharon M. Harris, 1991-06 From the late 1860s until her death in 1910 Rebecca Harding Davis was one of the best known writers in America She broke into print as a young woman in the 1860s with *Life in the Iron Mills* which established her as one of the pioneers of American realism She developed a literary theory of the commonplace nearly two decades before William Dean Howells shaped his own version of the concept Yet in spite of her importance to the literary and popular culture of her time she has been for the most part ignored by scholars Rebecca Harding Davis and American Realism helps to change that **Parlor Radical** Jean Pfaelzer, 2010-11-23 Rebecca Harding Davis was a prominent author of radical social fiction during the latter half of the nineteenth century In stories that combine realism with sentimentalism Davis confronted a wide range of contemporary American issues giving voice to working women prostitutes wives seeking divorce celibate utopians and female authors Davis broke down distinctions between the private and the public worlds distinctions that trapped women in the ideology of domesticity By engaging current strategies in literary hermeneutics with a strong sense of historical radicalism in the Gilded Age Jean Pfaelzer reads Davis through the public issues that she forcefully inscribed in her fiction In this study Davis's realistic narratives actively construct a coherent social work not in a fictional vacuum but in direct engagement with the explosive movements of social change from the Civil War through the turn of the century *Rebecca Harding Davis* Edward J. Devlin, 1935 *Rebecca Harding Davis in the Context of American Literary Realism/naturalism* Sharon Harris, 1988 *Life in the Iron-Mills Or, The Korl Woman* Rebecca Harding Davis, 2024-04 **Political Prayer in Nineteenth-Century American Literature** Amy Dunham Strand, 2024-09-30 *Political Prayer in Nineteenth Century American Literature* explores how American women writers such as Catharine Maria Sedgwick Harriet Beecher Stowe Rebecca Harding Davis and Emily Dickinson translated petitioning a political form for redress of grievances with religious resonance or what Strand calls political prayer in their literary works At a time when petitioning was historically transforming governments mobilizing masses and democratizing North America these White women writers wrote literary petitions to advocate for others in social justice causes such as antiremoval antislavery and labor reform to transform American literature and culture and to articulate an ambivalent political agency *Political Prayer in Nineteenth Century American Literature* introduces historic petitioning into literary study as an overlooked but important new lens for reading nineteenth century fiction and poetry Understanding petitions in these literary works and these literary works as petitions also helps us to understand women's political agency before their enfranchisement to explain why scholars have long debated and inconsistently interpreted the works of well anthologized women writers and to see more clearly the multidimensional coexisting and often competing religious and political aspects of their writings **Anne, and Blind Tom** Rebecca Harding Davis, 2008-04-01 Rebecca Blaine Harding Davis 1831 1910 born Rebecca Blaine Harding was an American author and journalist She is deemed a pioneer of literary Realism in American

The terms poetry and realism have a complex and often oppositional relationship in American literary histories of the postbellum period The core narrative holds that realism the major literary movement of the era developed apace in prose fiction while poetry stuck in a hopelessly idealist late Romantic mode languished and stagnated Poetry is almost entirely absent from scholarship on American literary realism except as the emblem of realism's opposite a desiccated genteel twilight of the poets *Realist Poetics in American Culture 1866-1900* refutes the familiar narrative of postbellum poetics as a scene of failure and it recovers the active and variegated practices of a diverse array of realist poets across print culture The triumph of the twilight tale in the twentieth century obscured minimized and flattened the many poetic discourses of the age including but not limited to a significant body of realist poems currently missing from US literary histories Excavating an extensive archive of realist poems the volume offers a significant revision to the genre exclusive story of realism and by extension to the very foundations of postbellum American literary history dating back to the earliest stages of the discipline

the most exciting new work in the field to showcase the revelatory potential of fresh thinking about how we organize the literary past

Gender, Fantasy, and Realism in American Literature Alfred Habegger, 1982 In this study of the 19th century American novel the author demonstrates the imaginative continuity between sentimental and realistic fiction and sets out to establish that realism is the central and preeminent literary type in America a mode grounded in the tradition of women s popular fiction which shaped the nation s reading habits in the mid 19th century He examines this feminine literature with its common technique of symbolizing deeper social conflicts through patterns of courtship marriage and gender roles Contends that Howells and James owe much of their fictional domain to the often disparaged household dramas of these female precursors
