Rebirth Of Feminism:

Rebirth of Feminism Judith Hole, Ellen Levine, 1971 Note Lesbianism in the index **Rebirth of Feminism [by]**
Judith Hole and Ellen Levine Judith Hole, 1971 **Rebirth of Feminism** Pat Parnell, Anne Smart, Saskatoon Public Library, 1975 *The Rise of Public Woman* Glenna Matthews, 2010-04-10 In the 1630s Anne Hutchinson the wife of a Boston merchant and mother of fifteen children defied the Calvinist clergy by holding meetings and espousing a controversial religious stance When asked to stop she did not and as a result of her outspokenness Hutchinson was subjected to two trials then excommunicated and exiled to upstate New York For 200 years Hutchinson was held as the model of an American Jezebel a female transgressor who threatened the community with social chaos and sexual impropriety But as *The Rise of Public Woman* skillfully reveals what was really on trial was not Anne Hutchinson but the expression of public womanhood This richly woven history ranges from the 17th century to the present as it masterfully traces the movement of American women out of the home and into the public sphere Matthews examines the Revolutionary War period when women exercised political strength through the boycott of household goods and Elizabeth Freeman successfully sued for freedom from enslavement in one of the two cases that ended slavery in Massachusetts She follows the expansion of the country west where a developing frontier attracted strong resourceful women and into the growing cities where women entered public life through employment in factories and offices Matthews illuminates the contributions of such outstanding Civil War women as Mary Ann Mother Bickerdyke who supervised a cattle drive down the banks of the Mississippi so that soldiers would have fresh milk Clara Barton whose humanitarian work on behalf of the International Red Cross led her to become the first American woman to serve as official representative of the federal government and Sojourner Truth an impassioned black orator who devoted herself to emancipation And Matthews brings the narrative through to the 1970s detailing the growing presence of women in American politics from the suffrage marches of the early twentieth century to the courageous stands women took during the civil rights movement of the 1960s A fascinating and perceptive look at women throughout our history *The Rise of Public Woman* offers an important perspective on the changing public role of women in the United States

The Routledge Handbook of Contemporary Feminism Tasha Oren, Andrea Press, 2019-05-16 Feminism as a method a movement a critique and an identity has been the subject of debates contestations and revisions in recent years yet contemporary global developments and political upheavals have again refocused feminism's collective force What is feminism now How do scholars and activists employ contemporary feminism What feminist traditions endure Which are no longer relevant in addressing contemporary global conditions In this interdisciplinary collection scholars reflect on how contemporary feminism has shaped their thinking and their field as they interrogate its uses limits and reinventions Organized as a set of questions over definition everyday life critical intervention and political activism the Handbook takes on a broad set of issues and points of view to consider what feminism is today and what current forces shape its future

development It also includes an extended conversation among major feminist thinkers about the future of feminist scholarship and activism The scholars gathered here address a wide variety of topics and contexts activism from post Soviet collectives to the Arab spring to the MeToo movement sexual harassment feminist art film and digital culture education technology policy sexual practices and gender identity Indispensable for scholars undergraduate and postgraduate students in women gender and sexuality the collection offers a multidimensional picture of the diversity and utility of feminist thought in an age of multiple uncertainties

Feminist Thought, Student Economy Edition Rosemarie Tong, 2018-10-03 This book provides a clear comprehensive and incisive introduction to the major traditions of feminist theory from liberal feminism radical feminism and Marxist and socialist feminism to care focused feminism psychoanalytic feminism women of color feminisms and ecofeminism

The Passion for Equality Kenneth Cauthen, 1987 From the Revolutionary War through the Civil War to the debates of today the passion for equality has been one of the keystones of American society This study offers an historical survey of the idea of equality in America a philosophical analysis of the concept and a proposal for a more balanced integration of equality in the structure of American society The Passion for Equality is an important book grounded in the traditions of John Rawls and Robert Nozick It is recommended for philosophers ethicists economists political scientists and social theorists of all political persuasions

Intimate Matters John D'Emilio, Estelle B. Freedman, 1997 The first full length study of the history of sexuality in America Intimate Matters offers trenchant insights into the sexual behavior of Americans from colonial times to today D Emilio and Freedman give us a deeper understanding of how sexuality has dramatically influenced politics and culture throughout our history The book John D Emilio co wrote with Estelle B Freedman Intimate Matters was cited by Supreme Court Justice Anthony Kennedy when writing for a majority of court on July 26 he and his colleagues struck down a Texas law criminalizing sodomy The decision was widely hailed as a victory for gay rights and it derived in part according to Kennedy s written comments from the information he gleaned from D Emilio s book which traces the history of American perspectives on sexual relationships from the nation s founding through the present day The justice mentioned Intimate Matters specifically in the court s decision Julia Keller Chicago Tribune Fascinating D Emilio and Freedman marshal their material to chart a gradual but decisive shift in the way Americans have understood sex and its meaning in their lives Barbara Ehrenreich New York Times Book Review With comprehensiveness and care D Emilio and Freedman have surveyed the sexual patterns for an entire nation across four centuries Martin Bauml Duberman Nation Intimate Matters is comprehensive meticulous and intelligent Jonathan Yardley Washington Post Book World This book is remarkable Intimate Matters is bound to become the definitive survey of American sexual history for years to come Roy Porter Journal of the History of the Behavioral Sciences

Women on the March Again Jennie Tiffany Towle Farley, 1970

Feminism's Forgotten Fight Kirsten Swinth, 2018-11-05 A spirited defense of feminism arguing that the lack of support for working mothers is less a failure of second wave feminism than a rejection by reactionaries of the sweeping changes they

campaigns for When people discuss feminism they often lament its failure to deliver on the promise that women can have it all But as Kirsten Swinth argues in this provocative book it is not feminism that has betrayed women but a society that balked at making the far reaching changes for which activists fought *Feminism's Forgotten Fight* resurrects the comprehensive vision of feminism's second wave at a time when its principles are under renewed attack Through compelling stories of local and national activism and crucial legislative and judicial battles Swinth's history spotlights concerns not commonly associated with the movement of the 1960s and 1970s We see liberals and radicals white women and women of color rethinking gender roles and redistributing housework They brought men into the fold and together demanded bold policy changes to ensure job protection for pregnant women and federal support for child care Many of the creative proposals they devised to reshape the workplace and rework government policy such as guaranteed incomes for mothers and flex time now seem prescient Swinth definitively dispels the notion that second wave feminists pushed women into the workplace without offering solutions to issues they faced at home *Feminism's Forgotten Fight* examines activists campaigns for work and family in depth and helps us see how feminism's opponents not feminists themselves blocked the movement's aspirations Her insights offer key lessons for women's ongoing struggle to achieve equality at home and work *The Sixties* Arthur Marwick, 2011-09-28 If the World Wars defined the first half of the twentieth century the sixties defined the second half acting as the pivot on which modern times have turned From popular music to individual liberties the tastes and convictions of the Western world are indelibly stamped with the impact of this tumultuous decade Framing the sixties as a period stretching from 1958 to 1974 Arthur Marwick argues that this long decade ushered in nothing less than a cultural revolution one that raged most clearly in the United States Britain France and Italy Marwick recaptures the events and movements that shaped life as we know it the rise of a youth subculture across the West the sit ins and marches of the civil rights movement Britain's surprising rise to leadership in fashion and music the emerging storm over Vietnam the Paris student uprising of 1968 the growing force of feminism and much more For some it was a golden age of liberation and political progress for others an era in which depravity was celebrated and the secure moral and social framework subverted The sixties was no short term era of ecstasy and excess On the contrary the decade set the cultural and social agenda for the rest of the century and left deep divisions still felt today **Winter in America** Daniel Robert McClure, 2021-10-22 Neoliberalism took shape in the 1930s and 1940s as a transnational political philosophy and system of economic political and cultural relations Resting on the fundamental premise that the free market should be unfettered by government intrusion neoliberal policies have primarily redirected the state's prerogatives away from the postwar Keynesian welfare system and toward the insulation of finance and corporate America from democratic pressure As neoliberal ideas gained political currency in the 1960s and 1970s a reactionary cultural turn catalyzed their ascension The cinema music magazine culture and current events discourse of the 1970s provided the space of negotiation permitting these ideas to take hold and be challenged Daniel Robert McClure

s book follows the interaction between culture and economics during the transition from Keynesianism in the mid 1960s to the triumph of neoliberalism at the dawn of the 1980s From the 1965 debate between William F Buckley and James Baldwin through the pages of BusinessWeek and Playboy to the rise of exploitation cinema in the 1970s McClure tracks the increasingly shared perception by white males that they had lost their long standing rights and that a great neoliberal reckoning might restore America s repressive racial sexual gendered and classed foundations in the wake of the 1960s

Women Writing Across Cultures Pelagia Goulimari, 2018-10-22 This collection brings together an international multicultural multilingual and multidisciplinary community of scholars and practitioners in different media seeking to question and re theorize the contested terms of our title woman writing women s writing and across Culture is translated into an open series of interconnected terms and questions How might one write across national cultures or across a national and a minority culture or across disciplines genres and media or across synchronic discourses that are unequal in power or across present and past discourses or present and future discourses The collection explores and develops recent feminist queer and transgender theory and criticism and also aesthetic practice Writing across assumes a number of orientations posthumanist transtemporal transnationalist writing across discourses disciplines media genres genders writing across pronouns he she they writing across literature non literary texts and life This book was originally published as a special issue of Angelaki Journal of the Theoretical Humanities

Feminist Thought Rosemarie Tong, Tina Fernandes Botts, 2018-05-04 A classic resource on feminist theory Feminist Thought offers a clear comprehensive and incisive introduction to the major traditions of feminist theory from liberal feminism radical feminism and Marxist and socialist feminism to care focused feminism psychoanalytic feminism and ecofeminism The fifth edition has been thoroughly revised and now includes a new chapter on Third Wave and Third Space Feminism Also added to this edition are significantly expanded discussions on women of color feminisms psychoanalytic and care feminisms as well as new examinations of queer theory LGBTQ and trans feminism Learning tools like end of chapter discussion questions and the bibliography make Feminist Thought an essential resource for students and thinkers who want to understand the theoretical origins and complexities of contemporary feminist debates

Feminist Experiences (RLE Feminist Theory) Susan Bassnett, 2012-11-12 The Women s Movement is usually referred to as if it were a constant global phenomenon There are women s movements in Europe North and South America Africa the Middle East India Japan and Australia and many women and men assume that they are regional manifestations of the same thing and share a common core Susan Bassnett has lived and been involved in the struggles of the women s movement in the United States Italy and the United Kingdom and has had extensive contacts with feminists in the German Democratic Republic On the basis of her personal experiences and study of women s history and literature in these countries she is able to present a striking picture of the variety of feminist aims tactics and priorities in the four countries and of the character of the women s movement in four very different cultures In Italy she focuses on the violence of the women s

movement its intellectualism and energy In analysing the American women s movement she dwells on its roots in the past and its faith in pragmatic solutions The GDR presents completely different questions hinging on the relationship between state socialism and feminism In the UK Susan Bassnett finds herself returning to that all pervasive aspect of British life class and its importance for feminists Throughout the author writes with a double commitment first to furthering our understanding of the diversity of aims of women s movements and their common ground the no man s land of female existence second to making her book as accessible as possible to all feminists through drawing on her own personal experience of countries in which she has lived worked travelled and made friends

Feminist Thought Rosemarie Putnam Tong, 2013-07-09 A classic resource on feminist theory Feminist Thought offers a clear comprehensive and incisive introduction to the major traditions of feminist theory from liberal feminism radical feminism and Marxist and socialist feminism to care focused feminism psychoanalytic feminism and ecofeminism The fifth edition has been thoroughly revised and now includes a new chapter on Third Wave and Third Space Feminism Also added to this edition are significantly expanded discussions on women of color feminisms psychoanalytic and care feminisms as well as new examinations of queer theory LGBTQ and trans feminism Learning tools like end of chapter discussion questions and the bibliography make Feminist Thought an essential resource for students and thinkers who want to understand the theoretical origins and complexities of contemporary feminist debates

Justice and Gender Deborah L. RHODE, Deborah L Rhode, 2009-06-30 This is the first book to provide a comprehensive investigation of gender and the law in the United States Deborah Rhode describes legal developments over the last two centuries against a background of historical and sociological changes in women s activities and attitudes toward these new developments She shows the way cultural perceptions of gender influence and in turn are influenced by legal constructions and what this complicated interaction implies about the possibility or impossibility of using law as a tool of social change

Table of Contents Introduction Part One Historical Frameworks 1 Natural Rights and Natural Roles Domesticity as Destiny The Emergence of a Feminist Movement Nineteenth Century Legal Ideology Separate and Unequal 2 The Fragmentation of Feminism and the Legalization of Difference The Postsuffrage Women s Movement Separate Spheres and Legal Thought Part Two Equal Rights in Retrospect 3 Feminist Challenges and Legal Responses The Growth of the Contemporary Women s Movement Governmental Rejoinders Liberalism and Liberation 4 The Equal Rights Campaign Instrumental Claims Symbolic Underpinnings Political Strategies Requiem and Revival 5 The Evolution of Discrimination Doctrine The Search for Standards Separate Spheres Revisited Bona Fide Occupational Qualifications Definitions of Difference Part Three Contemporary Issues 6 False Dichotomies Benign and Invidious Discrimination in Welfare Policy Elderly Women and Social Security Special Treatment or Equal Treatment Pregnancy Maternal and Caretaking Policy Public and Private Social Welfare and Childcare Policies 7 Competing Perspectives on Family Policy Form and Substance The Marital Nonmarital Divide Lesbian Gay Rights and Social Wrongs Equality and Equity in

The Fourth Revolution Robert V. Daniels, 2013-01-11 The USA has been going through a new kind of revolution which though it did not literally overthrow the government transformed racial gender and other social relationships and bequeathed the deep divisions now felt in the nation's politics and culture Feminist Experiences Susan Bassnett, 2013 The Women's Movement is usually referred to as if it were a constant global phenomenon Susan Bassnett has lived and been involved in the struggles of the women's movement in the United States Italy and the United Kingdom and has had extensive contacts with feminists in the German Democratic Republic On the basis of her personal experiences and study of women's history and literature in these countries she is able to present a striking picture of the variety of feminist aims tactics and priorities in the four countries and of the character of the women's movement in four very different cultures Throughout the author writes with a double commitment first to furthering our understanding of the diversity of aims of women's movements and their common ground the no man's land of female existence second to making her book as accessible as possible to all feminists through drawing on her own personal experience of countries in which she has lived

worked travelled and made friends **Getting It Wrong** W. Joseph Campbell, 2017 Many of American journalism's best known and most cherished stories are exaggerated dubious or apocryphal They are media driven myths and they attribute to the news media and their practitioners far more power and influence than they truly exert In *Getting It Wrong* writer and scholar W Joseph Campbell confronts and dismantles prominent media driven myths describing how they can feed stereotypes distort understanding about the news media and deflect blame from policymakers Campbell debunks the notions that the Washington Post's Watergate reporting brought down Richard M Nixon's corrupt presidency that Walter Cronkite's characterization of the Vietnam War in 1968 shifted public opinion against the conflict and that William Randolph Hearst vowed to furnish the war against Spain in 1898 This expanded second edition includes a new preface and new chapters about the first Kennedy Nixon debate in 1960 the haunting Napalm Girl photograph of the Vietnam War and bogus quotations driven by the Internet and social media
