Michael Drinkard

Rebels Turn Out Your Dead

William M. Fowler Jr.

Rebels Turn Out Your Dead:

Rebels, Turn Out Your Dead Michael Drinkard, 2006 After his teenage son shoots a British soldier Revolutionary War era farmer Salt finds himself taken captive on a prison ship off the shore of Brooklyn while his family pursues their own goals of independence

"Rebels, Turn Out Your Dead!". Arthur B. Tourtellot, 1970 An estimated eleven thousand American seamen died on the rotting decks of the British prison ship Jersey during the Revolutionary War

Last Run of the Whisperer Calvin J. Boal, 2011-05 Last Run of the Whisperer is a historical fiction novel based upon the Revolutionary War records of William Waterman of Norwich Connecticut colony The author has taken the information that William Waterman has provided to us through his own account of his service in the American Revolution when he petitioned the United States Congress in 1832 for a pension for said service The author has taken the information provided by William Waterman and completed extensive research on the battles and areas of service that our hero served in embellishing and expounded upon this information to develop an exciting and accurate historical story surrounding our hero William Waterman William Waterman himself in his petition to the United States Congress identifies one severe wound received in said service at the battle of White Plain in the colony of New York above New York City This wound by itself could have cost our hero his life That he survived this wound and the numerous other battles and action that he undoubtedly saw was extraordinary Although William Waterman lists a number of battles and theatres of war he saw service in he does not describe the details of these battles The author takes his literary liberty upon researching these battles and events to interject our hero into the battles That William Waterman is involved in each and everyone of these battles or theatres of war in based upon William Waterman's own account Upon his completion of service in the Continental army William Waterman listed his next service as a privateer that is as a licensed pirate The author has taken the liberty to believe that William Waterman engaged as a privateer in the cause of the upstart Americans and prayed upon British shipping as he makes no mention of serving the British in his petition to the United States Congress and infact lists his service as a privateer in his petition for his pension indicating that all of his papers and records of his service in the Continental army were lost when the ship he was engaged on as a privateer was sunk leading to his subsequent imprisonment by the British on the prison ship Jersey Our hero William Waterman also does not identify the name of the ship on which he was engaged as a privateer Again the author takes his literary liberty to name the privateer ship and thus we have the Last Run of the Whisperer During the course of our adventure William Waterman loses his boyhood friend to the cause of the American Revolution learns that his father is fighting against him on the side of the British loses his first love to another man while he is imprisoned and eventually finds the girl he is to marry while hiding from the British William Waterman finds peace and contentment spending his life after the war living in the Green Mountains of Vermont

Munsey's Magazine, 1898 **Harper's Popular Cyclopedia of United States History ...** Benson J. Lossing, 1893 *Harpers's Popular Cyclopædia of United States History from the Aboriginal Period* Benson John

Lossing,1887 **Harpers' Popular Cyclopaedia of United States History from the Aboriginal Period Containing Brief Sketches of Important Events and Conspicuous Actors** Benson John Lossing,1893 American Crisis William M. Fowler Jr.,2011-10-04 The story of the dramatic two years October 1781 November 1783 after General Cornwallis's surrender at Yorktown when the nascent United States was on the brink of immediate collapse Most people believe the American Revolution ended in October 1781 after the battle of Yorktown in fact the war continued for two more traumatic years During that time the Revolution came closer to being lost than at any time in the previous half dozen The British still held New York Savannah Wilmington and Charleston the Royal Navy controlled the seas the states despite having signed the Articles of Confederation earlier that year retained their individual sovereignty and largely bankrupt themselves refused to send any money in the new nation's interest members of Congress were in constant disagreement and the Continental army was on the verge of mutiny William Fowler's *An American Crisis* chronicles these tumultuous and dramatic two years from Yorktown until the British left New York in November 1783 At their heart was the remarkable speech Gen George Washington gave to his troops encamped north of New York in Newburgh quelling a brewing rebellion that could have overturned the nascent government **Harpers' Popular Cyclopaedia of United States History from the Aboriginal Period to 1876** Benson John Lossing,1881 Twelve Paradoxes of the Gospel Cameron C. Taylor,2010-10-01 The gospel of Jesus Christ is filled with paradoxes Many of God's directions seem to be contrary to logic and reason On the surface they appear to have the opposite effect of the promised result This book explores twelve of these gospel paradoxes with powerful scriptures and stories from the lives of faith-filled Christians The Paradox of Faith contains insight on faith from the Apostle Peter's experience walking on water with Jesus From The Paradox of Performance you will learn why the first shall be last and the last shall be first In The Paradox of Leadership you will read inspiring stories of servant leadership from the life of Jesus Christ Abraham Lincoln and the Founding Fathers The Paradox of Wisdom contains three lessons learned from Balaam's talking donkey found in the book of numbers The Paradox of Receiving contains insights on prayer and receiving gifts from God The Paradox of Pain answers the question of why bad things happen to good people The Paradox of Forgiveness contains great stories from the life of Leonardo Da Vinci and others on the power of forgiveness The Paradox of Wealth teaches principles every parent must know to raise productive self-sufficient children and grandchildren The Paradox of Giving shows how giving actually makes you richer The Paradox of Fundamentals teaches how to apply in your life the formula legendary coach John Wooden used to create 10 national championship teams in 12 years **General Washington's Christmas Farewell** Stanley Weintraub,2003 Publisher Description Harper's popular cyclopedia of U.S. history Benson John Lossing,1889 **Harpers' Popular Cyclopædia of United States History** Benson John Lossing,1882 *The Empire State* Benson John Lossing,1888 Photo offset Spartansburg S C Reprint Co 1968 Bibliographical footnotes **The Secret Mission of William Tuck** Eric Pierpoint,2015-09-01 Can William and Rebecca distinguish friend from foe on their epic cross

colony journey to help America win the Revolutionary War William Tuck is set on justice For his brother killed by British soldiers for his friend Rebecca s father held prisoner by the redcoats and for the countless other rebel Americans struggling beneath the crushing weight of British rule The whispered words of a dying soldier and a mysterious watch give William all the ammunition he needs a secret message for the leader of the rebel army Rebecca disguises herself as a boy and she and William join the American troops They embark on an epic journey that pulls them into a secret network of spies pits them against dangerous gunmen and leads them on a quest to find General George Washington himself Can William and Rebecca determine friend from foe long enough to deliver a message that might just change the tide of the American Revolution

Praise for *The Last Ride of Caleb O Toole* winner of the MPIBA Reading the West Award In this action packed debut novel Pierpont has created a suspenseful enlightening read featuring worthy allies and wicked enemies Booklist The fast paced adventure serves up a hearty history lesson with side dishes of political social and environmental commentary Realistic and complicated characters give the familiar story of the pioneer s journey fresh life a suspenseful adventure with heart Kirkus Reviews The pace doesn t let up TV and film actor Pierpoint offers a rowdy Wild West adventure in his first book for children Readers seeking action history and adventure aren t likely to mind Publishers Weekly [History of New York City](#) Benson John Lossing,1884 [The Ghost Ship of Brooklyn](#) Robert P. Watson,2017-08-15 The most horrific struggle of the American Revolution occurred just 100 yards off New York where more men died aboard a rotting prison ship than were lost to combat during the entirety of the war Moored off the coast of Brooklyn until the end of the war the derelict ship the HMS Jersey was a living hell for thousands of Americans either captured by the British or accused of disloyalty Crammed below deck a shocking one thousand at a time without light or fresh air the prisoners were scarcely fed food and water Disease ran rampant and human waste fouled the air as prisoners suffered mightily at the hands of brutal British and Hessian guards Throughout the colonies the mere mention of the ship sparked fear and loathing of British troops It also sparked a backlash of outrage as newspapers everywhere described the horrors onboard the ghostly ship This shocking event much like the better known Boston Massacre before it ended up rallying public support for the war Revealing for the first time hundreds of accounts culled from old newspapers diaries and military reports award winning historian Robert P Watson follows the lives and ordeals of the ship s few survivors to tell the astonishing story of the cursed ship that killed thousands of Americans and yet helped secure victory in the fight for independence [America's Use of Terror](#) Stephen Huggins,2019-11-07 From the first America has considered itself a shining city on a hill uniquely lighting the right way for the world But it is hard to reconcile this picture the very image of American exceptionalism with what America s Use of Terror shows us that the United States has frequently resorted to acts of terror to solve its most challenging problems Any war on terror Stephen Huggins suggests will fail unless we take a long hard look at ourselves and it is this discerning informed perspective that his book provides Terrorism as Huggins defines it is an act of violence against noncombatants intended to change their political will or

support The United States government adds a qualifier to this definition only if the instigator is a subnational group On the contrary Huggins tells us terrorism is indeed used by the state a politically organized body of people occupying a definite territory in this case the government of the United States as well as by such predecessors as the Continental Congress and early European colonists in America In this light America's Use of Terror re-examines key historical moments and processes many of them events praised in American history but actually acts of terror directed at noncombatants The targeting of women and children in Native American villages for instance was a use of terror as were the means used to sustain slavery and then to further subjugate freed slaves under Jim Crow laws and practices The placing of Philippine peasants in concentration camps during the Philippine American War the firebombing of families in Dresden and Tokyo the dropping of atomic bombs on Hiroshima and Nagasaki all are last resort measures to conclude wars and these too are among the instances of American terrorism that Huggins explores Terrorism in short is not only terrorism when they do it to us as many Americans like to think And only when we recognize this and thus the dissonance between the ideal and the real America will we be able to truly understand and confront modern terrorism

Treason Marilee Worrell, 2008-08-21 Treason is the story of William Palmer and his descendants who were among the first settlers in colonial North America They were Puritans in the 17th Century Quakers in the 18th Century part of the Loyalist Diaspora to Shelburne Nova Scotia after the American Revolution and Canadian soldiers in the trenches of World War I Treason is about the life and times of the Palmers of the politic individuals who held sway and the cause and effect of their use and abuse of power Book Review This novel is rich in historical data and covers a wide time span It begins when Will is preparing to leave England for the wilds of a young America and ends with his descendants fighting for England during WWI The family is forced to flee to Canada along with many others when they chose to remain loyal to the crown during the Revolution If you ever wondered what happened to those people after they left this book is for you Anita Mott Utah History has come a long way The teaching of it that is In the good old days you know what it meant at school dates official proclamations names and battles And perhaps a good snooze School history texts are still not page turners but they're getting better This new book Treason A Violation of Trust Xlibris by Janet Hudgins has brought the method a little further along the way It wasn't intended to be a school text Hudgins' intention was to pass along the story of British colonization in North America as it affected her own family The result teaches history for kids or adults is a way that gets you involved personally It was written almost as if it were a novel with liberal doses of history But you want to know the history because it affects the characters so vitally Which means it affects the reader strongly because Hudgins can get you involved in their lives emotionally You suffer with William Palmer saying goodbye forever to his parents in 1635 when he leaves England for the New World when he struggles with the filth and danger of the ocean crossing and with the hardship and joys of a new life During the war of independence in the U S one of Palmer's descendants a Loyalist is hanged for spying by a commanding officer seeking cold vengeance in circumstances in which any

other commander would have shown mercy You feel the pain with his family The Palmer family followed other Loyalists to Nova Scotia where they started life anew without the wealth and comfort they had amassed over the years in New England The book ends with descriptions of the Canadian victories at Vimy Ridge fought in terrible conditions The book could have used more editing There are awkward spots confusing timelines and passages that are hard to understand But those are secondary problems to what is offered a feeling of personal involvement in some of the history of both the U S and Canada This book would have made history classes fun Harry Goldhar Toronto Canada *The Fevered Fight* Martin R.

Howard,2023-03-30 A comprehensive account of the role that health care played in the Revolutionary War remarkably readable and full of important information Journal of the American Revolution The American Revolutionary War fought 250 years ago between Britain s North American colonies and the British colonial government was a conflict of global significance It had a profound influence on the history of the United States Britain and the wider world and an enormous body of literature has been devoted to the subject Yet there is no comprehensive account of the military medicine practiced during the war which is why this thorough graphic and highly readable study by Martin Howard is so timely and valuable His account describes the medical story of the War between Lexington and Yorktown in absorbing detail He covers the key military events the medicine and surgery of the period and the medical departments of the opposing armies The narrative is enriched by the vivid eyewitness testimonies of soldiers doctors and civilians Previously neglected topics such as biological warfare and the impact of disease on black soldiers and the Native American population are explored The human toll of epidemic disease had a significant impact on the outcome of the war and vital lessons were learned ultimately the war was associated with improvements in military medicine and the professionalization of American medicine Martin Howard s ambitious work will be stimulating reading for all students of the American Revolutionary War particularly those with a special interest in the history of medicine
