The Lion's Den (HB) Frank B. Atkinson, 2020-01-07 The Lion s Den HB By Frank B Atkinson The Lion s Den is essential reading for anyone whose confidence in American democracy has been shaken by recent events There is plenty to discourage and alarm us these days the supply of negative political role models real and fictional seems endless Frank Atkinson leaves no doubt that we can do better and be better Just in time it seems he arrives with some exemplary political characters a powerfully uplifting story and a summons to get to work restoring the ethic of principled citizenship and service that reflects the better angels of our nature and offers hope for bringing Americans together again LARRY J SABATO Director UVA Center for Politics The Lion s Den offers a prescription for American renewal at a time of eroding confidence in our political institutions and growing confusion about our national purpose In Frank Atkinson s formulation there are no quick fixes for our broken politics no easy cure for what ails our democracy A republic s community spirit and capacity for constructive self governance depend on a consensus about essential values and the active choice to practice promote and perpetuate those values The ethic of principled citizenship and service that Atkinson considers indispensable for American renewal is not an inherited trait like every ethic it is a character requiring cultivation And it is strongest when grounded in personal faith and integrity illuminated by hard learned lessons from history and experience inspired by worthy human exemplars propelled by the optimistic pursuit of a more perfect union and kindled in a culture of mutual respect and forbearance guided by the Golden Rule No starry eyed idealist Frank Atkinson s major nonfiction works The Dynamic Dominion and Virginia in the Vanguard turned a candid lens on the hard fought modern politics of his native state In The Lion s Den he offers a compelling fictional account of life in the political arena at once a venue for selfless contribution and palace of selfish ambition Inspired by timeless lessons from the Book of Daniel Madison s vision of competition and compromise and the colorful politics of his contemporary Commonwealth Atkinson places his characters in a modern day lion s den where they grapple with vexing moral and practical choices But Atkinson s players find the grace to come together and he suggests so can we **Herbert Butterfield** C.T. McIntire, 2008-10-01 Herbert Butterfield 1900 1979 was an important British historian and religious thinker whose ideas in particular his concept of a Whig interpretation of history remain deeply influential In this intellectual biography the first comprehensive study of Butterfield C T McIntire focuses on the creative processes that lay behind Butterfield s intellectual accomplishments Drawing on his investigations into Butterfield s vast and diverse output of published and unpublished work McIntire explores Butterfield s ideas and methods He describes Butterfield s lifelong devotion to his Methodist faith and shows how his Christian spirituality animated his historical work He also traces the theme of dissent that ran through Butterfield s life and work presenting a man who found himself at odds with prevailing convictions about history morality politics religion and teaching a man who elevated the notion of dissent into an ethic of living in tension with any established system *Battling Protestants* Howard Burton, 2020-10-01 This book is based on an

depth filmed conversation between Howard Burton and intellectual historian David Hollinger UC Berkeley and examines the unique role that different strands of religion have played in 20th century American culture The conversation examines intriguing aspects of the distinction between Ecumenical and Evangelical Protestantism the often overlooked role of Ecumenical Protestantism in the history of the USA secularization theory the development of the two party system the role of missionaries and more This carefully edited book includes an introduction The Exception that Proves the Rule and questions for discussion at the end of each chapter I Diverging Protestants Ecumenical vs Evangelical II Drifting towards Secularism American religious exceptionalism III Often Overlooked Reinhold Niebuhr s Legacy IV The Missionary Position Encounters with The Other V Demographic Diversification Cosmopolitan spies and other issues VI William James Interpretations and misinterpretations VII Strident Atheists Evangelism 2 0 VIII An Empty Stage America s intellectual exchange deficit IX Future Speculations Pushing a historian out of his comfort zone About Ideas Roadshow Conversations Presented in an accessible conversational format Ideas Roadshow books not only explore frontline academic research but also reveal the inspirations and personal journeys behind the research
