RE-CHURCHING THE UNCHURCHED

*America has more unchurched people
than the entire population of all
but 4 of the world's 194 nations!
What else could we expect from a nation
without evangelism in their DNA.*

Rechurching The Unchurched:

Re-churching the Unchurched George Barna,2000 Surprising Insights from the Unchurched and Proven Ways to Reach Them Thom S. Rainer,2001 A first of its kind comprehensive study of the formerly unchurched explodes some common myths as to what it takes to reach people and provides insight into how the Christian church can develop effective approaches to reach the growing number of unchurched in North America **Essential Church?** Thom S. Rainer,Sam S. Rainer,2010-10-01 This book is based on a study of one thousand so called church dropouts who were interviewed about why they left Their answers are quite surprising having less to do with losing their religion and more about the desire for a community that isn't made stale by simply maintaining the status quo In turn the Rainer's offer churches four concrete solutions toward making their worship community an essential part of these young people's lives again **Lost and Found** Ed Stetzer,Richie Stanley,Jason Hayes,2009 A leading national church research expert shares his surprising findings about the younger unchurched audience ages 25 to 34 and the churches that have found a way to reach them Church for the Unchurched George G. Hunter,1996 Hunter discusses the rebirth of the apostolic congregation Christianity's vision of what people can become how small groups shape an apostolic people how lay ministry advances the Christian movement and how apostolic churches reach secular people This work shows that there is an apostolic way for a congregation to live out the gospel and here is why church leaders think so George Hunter hits the nail on the head with this practical and encouraging guide to church based evangelism Steve Sjogren Senior Pastor Vineyard Community Church Cincinnati Ohio This is a groundbreaking book What sets it apart from all the others is that it is based on hard data and real life examples If you want to know what is really happening in the so called Seeker churches this book is a must read Rick Warren Senior Pastor Saddleback Community Church Mission Viejo California George Hunter hits a home run with this book Walt Kallestad Community Church of Joy Phoenix Arizona Our commitment to the rebirth of apostolic congregations will be greatly enhanced by this book John Ed Mathison Frazier Memorial United Methodist Church Montgomery Alabama Apostolic churches present a tremendous challenge to stagnant traditional churches It is required reading for all who yearn to see the growth of the church Sir Alan Walker Australia **Grow Your Church from the Outside In** George Barna,2002-10-02 According to the author America has more unchurched people than the entire populations of all but 11 of the world's 194 nations Based on research among several thousand unchurched people the book discusses their values attitudes beliefs religious practices demographics life goals and spiritual expectations Using additional research conducted among churches that have had great success in attracting and retaining unchurched people the author also outlines perspectives and effective strategies for churches that wish to reach those who avoid churches Understanding what makes the unchurched tick will give you a better chance of relating to them in meaningful ways **Reaching People Under 40 while Keeping People over 60** Edward H Hammett,2007-02-01 Many established churches are facing a number of challenges in today's

increasingly secular culture Such a shift in many communities creates a challenge of church growth and church health when it seems that satisfying the needs of one group creates barriers to reaching another group So many are asking How do you keep people over sixty years of age who often hold church culture values while at the same time reach people under forty who often hold postmodern values If a church is interested in growing this situation becomes a major challenge Reaching People under 40 while Keeping People over 60 looks at the church as it seeks to function in a new world It looks at the differences in the generations and at postmodernism not just a generational difference but a global change Most importantly Reaching People under 40 while Keeping People over 60 looks at what a church can do in this new age to help the church survive and thrive Foreword by Bill Easum A TCP Leadership Series title You Found Me Rick Richardson, 2019-06-18 New research from the Billy Graham Center Institute shows that unchurched Americans are still remarkably open to faith conversations and the church Researcher and practitioner Rick Richardson sheds light on the study's findings and shares best practices for how churches are effectively approaching unchurched nones and moving them to faith The Disciple Making Church Glenn McDonald, 2004 Newly expanded and revised edition of bestseller about changing from a program based church to a church making disciples The Y-B-H Handbook of Church Planting (Yes, But How?) Roger N. McNamara, Ken Davis, 2005-05 This book covers all the crucial issues of the church planting task It tells how to organize and grow the new church working toward the ultimate goal of corporate reproduction **Reaching People under 30 while Keeping People over 60** Edward H Hammett, 2015-11-10 Seasoned church consultant Edward H Hammett shares his latest insights and suggestions for churches seeking to serve all generations This is an updated version of Hammett's 2007 book Reaching People Under 40 while Keeping People Over 60 that expands the reach another decade and emphasizes diversity with insight from new contributors Paul L Anderson and Cornell Thomas A TCP Books title **Boiling Point** George Barna, Mark Hatch, 2003-11-26 Two decades ago a groundbreaking book called The Frog in the Kettle changed what we believe about the evangelical Church and its influence in America Subsequent books by George Barna have become must reading for church leaders and concerned Christians everywhere Now Barna takes a fresh look at the Church where we stand and where we are headed at the dawn of the new millennium With revealing statistics from cutting edge research that illustrate the changing beliefs and attitudes in our society today this book clearly shows the Church is at a crucial juncture in history a time of rapid change in which we must begin to anticipate the world's needs in order to meet them *Being the Body* Charles Colson, Ellen Vaughn, 2004-07-12 An updated and expanded edition of the landmark book The Body this book calls for unity in the Christian Church during tumultuous times Scriptural searching haunting humbling challenging energizing down to earth all this and more is true of Being the Body a radical update of Colson's blockbuster now even more powerful than it was before Here is visionary dynamite Read it thoughtfully and it will mark your life J I Packer professor and bestselling author of Knowing God Many believe Charles Colson and Ellen Vaughn's The Body to be a watershed book of the

twentieth century It impacted the Church worldwide encouraging Christians of diverse backgrounds to see themselves as part of the universal body of Christ It challenged many to a new sense of unity realizing that we blunt the Gospel message every time we divide over petty issues and personal turf Now these acclaimed authors have come together to revisit this crucial subject The book's classic truths have not changed But the world we live in has Christians in America have had their complacency shattered and their beliefs challenged Around the globe the clash of worldviews has never been more strident Before all of us daily are the realities of life and death terror and hope light and darkness brokenness and healing We cannot withdraw to the comfort of our sanctuaries we must engage For if ever there were a time to be the Body of Christ in the world it is now No one can match Colson's unique blend of storytelling contemporary insight and prophetic vision Phillip Yancey bestselling author of *Soul Survivor* It will certainly be as influential and provocative as its predecessor Publishers Weekly [Making A Good Church Great](#) Steve Sjogren, 2010-02-25 Bestselling author Steve Sjogren untangles the complex jumble commonly known as greatness in today's mega church mega everything world As a successful pastor he launched the servant evangelism movement but along the way he discovered that significance was not where or what he thought it would be Now in a very practical book he focuses on genuine greatness Is it the size of the sanctuary The number of new believers baptized each year The youth attendance The quantity of best selling books the pastor has written The list of television shows radio shows or podcasts the pastors appears on Or is it something more What is the buzz on good churches that become great in God's eyes Sjogren argues that greatness is not a point at which you arrive rather it is an ongoing process of worshipping serving and living in God's presence It not a slick program rather it is a family a hospital an army and a school When God is a present His people are empowered When God empowers His people a good church becomes great

Building a Church to Last, [Stranded in Paradise](#) Lori Copeland, 2002-09-14 A woman finds herself once more as well as a wonderful new man on a Hawaiian vacation in this inspirational romantic comedy Tess Nelson is poised to take a well deserved step up the corporate ladder when she's suddenly fired With no job and nothing to fill her days just a nonrefundable ticket for a trip to Hawaii Tess decides a tropical vacation is just what she needs But Tess's journey to paradise is a disaster from the beginning A sprained ankle at the airport Then there's the lost contact lens and the lost luggage the lightning storm at a luau and the hotel fire Not to mention the approaching hurricane And the attractive annoying young man who keeps crossing her path and really shaking her up All Tess wants to do is get her life back under control But God it seems has something else in mind like opening her heart to everything her life could be *Reframing Spiritual Formation* Edward H. Hammett, 2002 *Reframing Spiritual Formation* takes seriously the realities of an increasingly secular pluralistic and spiritually thirsty population base most churches face with fear yet are called to reach and disciple Hammett provides succinct overviews of the challenges and opportunities these realities bring to the doors of churches and their leaders His primary focus is on facilitative questions and practical ideas for discipling the church and the unchurched

who are seeking grounding and meaning in this rapidly changing world **The Vanishing Ministry in the 21st Century**
Woodrow Kroll, Woodrow Michael Kroll, 2002 Revised and updated A penetrating look at the state of vocational Christian ministry today and the difference we are making or not around the world *The Church in the Workplace* C. Peter Wagner, 2006-05-20 If Christians are in the workplace then so is the church In *The Church In The Workplace* C Peter Wagner explores how the role of the church in the work life of believers is just as much a ministry a service to God and even worship as what believers do on Sunday in their local churches A further indispensable step toward activating faith at work is to understand clearly how the extended church operates through the nuclear church and how bridges can be built to join the two Wagner does just this as he looks at the biblical perspective on work the Holy Spirit's call to the church to bring about social transformation and worldwide examples of the role the church has already played in the workplace *Seeing Beyond Church Walls* Steve Sjogren, 2002 Build bridges of love to your church community with wisdom from respected Christian leaders Respected Christian leaders share key action plans and an encouraging vision for seeing beyond church walls created by inward focus and introversion to how to penetrate our local communities with the love of Jesus Christ In the trenches church leaders like Steve Sjogren Dale Galloway Sally Morgenthaler and Leonard Sweet give challenging and passionate yet intensely practical insights into transforming your church to become lovingly and strategically outwardly focused A bridge building body of Christ that overcomes its own inwardly focused gaze to grip the hearts of those beyond church walls
