Religion And Religions From A Gnostic Viewpoint:

The Encyclopedia of Cults, Sects, and New Religions James R. Lewis, 2001-03 Surpassing the scope and the thoroughness of the first edition this new edition of *The Encyclopedia of Cults Sects and New Religions* is the most wide ranging and accessible resource on the historically significant and more obscure sinister and bizarre religious groups Including many entries by scholarly specialists this volume explains more than 1 000 diverse groups and movements from such well known sects as the Branch Davidians Aum Shinrikyo and Heaven s Gate to obscure groups like Ordo Templi Satanas Witches International and the Nudist Christian Church of the Blessed Virgin Jesus In addition to an exhaustive index and handy cross references the second edition includes over a hundred new topical entries on subjects relevant to understanding sectarian movements from snake handling and satanic ritual abuse to brainwashing and exorcism This book a must for all libraries and schools will endure as the first and only point of reference for researchers scholars students and anyone interested in fringe religious groups

Forgiveness Confronts Race, Relationships, and the Social Court D. Lewis, 2022-07-05 *Forgiveness Confronts Race Relationships and the Social* Volume V of Vernon Press s *The Philosophy of Forgiveness* series is an exercise in listening Listening to others and not just waiting for them to stop speaking requires a willingness to recognize the worth of the other and to believe that what they say is worthy of consideration Much like reading a book one must strive to quiet the constant voice in one s head in order to hear and process the information communicated Listening is not always easy and it takes considerable practice but it is one of the most effective means for developing understanding and growing as an intellectual and moral person Literature dealing with forgiveness lacks many important voices including those from First Peoples African American LatinX and LGBTQ and many others and the authors of *Forgiveness Confronts Race Relationships and the Social* begin the task of closing these gaps discussing topics from folk and other social and political issues to racism systems of oppression and religion The authors were asked to explore forgiveness from their own understandings of underrepresented aspects of forgiveness and readers will hopefully be enlightened and inspired to make their own diverse voices of forgiveness heard creating a true dialogue of diversity and wisdom

Awakening the Soul Bill Missett, 2008-05-21 *Awakening The Soul* The Trilogy includes *ATS Book One Proof of Our Spiritual Nature* which itemizes more than 80 characteristics of our spiritual nature many very familiar and explains 10 of

them in depth ATS Book 2 Our Suppressed Spiritual Nature which explains why we are so out of touch with our spiritual nature primarily through suppression of those traits by religions primarily Christianity and ATS Book 3 Restoring Your Spiritual Nature contains detailed channeled instructions to restore immediate awareness of your spiritual nature which has proven highly successful in doing just that

The History of Religions Edward Washburn Hopkins,1918 **Public Funding of Religions in Europe** Francis Messner,2016-04-15 This collection brings together legal scholars canonists and political scientists to focus on the issue of public funding in support of religious activities and institutions in Europe The study begins by revolving around the various mechanisms put in place by the domestic legal systems as well as those resulting from the European law of human rights and the law of the European Union It then goes on to look at state support and particular religious groups The presentation of European and national law is supplemented by theoretical and interdisciplinary contributions with the main focus being to bring into discussion and map the relationship between the funding of religions and the economy and to infer from it an attempt at a systematic examination or theorization of such funding This collection is essential reading for those studying Law and Religion with particular focus on the countries of the UK France Belgium Germany Italy The Netherlands Spain and Turkey The views expressed during the execution of the RELIGARE project in whatever form and or by whatever medium are the sole responsibility of the authors The European Union is not liable for any use that may be made of the information contained therein

The Battle for the Divinity of Christ in the Early Centuries Christopher Raoul Carranza,2023-03-14 Today s Christianity is highly diverse in spite of the fact that most modern Christians read virtually the same Bible Imagine the diversity we would have if every potential group had dozens of different canonical books from which to choose That was the situation in the late first century through the next half millennium The New Testament was not yet codified and there were multitudes of gospels writings letters and apocalypses alleged to have come from the original apostles After the death of Jesus disciples and those who knew them the church faced an existential threat because of rampant unchecked heresies mostly from three diverse groups The fundamentally Jewish Ebionites believed that Jesus was simply a normal Jewish man The Marcionites believed Jesus was the only true God and merely appeared to be a man while on earth The Gnostics believed that Jesus was neither God nor man This book explores those ancient battles for Christ s divinity and the unassailable biblical foundation laid down by faithful prayerful servants of God Ultimately heretics hardships and even the unrelenting might of the Roman Empire could not derail those who fought the early battles for the divinity of Christ with their faith their pens and their blood

Witchcraft Today James R. Lewis,1999-12-06 A clear concise overview of the origins and history of the Wiccan and Neopagan movements with A Z coverage of concepts rituals practices and practitioners Witchcraft Today presents a concise survey of this fascinating movement charts its development and offers A Z coverage of Neopagan concepts rituals practices and practitioners ranging from African Religions and Celtic Tradition to Numerology and Theosophy An excellent and thorough introduction that

explains the origin and history of contemporary Wiccan and Neopagan beliefs and a chronology detail the development of these modern religions A documents section reprints texts important to the central belief system of Wiccans and Neopagans including the text of Charge of the Goddess and a bibliography and index complete this timely source Consult this work whether you need to know the characteristics of Wicca the difference between Celtic Alexandrian and Blue Star traditions the meaning of skyclad the work of Emanuel Swedenborg or the origins of Tarot *Awakening the Soul: Book 2* Bill Missett,2005-10-18 I am absolutely in awe of your book It is an extraordinarily important work It will I humbly suggest change many lives Joseph W Dunn Jr Editor A R E Press I believe Awakening the Soul Book 3 is the key to the 12th Step of Alcoholics Anonymous Susana K Oregon We all agree on the brilliance of this work Lisa Hagan literary agent Paraview Inc

Soul Theft Bill Missett,2008-10-22 DO NOT BUY THIS BOOK IF YOU OWN THE Trilogy or ATS Book 2 its primary source This the fifth book in the Awakening The Soul series is the story of the discovery of the suppression of almost all the traits of our spiritual nature by those who should have been protecting and enhancing them By the time you get to the end of this book you will understand what Western Religions have done to the world This realization grew to the point where it became obvious this most vital information needed a wider more immediate audience for greater exposure than just to those actively seeking spiritual awakening These historically documented truths many presented here for the first time are something every contemporary Christian Jew and Muslim should know **Frithjof Schuon** Jean-Baptiste Aymard,Patrick Laude,2012-02-01

The first book in English devoted to the religious philosopher Frithjof Schuon 1907 1998 to appear since his death this biography also provides an analysis of his work and spiritual teachings Relying on Schuon s published works as well as unpublished correspondence and other documents the authors highlight the originality of Schuon s life and teachings in terms of his consistent focus on esoterism defined as the inner penetration of sacred forms and spiritual practices vis vis the religio perennis the eternal wisdom that lies at the core of all sacred paths Schuon s life they argue is a quest for the inner meaning of religious experience as is indicated by his connections to Christianity Hinduism Islam and Native American Shamanism Spiritual seekers from all backgrounds will appreciate this comprehensive study of this towering figure of comparative religion

A Skeptic's Investigation into Jesus J. P. Hannah,2020-04-27 Does human life have any significance The statements below have become widely accepted in the Western world Life is the accidental product of random events The laws of physics are totally deterministic Science does not accept a connection between physical matter and human consciousness Atheism is a conclusion from evidence while faith is speculation Science and faith are incompatible Suffering contradicts the existence of a loving omnipotent God Jesus was a compilation of pagan mythologies or a human teacher who was deified But do these statements represent eternal truths Are they logical conclusions based on established facts or merely opinions What is the evidence To investigate these and other questions of existence and faith a skeptical academic objectively explored relevant aspects of philosophy mythology history archaeology cosmology quantum physics

biochemistry and various faiths that finally led to investigation of the Judeo Christian Scriptures including the Dead Sea Scrolls and the gnostic gospels The findings of this research not only challenge many modern assumptions but also have significant implications for our understanding of reality Written with minimum technicality for general readership this book presents a wide range of interesting and carefully confirmed facts relevant to the above questions Whether you are an atheist or an agnostic a Christian or a follower of another faith or have simply not been interested this investigation provides valuable and surprising insights into the nature of the universe and our place in it

What Lies beyond Faith Jamarr Holland, 2020-11-30 What happens when you dig below the surface of several beliefs When you compare it to that of your own what will you find What happens when you take those different belief systems practices backgrounds and histories and place them side by side What types of truths will unfold before your eyes What is truth when you are faced with what lies beyond faith

Handbook of Dissociation Larry K. Michelson, William J. Ray, 2013-06-29 Within the last decade there has been a tremendous explosion in the clinical theoretical and empirical literature related to the study of dissociation Not since the work done at the turn of the century by Pierre Janet Morton Prince William James and others have the psychological and medical communities shown this great an interest in describing and understanding dissociative phenomena This volume is the result of this significant expansion Presently interest in the scientific and clinical progress in the field of dissociation is indicated by the following

- 1 The explosion of conferences workshops and seminars devoted to dissociative disorders treatment and research
- 2 The emergence of NIMH supported investigations that focus on dissociation
- 3 The burgeoning literature on dissociation According to a 1992 bibliographic analysis of the field by Goettman et al 1992 72% of all writings on the topic have appeared in the past decade with about 1000 published papers scattered across diverse disciplines and journals
- 4 Current interest in dissociation as reflected in the appearance of major articles and special issues in respected psychology and psychiatry journals
- 5 The initiation of a journal entitled Dissociation Richard Kluft MD Editor devoted to the area
