Rebuilding Canadian Party Politics:

Rebuilding Canadian Party Politics R. Kenneth Carty, William Cross, Lisa Young, 2007-11-01 Canadian party politics collapsed in the early 1990s This book is about that collapse about the end of a party system with a unique pattern of party organization and competition that had governed Canada's national politics for several decades and about the ongoing struggle to build its successor Rebuilding Canadian Party Politics discusses the breakdown of the old party system the emergence of the Reform Party and the Bloc Qu b cois and the fate of the Conservative and New Democratic Parties It focuses on the internal workings of parties in this new era examining the role of professionals new technologies and local activists To understand the ambiguities of our current party system the authors attended local and national party meetings nomination and leadership meetings and campaign kick off rallies They visited local campaign offices to observe the parties grassroots operations and conducted interviews with senior party officials pollsters media and advertising specialists and leader tour directors Written in a lively and accessible style this book will interest students of party politics and Canadian political history as well as general readers eager to make sense of the changes reshaping national politics today Political Parties William Cross, 2011-11-01 Political parties are at the centre of Canadian democracy They choose our prime ministers premiers and candidates for public office they decide which policy issues are considered in the provincial and federal legislatures they dominate our election campaigns As a result a democracy that is participatory responsive and inclusive can only be achieved if Canadian political parties share these values and operate in a manner respecting them In a concise and accessible manner this book delves into the history structure mechanisms and roles of Canada's political parties and assesses the degree to which Canadians today can rely on political parties as vehicles for grassroots participation With an emphasis on Canada's federal parties Cross examines party membership candidate recruitment leadership selection policy development election campaigning and party financing Throughout he maintains a clear focus on how well Canadian parties are serving the Canadian people and in keeping with the aims of the Democratic Audit interrogates their performance in terms of participation inclusiveness and responsiveness In addition the book also draws on the experiences of provincial parties to provide a comprehensive portrait of party life in Canada Where appropriate comparisons are drawn with parties in other Western democracies A crucial and timely overview of political parties this book will appeal to all those who seek a fuller understanding of the Canadian party system Those interested in how regular citizens participate in party decision making will be particularly concerned with Cross disturbing conclusion that our parties are falling short in terms of benchmarks set forth by the Canadian Democratic Audit **Canadian Parties in Transition, Fourth Edition** Alain-G. Gagnon, A. Brian Tanguay, 2017-01-01 Canadian Parties in Transition examines the transformation of party politics in Canada and the possible shape the party system might take in the near future With chapters written by an outstanding team of political scientists the book presents a multi faceted image of party dynamics electoral behaviour political marketing and representative democracy

The fourth edition has been thoroughly updated and includes fifteen new chapters and several new contributors. The new material covers topics such as the return to power of the Liberal Party, voting politics in Quebec, women in Canadian political parties, political campaigning, digital party politics, and municipal party politics. *Anti-Political Establishment Parties* Amir Abedi, 2004-07-31. First Published in 2003. Routledge is an imprint of Taylor & Francis, an informal company. **Canadian Parties in Transition, Fifth Edition** Alain-G. Gagnon, Brian Tanguay, 2024-10-01. The fifth edition of *Canadian Parties in Transition* continues and enriches the work of earlier editions in bringing together a highly respected group of scholars to offer a comprehensive account of the development of party politics in Canada. The book addresses the origin and the evolution of the Canadian party system and discusses how that system has been impacted by regionalism, brokerage politics, and political marketing. It focuses on the competing ideological currents that occupy the political stage while also paying attention to the role of third parties in federal politics. Contributors address the representation and democracy through an exploration of voting systems, direct democracy, the role occupied by constituencies, gender politics, and the distinct Quebec dynamics in the federal party system. Finally, the book analyses topical issues such as electoral participation, social movements, right-wing populist parties, political campaigning, and digital party politics. This new edition has been thoroughly revised and updated to reflect ongoing transformations and includes nineteen new contributing authors and coverage of seven new topics. *Canadian Parties in Transition* presents a multi-faceted image of party dynamics, electoral behaviour, political marketing, and representative democracy. **Foundations of Canadian Political Behaviour** Amanda Bittner,

Canadian Parties in Transition, Third Edition Alain G. Gagnon, Brian Tanguay, 2007-05-01. Alain G. Gagnon and A. Brian Tanguay continue the work of earlier editions of *Canadian Parties in Transition* by presenting a multi-faceted image of party dynamics, electoral behaviour, political marketing, and representative democracy with chapters written by an outstanding team of political scientists. Innovative features of the third edition include an examination of party alignments and the mobilization of interests, a discussion of democratic participation, and a critical exploration of direct democracy through referendums and other mechanisms. The comparative literature on party politics is brought in systematically to provide a better account of Canadian party politics. The greater part of this volume consists of entirely new chapters; others have been completely revised and updated. An appendix that provides Canadian federal election results from 1925 to 2006 rounds out the book. **The Blueprint** J. P. Lewis, Joanna Everitt, 2017-08-28. In this collection J. P. Lewis and Joanna Everitt bring together a group of up-and-coming political scientists as well as senior scholars to explore the recent history of the Conservative Party of Canada, covering the pre-merger period (1993-2003) and both the minority and majority governments under Prime Minister Stephen Harper. The contributors provide nuanced accounts about the experience of conservatives in Canada, which reflect the contemporary evolution of Canadian politics in both policy and practice. They challenge the assumption that Harper's government was built upon traditional Toryism and reveal the extent to which the agenda of the

CPC was shaped by its roots to the Reform and Canadian Alliance Parties Organized thematically the volume delves into such topics as interest advocacy ethno cultural minorities gender the media foreign policy and more The Blueprint showcases the renewed vigour in political studies in Canada while revealing the contradictory story of the modern Conservative Party

Conservatism in Canada James Farney, David Rayside, 2013-12-11 With the electoral success of the Harper Conservatives federally and of a number of conservative parties provincially the topic of Canadian conservatism is more important to our understanding of Canadian party politics than ever before This timely volume presents the first comprehensive examination of Canadian conservatism in a generation a period during which its nature has changed substantially Conservatism in Canada explores the ideological character of contemporary Canadian conservatism its support in the electorate its impact on public policies such as immigration and foreign policy and its articulation at both federal and provincial levels The essays include comparisons with other countries including the United States the United Kingdom and Australia as well as specific examinations of conservatism in Ontario Alberta and Quebec Featuring contributions by both established and new scholars in the fields of political science and public policy this volume makes a significant contribution to our understanding of the changing nature of Canadian conservatism and its broader implications for the future of this country **Recent Social**

Trends in Canada, 1960-2000 Lance W. Roberts, Rodney A. Clifton, Barry Ferguson, 2005-08-15 The introduction summarizes and locates the major waves of change The authors then document each trend in relation to eighteen thematic groups that include age community women labour management stratification social relations the state mobilizing institutions social forces ideologies households lifestyle leisure education integration and attitudes and values *The Canadian Federal Election of 2006* Chris Dornan, Jon H. Pammett, 2006-09 A comprehensive analysis of all aspects of the campaign and election that ended the 12 year reign in Canadian politics *Understanding Prime-Ministerial Performance* Paul Strangio, Paul 't

Hart, James Walter, 2013-03-28 Prime ministers stand at the apex of government and loom large in the consciousness of the nations they lead This book examines how prime ministers operate and how their performance as public leaders can be understood and evaluated **When Political Parties Die** Charles S. Mack, 2010-08-11 This book presents a theory of political disalignment and a revised theory of party realignment using four case studies from the United States Canada Great Britain and Italy to illustrate these concepts Why do major political parties die The shelf life of minor parties in democracies tends to be short but major parties tend to be highly durable The Democratic Party of the United States and the Conservative Party of the United Kingdom have been going strong for two centuries Major parties perpetuate themselves by maintaining a consistent ideology on major national issues even at the cost of periodic defeats at the polls In American politics ideological polarization maintains the vitality of the two major parties and renders them almost immune to threats from new parties even as it impedes consensus and compromise on public issues Spectacular instances of sudden death in major parties have nevertheless occurred in the United States the United Kingdom Canada and Italy and they all exhibit similar characteristics

The fatal event which author Charles S Mack calls disalignment occurs when a schism opens between party leaders and traditional core base voters on an issue of overriding national importance Major parties survive periodic defeats but they cannot survive disalignment

The Canadian Federal Election of 2011 Jon H. Pammett, Christopher Dornan, 2011-12-24
Written by the foremost authorities The Canadian Federal Election of 2011 provides a complete investigation of all aspects of the campaigns and the outcome of the election The Canadian Federal Election of 2011 is a comprehensive analysis of all aspects of the campaign and election outcome The chapters written by leading academics examine the strategies successes and failures of the major political parties the Conservatives Faron Ellis and Peter Woolstencroft the Liberals Brooke Jeffrey the New Democrats David McGrane the Bloc Qubcois Eric Belanger and Richard Nadeau and the Green Party Susan Harada Also featured in this volume are chapters on the nature of local campaigning Alex Marland the polls Andr Turcotte the campaign in the new social media Mary Francoli Josh Greenberg and Christopher Waddell and the nature of modern conservatism Jonathan Malloy and Jim Farney The book concludes with a detailed analysis of voting behaviour in 2011 Harold Clarke and Tom Scotto and an assessment of whether Canada is headed for a Stephen Harper dynasty Jon H Pammett and Lawrence LeDuc Appendices contain all of the election results

Making Political Choices Harold D. Clarke, Allan Kornberg, Thomas J. Scotto, 2009-01-01 A timely and important contribution to voting literature Both Canadians and Americans will develop a better understanding of their neighbours elections but will also gain many new insights into the politics of their own country Larry LeDuc University of Toronto

The Oxford Handbook of Legislative Studies Shane Martin, Thomas Saalfeld, Kaare W. Strøm, 2014-06-19 Legislatures are political bodies essential to democracy and the rule of law They present social scientists with numerous intriguing puzzles with far reaching implications for our understanding of political institutions Why and how have these ancient assemblies established in pre democratic times survived the transition to mass democracies How have they adapted How do they structure such processes as budgeting legislation and executive oversight How do their members get selected and what consequences flow from differences in these rules What roles do committees and political parties play in contemporary legislatures What functions do legislatures perform in autocratic semi democratic or recently democratized societies What explains the similarities and differences in legislative rules powers and recruitment What are the policy and other consequences of variation in how legislatures are organized and function The 33 chapters in The Oxford Handbook of Legislative Studies written by 47 of the most distinguished legislative scholars provide a comprehensive and up to date description and assessment of the state of the art in legislative studies Key themes explored include theoretical paradigms and methodological approaches to the study of legislatures representation and legislative careers internal organization the role of parties within legislatures and the role of legislatures in policy making and accountability The Handbook also explores the emergence of parliaments in historical and contemporary contexts including new democracies and trans national institutions

Aiming to Explain B. Timothy Heinmiller, Matthew A.

Hennigar, 2022-06-29 Firearms policy has periodically dominated Canadian politics since the late 1960s Compared to the United States however there is little scholarship on firearms policy to the neighbouring north Using Canadian firearms policy Aiming to Explain examines five prominent policy process theories employed during the period from the 1989 Montreal Massacre to the 2012 cancellation of the universal firearms registry Throughout B Timothy Heinmiller and Matthew A Hennigar present rigorous applications of rational choice institutionalism social constructivism the advocacy coalition framework the multiple streams framework and punctuated equilibrium The investigations draw on method based best practices while also making use of a wide range of data collection and analysis techniques including inferential statistics descriptive statistics process tracing congruence analysis and qualitative content analysis The goal of Aiming to Explain is not to select a single best theory but to compare their relative strengths and weaknesses in an effort to direct future research and theoretical development efforts in the study of Canadian public policy

Political Parties in Advanced Industrial Democracies Paul Webb, 2002-09-26 How relevant and vital are political parties in contemporary democracies Do they fulfill the functions that any stable and effective democracy might expect of them or are they little more than moribund anachronisms relics of a past age of political life now superseded by other mechanisms of linkage between state and society These are the central questions which this book aims to address through a rigorous comparative analysis of political parties operating in the world's advanced industrial democracies Drawing on the expertise of an impressive team of internationally known specialists the book engages systematically with the evidence to show that while a degree of popular cynicism towards them is often chronic though rarely acute parties have adapted and survived as organizations remodelling themselves to the needs of an era in which patterns of linkage and communication with social groups have been transformed This has enabled them to remain central to democratic systems especially in respect of the political functions of governance recruitment and albeit more problematically interest aggregation On the other hand the challenges they face in respect of interest articulation communication and participation have pushed parties into more marginal roles within Western political systems The implications of these findings for democracy depend on the observer's normative and theoretical perspectives Those who understand democracy primarily in terms of popular choice and control in public affairs will probably see parties as continuing to play a central role while those who place greater store by the more demanding criteria of optimizing interests and instilling civic orientations among citizens are far more likely to be fundamentally critical Comparative Politics is a series for students and teachers of political science that deals with contemporary issues in comparative government and politics The General Editors are Max Kaase Vice President and Dean of Humanities and Social Sciences International University Bremen and Kenneth Newton Professor of Government at Southampton University The series is published in association with the European Consortium for Political Research

Canadian Democracy from the Ground Up Elisabeth Gidengil, 2014-01-01 Canada is often held up as an example of a healthy democracy However the Canadian public is less

enthusiastic about the way our democracy works This first of a kind book approaches the democratic deficit from the perspective of everyday Canadians and assesses the performance of Parliament and the media in light of their perceptions and expectations In doing so a number of chapters highlight the disjuncture between perceptions and performance Canadian Democracy from the Ground Up is essential for anyone who would like to learn how to build a better democracy one that meets the expectations of the Canadian public

Political Parties and Political Systems Andrea Rómmele, Piero Ignazi, David M. Farrell, 2005-04-30 Since its release in 1980 Kay Lawson s *Political Parties and Linkage A Comparative Perspective* has become a classic text in the field of political science In her groundbreaking work Lawson approaches linkage from an angle left unexplored by her predecessors Her thinking filled in the systematic and theoretical void by envisioning political parties as the link between citizens and policy makers This collection of essays by leading political scientists reflects on Lawson s concept of linkage its theory and its application over the last quarter century The work is divided into two sections the first covers linkage s impact on party research and the second focuses on its application in general political science The first looks at such topics as the evolution and intellectual development of Lawson s concept through social actors policy responsiveness and multi layer politics The second handles issues like globalization the relation of state and society the European Union and its proposed constitutional reform and the cross cultural significance of linkage in such countries as India The book concludes with an illuminating chapter by Lawson that responds to the featured themes and explains her current views on linkage and democracy

Rebuilding Canadian Party Politics Introduction

In today's digital age, the availability of Rebuilding Canadian Party Politics books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Rebuilding Canadian Party Politics books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Rebuilding Canadian Party Politics books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Rebuilding Canadian Party Politics versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Rebuilding Canadian Party Politics books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Rebuilding Canadian Party Politics books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Rebuilding Canadian Party Politics books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Rebuilding Canadian

Party Politics books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Rebuilding Canadian Party Politics books and manuals for download and embark on your journey of knowledge?

FAQs About Rebuilding Canadian Party Politics Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Rebuilding Canadian Party Politics is one of the best book in our library for free trial. We provide copy of Rebuilding Canadian Party Politics in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Rebuilding Canadian Party Politics. Where to download Rebuilding Canadian Party Politics online for free? Are you looking for Rebuilding Canadian Party Politics PDF? This is definitely going to save you time and cash in something you should think about.
