

FRANK E. VANDIVER

The background of the central section features a repeating pattern of five-pointed stars and intersecting diagonal lines, creating a grid-like effect. The stars are light yellow and the lines are a slightly darker shade of yellow, all set against a gold background.

Rebel Brass The Confederate Command System:

Rebel Brass Frank Everson Vandiver,1956 Rebel Brass Frank Everson Vandiver,1956 **Rebel Brass. The Confederate Command System, Etc. [With Plates, Including Portraits.]**. Frank Everson Vandiver,1956 *The Civil War Bookshelf* Robert Wooster,2005-06 The Civil War continues to capture the public s imagination as evidenced by the popularity of the Ken Burns documentary The Civil War and recent bestsellers like Charles Frazier s Cold Mountain The Era of the Civil War--1820-1876 US Army Military History Research Collection,Benjamin Franklin Cooling (III),1974 Military Aspects of the Civil War United States Air Force Academy. Library,1961 A Companion to the U.S. Civil War, 2 Volume Set Aaron Sheehan-Dean,2020-05-05 A Companion to the U S Civil War presents a comprehensive historiographical collection of essays covering all major military political social and economic aspects of the American Civil War 1861 1865 Represents the most comprehensive coverage available relating to all aspects of the U S Civil War Features contributions from dozens of experts in Civil War scholarship Covers major campaigns and battles and military and political figures as well as non military aspects of the conflict such as gender emancipation literature ethnicity slavery and memory **A Companion to the U.S. Civil War** Aaron Sheehan-Dean,2014-02-05 A Companion to the U S Civil War presents a comprehensive historiographical collection of essays covering all major military political social and economic aspects of the American Civil War 1861 1865 Represents the most comprehensive coverage available relating to all aspects of the U S Civil War Features contributions from dozens of experts in Civil War scholarship Covers major campaigns and battles and military and political figures as well as non military aspects of the conflict such as gender emancipation literature ethnicity slavery and memory **The American Civil War** Ethan S. Rafuse,2017-11-28 The largest and most destructive military conflict between the Napoleonic Wars and the First World War the American Civil War has inspired some of the best and most intriguing scholarship in the field of United States history This volume offers some of the most important work on the war to appear in the past few decades and offers compelling information and insights into subjects ranging from the organization of armies historiography the use of intelligence and the challenges faced by civil and military leaders in the course of America s bloodiest war The H. L. Hunley Tom Chaffin,2010-02-16 A major reconsideration of the role of the American West in the causes military conduct and consequences of the Civil War On the evening of February 17 1864 the Confederacy s H L Hunley sank the Union s formidable sloop of war the USS Housatonic and became the first submarine in world history to sink an enemy ship But after accomplishing such a feat the Hunley and her crew of eight also vanished beneath the cold Atlantic waters off Charleston South Carolina For generations the legend of the Hunley grew as searchers prowled the harbor looking for remains Even after the submarine was definitively located in 1995 and recovered five years later those legends have continued to flourish In a tour de force of document sleuthing and insights gleaned from the excavation of this remarkable vessel the distinguished Civil War era historian Tom Chaffin presents the most thorough telling of the Hunley s story possible

Of panoramic breadth this saga begins long before the submarine was even assembled and follows the tale into the boat's final hours and through its recovery in 2000. Engaging and groundbreaking *The H L Hunley* provides the definitive account of a fabled craft. *The Battlefield and Beyond* Clayton E. Jewett, 2012-05-16 In *The Battlefield and Beyond* leading Civil War historians explore a tragic part of our nation's history through the lenses of race, gender, leadership, politics, and memory. The essays in this strong collection shed new light on the defining issues of the Civil War era. Orville Vernon Burton, Leonne M. Hudson, and Daniel E. Sutherland delve into the master-slave relationship, the role of blacks in the army, and the nature of southern violence. Herman Hattaway, Paul D. Escott, and Judith F. Gentry offer innovative perspectives on the influential leadership of President Jefferson Davis, Lieutenant General Stephen D. Lee, and General Edmund Kirby Smith. Other contributors consider politicians and the public. Michael J. Connolly and Clayton E. Jewett investigate how despotism contributed to Confederate defeat. David E. Kyvig and Alan M. Kraut examine the war's impact on the Constitution and racial relationships with Jews. Bertram Wyatt Brown, Kenneth Nivison, and Emory M. Thomas discuss the critical function of memory in our understanding of Lincoln's assassination. The essays in *The Battlefield and Beyond* consider the fundamental issue of the Confederacy's failure and military defeat but also expose our nation's continuing struggles with race, individual rights, terrorism, and the economy. Collectively, this distinguished group of historians reveals that 150 years after the nation's most defining conflict, its consequences still resonate. **John Jones Pettus, Mississippi fire-eater** Robert W. Dubay, 1975

Prologue, 1992 *Cavalryman of the Lost Cause* Jeffry D. Wert, 2009-09-22 Now in paperback, this major biography of J. E. B. Stuart, the first in two decades, uses newly available documents to draw the fullest, most accurate portrait of the legendary Confederate cavalry commander ever published. Major figure of American history, James Ewell Brown Stuart was the South's most successful and most colorful cavalry commander during the Civil War. Like many who die young, Stuart was thirty-one when he succumbed to combat wounds; he has been romanticized and popularized. One of the best-known figures of the Civil War, J. E. B. Stuart is almost as important a figure in the Confederate pantheon as Robert E. Lee and Stonewall Jackson. Most comprehensive biography to date, *Cavalryman of the Lost Cause* is based on manuscripts and unpublished letters, as well as the latest Civil War scholarship. Stuart's childhood and family are scrutinized, as is his service in Kansas and on the frontier before the Civil War. The research in this biography makes it the authoritative work. *Stonewall* Byron Farwell, 1993 In the first major biography of Stonewall Jackson in more than 30 years, Farwell reveals the quirky, obsessive, dark personality behind the legendary Confederate general who died at Chancellorsville. Despite many limitations, Jackson's genius was unquestionable, as revealed in this meticulously researched narrative. Photos. *A Mexican View of America in the 1860s* Matías Romero, 1991 This book, compiled and translated from the writings of Matías Romero, Mexican charge and minister during the 1860-67 period, offers the insightful commentaries of a foreign diplomat who resided in the United States during the secession crisis, the Civil War, and reconstruction. **The Life and Wars of Gideon J. Pillow** Nathaniel Cheairs

Hughes, Roy P. Stonewall, 1993 Commonly portrayed in Civil War literature as a bungling general who disgraced himself at Fort Donelson Gideon Johnson Pillow 1806-78 is one of the most controversial military figures of nineteenth century America In this first full length biography **Why The North Won The Civil War** David Herbert Donald, 2015-11-06 WHY THE SOUTH LOST What led to the downfall of the Confederacy The distinguished professors of history represented in this volume examine the following crucial factors in the South's defeat ECONOMIC RICHARD N. CURRENT of the University of Wisconsin attributes the victory of the North to fundamental economic superiority so great that the civilian resources of the South were dissipated under the conditions of war MILITARY T. HARRY WILLIAMS of Louisiana State University cites the deficiencies of Confederate strategy and military leadership evaluating the influence on both sides of Baron Jomini a 19th century strategist who stressed position warfare and a rapid tactical offensive DIPLOMATIC NORMAN A. GRAEBER of the University of Illinois holds that the basic reason England and France decided not to intervene on the side of the South was simply that to have done so would have violated the general principle of non intervention to which they were committed SOCIAL DAVID DONALD of Columbia University offers the intriguing thesis that an excess of Southern democracy killed the Confederacy From the ordinary man in the ranks to Jefferson Davis himself too much emphasis was placed on individual freedom and not enough on military discipline POLITICAL DAVID M. POTTER of Stanford University suggests that the deficiencies of President Davis as a civil and military leader turned the balance and that the South suffered from the lack of a second well organized political party to force its leadership into competence **Special Bibliography**, 1982 **America's Civil War** Brian Holden Reid, 2009-12-02 Civil War historian Reid examines in depth the operational military history during the first three years of America's Civil War In particular he focuses on generalship command decisions strategy and tactics as well as the experiences of ordinary soldiers
