Rebel Storehouse Florida In The Confederate Economy

James W. Raab

Rebel Storehouse Florida In The Confederate Economy:

Rebel Storehouse Robert A. Taylor,1995 Details how Florida became an integral part of the Confederacy s war economy as a major source of salt beef pork and corn for the rebel forces *Rebel Storehouse* Robert A. Taylor,2003 Brings to light an overlooked aspect of Florida s importance to the Confederacy Florida s role in the Civil War has long been overlooked or discounted by students of the conflict Despite its isolation and the lack of important land battles the state made a contribution to the Confederate war effort far out of proportion to its small population After seceding from the Union in 1861 Florida joined the Confederacy with a reputation born in the 1850s as an area of great agricultural potential for the newly created country Rebel leaders quickly came to regard Florida as an abundant source of foodstuffs The state became a major supplier of salt beef pork and corn both for the rebel forces and for many civilians Cattle in particular were driven northward in large numbers providing rations for Confederate troops from Chattanooga to Charleston Unfortunately however senior officials in the field and in Richmond often held unrealistic expectations about the volume of supplies Floridians could actually deliver These same authorities for the most part also failed adequately to defend this crucial food source a factor that may have accelerated the Confederacy s ultimate disintegration **Discovering the Civil War in Florida** Paul Taylor,2012-10-01 A chronicle of Civil War activity in Florida both land and sea maneuvers For each engagement the author includes excerpts from official government reports by officers on both sides of the battle lines Also a guide to Civil War sites you can visit Includes photos and maps Sites include Fort Pickens Natural Bridge Battlefield State Historic Site Fort Clinch State Park Olustee Battlefield Suwannee River State Park Castillo de San Marcos Bronson Mulholland House Cedar Key Island Hotel Gamble Plantation Yulee Sugar Mill Ruins State Historic Site Fort Zachary Taylor State Historic Site Fort Jefferson State Historic Site Slavery in Florida Larry Eugene Rivers,2009-03-15 This important illustrated social history of slavery tells what life was like for bond servants in Florida from 1821 to 1865 offering new insights from the perspective of both slave and master Starting with an overview of the institution as it evolved during the Spanish and English periods Larry E Rivers looks in detail and in depth at the slave experience noting the characteristics of slavery in the Middle Florida plantation belt the more traditional slave based cotton growing economy and society as distinct from East and West Florida which maintained some attitudes and traditions of Spain He examines the slave family religion resistance activity slaves participation in the Civil War and their social interactions with whites Indians other slaves and masters Rivers also provides a dramatic account of the hundreds of armed free blacks and runaways among the Seminole Creek and Mikasuki Indians on the peninsula whose presence created tensions leading to the great slave rebellion the Second Seminole War 1835 42 Slavery in Florida is built upon painstaking research into virtually every source available on the subject a wealth of historic documents personal papers slave testimonies and census and newspaper reports This serious critical work strikes a balance between the factual and the interpretive It will be significant to all readers interested in slavery the Civil War the African

American experience and Florida and southern U S history and it could serve as a comprehensive resource for secondary school teachers and students

Confederate Generals in the Western Theater, Vol. 3 Lawrence L. Hewitt, Arthur W. Bergeron, 2011-05-30

The American Civil War was won and lost on its western battlefields but accounts of triumphant Union generals such as Grant and Sherman leave half of the story untold In the third volume of Confederate Generals in the Western Theater editors Lawrence Hewitt and Arthur Bergeron bring together ten more never before published essays filled with new penetrating insights into the key question of why the Rebel high command in the West could not match the performance of Robert E Lee in the East Showcasing the work of such gifted historians as Wiley Sword Timothy B Smith Rory T Cornish and M Jane Johansson this book is a compelling addition to an ongoing collective portrait of generals who occasionally displayed brilliance but were more often handicapped by both geography and their own shortcomings While the vast varied terrain of the Western Theater slowed communications and troop transfers and led to the creation of too many military departments that hampered cooperation among commands even more damaging were the personal qualities of many of the generals All too frequently incompetence egotism and insubordination were the rule rather than the exception Some of these men were undone by alcoholism and womanizing others by politics and nepotism A few outlived their usefulness others were killed before they could demonstrate their potential Together they destroyed what chance the Confederacy had of winning its independence Whether adding fresh fuel to the debate over the respective roles of Albert Sidney Johnston and P G T Beauregard at Shiloh or bringing to light such lesser known figures as Joseph Finegan and Hiram Bronson Granbury this volume like the ones preceding it is an exemplary contribution to Civil War scholarship Lawrence Lee Hewitt is professor of history emeritus at Southeastern Louisiana University A recipient of SLU s President s Award for Excellence in Research and the Charles L Dufour Award for outstanding achievements in preserving the heritage of the American Civil War he is a former managing editor of North South His publications include Port Hudson Confederate Bastion on the Mississippi The late Arthur W Bergeron Jr was a reference historian with the United States Army Military History Institute and a past president of the Louisiana Historical Association Among his earlier books were Confederate Mobile and A Thrilling Narrative The Memoir of a Southern Unionist

Rebels and Runaways Larry Eugene Rivers, 2012-07-15 This gripping study examines slave resistance and protest in antebellum Florida and its local and national impact from 1821 to 1865 Using a variety of sources such as slaveholders wills and probate records ledgers account books court records oral histories and numerous newspaper accounts Larry Eugene Rivers discusses the historical significance of Florida as a runaway slave haven dating back to the seventeenth century and explains Florida s unique history of slave resistance and protest In moving detail Rivers illustrates what life was like for enslaved blacks whose families were pulled asunder as they relocated from the Upper South to the

Lower South to an untamed place such as Florida and how they fought back any way they could to control small parts of their own lives Against a smoldering backdrop of violence this study analyzes the various degrees of slave resistance from the perspectives of both slave and master and how they differed in various regions of antebellum Florida In particular Rivers demonstrates how the Atlantic world view of some enslaved blacks successfully aided their escape to freedom a path that did not always lead North but sometimes farther South to the Bahama Islands and Caribbean Identifying more commonly known slave rebellions such as the Stono Louisiana Denmark Telemaque Vesey Gabriel and the Nat Turner insurrections Rivers argues persuasively that the size scope and intensity of black resistance in the Second Seminole War makes it the largest sustained slave insurrection ever to occur in American history Meticulously researched *Rebels and Runaways* offers a detailed account of resistance protest and violence as enslaved blacks fought for freedom Florida Civil War Blockades Nick Wynne, Joe Crankshaw, 2014-02-18 Florida was the third Southern state to secede from the United States in 1860 61 With its small population of 140 000 and no manufacturing few Confederate resources were allocated to protect the state Some 15 000 Floridians served in the Union and Confederate armies the highest population percentage of any southern state but perhaps Florida's greatest contributions came from its production of salt an essential need for preserving meat and manufacturing gunpowder its large herds of cattle which fed two southern armies and its 1500 mile shoreline which allowed smugglers to bring critical supplies from Europe and the Caribbean Florida in the Civil War Blockaders will focus on the men and ships that fought this prolonged battle at sea along the long and largely vacant coasts of the Sunshine State and on Florida soil The information will be drawn from official sources newspaper articles and private accounts Approximately fifty 50 period photographs and drawings will be incorporated into the text **Creating an Old South** Edward E. Baptist, 2002 Baptist examines the development of a plantation society in antebellum middle Florida and its effects on codes of masculinity among white settlers and planters African American family structures and culture and the formation of a sectional identity in the South **Suwannee River Guidebook** Kevin M McCarthy, 2014-12-01 Anyone looking to escape the hustle and bustle of the modern world for a while is invited to sit back and enjoy a leisurely trip down one of the best known and most beloved rivers in the country Flowing more than 230 miles from the Okefenokee Swamp in Georgia to the Gulf of Mexico in Florida the Suwannee may well be the last unspoiled river in the Southeast Complete with travel information and tips for those exploring the area by water or by land this comprehensive guide describes the history major towns and cities along the way wildlife and personages associated with the river As you journey down the river you'll stop by places like White Springs and Branford Old Town and Fowler's Bluff You'll see manatees jumping fish alligators and many species of birds You'll also be introduced to some of the most important people and groups in Florida's history including the Timucuan and Seminole Indians Spanish missionaries and explorers Stephen C Foster Marjorie Kinnan Rawlings and William Bartram as well as the organizations and agencies that have fought to preserve and protect this magnificent river and its watershed The Suwannee

River Guidebook will open your eyes to a part of Florida you may be surprised to learn still exists one largely untouched by developers and full of natural wonder Next in series See all of the books in this series Baptist Faith in Action Kathryn Carlisle Schwartz,2003 Supplying a wealth of material from locales and a time for which few primary sources exist Baptist Faith in Action brings to print the writings of Maria Baker Taylor 1813 1895 a strong minded plantation mistress who spent her life in South Carolina and Florida The granddaughter of Richard Furman South Carolina s foremost nineteenth century Baptist minister Taylor was a well educated and sophisticated member of South Carolina s second tier planter class She was also a most fervent Baptist Notable for its geographical and temporal breadth this collection of letters diary entries essays and poems affords an unmatched view into the life of a woman living on the South s interior frontier during the nineteenth century Born in Sumter County South Carolina Maria Baker married John Morgandollar Taylor in 1834 Throughout their marriage the couple lived on the geographical frontier first in Beaufort District South Carolina and then in Marion County Florida The mother of thirteen children Taylor taught her children and grandchildren at home devoted large amounts of time to church work and read voraciously She also wrote voluminously keeping diaries exchanging letter This Cruel War Grant Taylor,2000 Some thirty two of Malinda Taylor s own letters to her husband are part of this invaluable correspondence Her letters offer a rich source on what the war did to Southern yeoman society She records the problems of running the family farm and caring for their young children often on her own Malinda gained self reliance that made her husband uneasy Despite all their trials the Taylors remained a loving couple not afraid to express their feelings for each other BOOK JACKET

Jefferson Davis, Confederate President Herman Hattaway,Richard E. Beringer,2002 Now two Civil War historians Herman Hattaway and Richard Beringer take a new and closer look at Davis s presidency In the process they provide a clearer image of his leadership and ability to handle domestic diplomatic and military matters under the most trying circumstances without the considerable industrial and population resources of the North and without the formal recognition of other nations BOOK JACKET **J. Patton Anderson, Confederate General** James W. Raab,2014-11-18 J Patton Anderson was from Florida the seceding state that was referred to as the tadpole of the Confederate states but nevertheless he was one of the Confederacy s great military leaders Anderson oversaw a large plantation Casa Bianca and his views meshed with secessionist views sufficiently for him to be elected as a delegate to the Secession Conference held in Montgomery Alabama After Florida seceded President Davis appointed Anderson as a Brigadier General Anderson engaged the enemy in the Western theater for four years under his mentor General Braxton Bragg who advanced him to Major General in command of the District of Florida This is a complete biography of Anderson s life including his service in the Mexican War his appointment as United States Marshal to the distant Washington Territory his adventure with his wife Etta Adair of taking the 1853 Washington Territory census by canoe his election as territorial delegate to Washington City and his entire Civil War service J Patton and Etta Anderson s affectionate correspondence is an important aspect of this biography

revealing what it was like to be alive at this time and what it took to keep their family intact *Salt in Eastern North America and the Caribbean* Ashley A. Dumas, Paul N. Eubanks, 2021-02-09 Case studies examining the archaeological record of an overlooked mineral Salt once a highly prized trade commodity essential for human survival is often overlooked in research because it is invisible in the archaeological record Salt in Eastern North America and the Caribbean History and Archaeology brings salt back into archaeology showing that it was valued as a dietary additive had curative powers and was a substance of political power and religious significance for Native Americans Major salines were embedded in collective memories and oral traditions for thousands of years as places where physical and spiritual needs could be met Ethnohistoric documents for many Indian cultures describe the uses of and taboos and other beliefs about salt The volume is organized into two parts Salt Histories and Salt in Society Case studies from prehistory to post Contact and from New York to Jamaica address what techniques were used to make salt who was responsible for producing it how it was used the impact it had on settlement patterns and sociopolitical complexity and how economies of salt changed after European contact Noted salt archaeologist Heather McKillop provides commentary to conclude the volume **Obstinate Heroism** Steven J. Ramold, 2020-03-15 Despite popular belief the Civil War did not end when Robert E Lee surrendered to Ulysses S Grant at Appomattox Virginia in April 1865 The Confederacy still had tens of thousands of soldiers under arms in three main field armies and countless smaller commands scattered throughout the South Although pressed by Union forces at varying degrees all of the remaining Confederate armies were capable of continuing the war if they chose to do so But they did not even when their political leaders ordered them to continue the fight Convinced that most civilians no longer wanted to continue the war the senior Confederate military leadership over the course of several weeks surrendered their armies under different circumstances Gen Joseph Johnston surrendered his army in North Carolina only after contentious negotiations with Gen William Tecumseh Sherman Gen Richard Taylor ended the fighting in Alabama in the face of two massive Union incursions into the state rather than try to consolidate with other Confederate armies Personal rivalry also played a part in his practical considerations to surrender Gen Edmund Kirby Smith had the decision to surrender taken out of his hands disastrous economic conditions in his Trans Mississippi Department had eroded morale to such an extent that his soldiers demobilized themselves leaving Kirby Smith a general without an army The end of the Confederacy was a messy and complicated affair a far cry from the tidy closure associated with the events at Appomattox Literature of Travel and Exploration Jennifer Speake, 2014-05-12 Containing more than 600 entries this valuable resource presents all aspects of travel writing There are entries on places and routes Afghanistan Black Sea Egypt Gobi Desert Hawaii Himalayas Italy Northwest Passage Samarkand Silk Route Timbuktu writers Isabella Bird Ibn Battuta Bruce Chatwin Gustave Flaubert Mary Kingsley Walter Raleigh Wilfrid Thesiger methods of transport and types of journey balloon camel grand tour hunting and big game expeditions pilgrimage space travel and exploration genres buccaneer narratives guidebooks New World chronicles

A Small But Spartan Band Zack C. Waters, James C. Edmonds, 2013-11-05 A comprehensive study of the Florida Brigade which served under Robert E Lee in the famed Army of Northern Virginia

The Black Experience in the Civil War South Stephen V. Ash, 2010-03-02 The first book of its kind to appear in a generation this comprehensive study details the experiences of the black men women and children who lived in the South during the traumatic time of secession and civil war The Black Experience in the Civil War South is the first comprehensive study of the Southern black wartime experience to appear in a generation Incorporating the most recent scholarship this thematically organized book does justice to the richness of its subject looking at the lives of blacks in the Confederate states and the nonseceding Southern states at blacks on farms and plantations and in towns and cities at blacks employed in industry and the military and at black men women and children Drawing on memoirs autobiographies and other original source materials the author details the experiences of blacks who took up residence in Union contraband camps and on free labor plantations and those who enlisted in the Union army He introduces individuals who escaped from slavery as well as the small minority of Southern blacks who were free when the war began Most significantly this revealing study deals not only with those who gained freedom during the war but those whose freedom came only after the conflict s end

A Forgotten Front Seth A. Weitz, Jonathan C. Sheppard, 2018-06-12 An examination of the understudied yet significant role of Florida and its populace during the Civil War In many respects Florida remains the forgotten state of the Confederacy Journalist Horace Greeley once referred to Florida in the Civil War as the smallest tadpole in the dirty pool of secession Although it was the third state to secede Florida s small population and meager industrial resources made the state of little strategic importance Because it was the site of only one major battle it has with a few exceptions been overlooked within the field of Civil War studies During the Civil War more than fifteen thousand Floridians served the Confederacy a third of which were lost to combat and disease The Union also drew the service of another twelve hundred white Floridians and more than a thousand free blacks and escaped slaves Florida had more than eight thousand miles of coastline to defend and eventually found itself with Confederates holding the interior and Federals occupying the coasts a tenuous state of affairs for all Florida s substantial Hispanic and Catholic populations shaped wartime history in ways unique from many other states Florida also served as a valuable supplier of cattle salt cotton and other items to the blockaded South A Forgotten Front Florida during the Civil War Era provides a much needed overview of the Civil War in Florida Editors Seth A Weitz and Jonathan C Sheppard provide insight into a commonly neglected area of Civil War historiography The essays in this volume examine the most significant military engagements and the guerrilla warfare necessitated by the occupied coastline Contributors look at the politics of war beginning with the decade prior to the

outbreak of the war through secession and wartime leadership and examine the period through the lenses of race slavery
women religion ethnicity and historical memory The North Carolina Historical Review ,1996

Adopting the Song of Appearance: An Mental Symphony within **Rebel Storehouse Florida In The Confederate Economy**

In some sort of consumed by screens and the ceaseless chatter of instantaneous communication, the melodic splendor and emotional symphony produced by the written word frequently disappear in to the back ground, eclipsed by the persistent sound and distractions that permeate our lives. Nevertheless, set within the pages of **Rebel Storehouse Florida In The Confederate Economy** a charming fictional prize brimming with fresh thoughts, lies an immersive symphony waiting to be embraced. Constructed by an elegant musician of language, that interesting masterpiece conducts visitors on a mental journey, skillfully unraveling the hidden songs and profound impact resonating within each cautiously constructed phrase. Within the depths of this moving examination, we shall explore the book is central harmonies, analyze their enthralling writing model, and submit ourselves to the profound resonance that echoes in the depths of readers souls.

Rebel Storehouse Florida In The Confederate Economy Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Rebel Storehouse Florida In The Confederate Economy free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Rebel Storehouse Florida In The Confederate Economy free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free

PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Rebel Storehouse Florida In The Confederate Economy free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading Rebel Storehouse Florida In The Confederate Economy. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Rebel Storehouse Florida In The Confederate Economy any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Rebel Storehouse Florida In The Confederate Economy Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What's the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Rebel Storehouse Florida In The Confederate Economy is one of the best books in our library for free trial. We provide a copy of Rebel Storehouse Florida In The Confederate Economy in digital format, so the resources that you find are reliable. There are also many eBooks of related titles with Rebel Storehouse Florida In The Confederate Economy. Where to download Rebel Storehouse Florida In The Confederate Economy online for free? Are you looking for Rebel Storehouse Florida In The Confederate Economy PDF? This is definitely going to save you time and cash in something you should think about.
