## **Rebel King The Harships Two:**

Angels Associated with Israel in the Dead Sea Scrolls Matthew L. Walsh, 2019-12-16 A well known characteristic of the sectarian Dead Sea Scrolls are their assertions that membership in the Qumran movement included present and eschatological fellowship with the angels but scholars disagree as to the precise meaning of these claims To gain a better understanding of angelic fellowship at Qumran Matthew L Walsh utilizes the early Jewish concept that certain angels were closely associated with Israel Moreover these angels which included guardians and priests were envisioned within apocalyptic worldviews that assumed that realities on earth corresponded to those of the heavenly realm A comparison of non sectarian texts with sectarian compositions reveals that the Qumran movement s lofty assertions of communion with the guardians and priests of heavenly Israel would have made a significant contribution to their identity as the true Israel
