

Joseph Fichter and the New Religions

Eileen Barker

London School of Economics

In his introduction to the *Journal for the Scientific Study of Religion* 1975 symposium on the work of Joseph Fichter, Jeff Hadden listed a number of ways in which Joe had got himself into trouble by not toeing the party (that is, the Vatican) line. He ended with the words "And I am confident that there are yet more frontiers where he can still get 'in trouble'" (1975: 171). Hadden was right. There were more frontiers — and it is one of them, Fichter's encounter with the Unification Church in particular and new religious movements (NRMs) in general, that I have been asked to address in this paper.

Six years after the JSSR prediction, in May 1981, a complaint was lodged against Fichter with the Jesuit headquarters in Rome as the result of the French version of an article that he had written in 1979 about the Unificationists — who had become widely known as "Moonies" (Fichter 1985: 2). It so happens that at that very time he was convening a conference, "Alternative Religions: Research and Study," and that the conference was funded in part by the New Ecumenical Research Association (or New Era), one of the numerous organizations closely allied with the Unification Church. Nothing daunted, Fichter edited the proceedings of the conference under the title *Alternatives to American mainline churches*, the book being published by the Unification Theological Seminary and distributed by The Rose of Sharon Press, yet another Unification-related organization.

This was by no means a one-off association with the Unification Church. Fichter's curiosity had been aroused by the adverse publicity the movement was receiving and he had accepted invitations to conferences on its theology. He soon became a familiar figure at other Unification conferences; most notably, but by no means exclusively, he attended ICUS (the annual International Conference on the Unity of the Sciences) for several years from 1977. At these gatherings, Fichter would be invited to sit at High Table and say grace at the final banquet, but many of the breaks between sessions he spent talking to Unificationists, several of whom, he discovered to his surprise, had been Catholics. His interest in the movement was further fanned by some of these erstwhile Catholics telling him that they did not actually consider themselves to be ex-Catholics, but that they now felt they could be better Christians than they had had the opportunity to be whilst they were confined to a Catholic institutional framework. He was particularly struck by the words of one Unificationist who told him "These people actually practice it." Furthermore, he became in-

Religion And Religiosity In America Studies In Honor Of Joseph H Fichter:

Religion and religiosity in America : studies in honor of Joseph H. Fichter Jeffrey K. ; Long Hadden (Theodore E., eds),1983 **Religion and Religiosity in America** Jeffrey K. Hadden,Theodore E. Long,1983 **Rediscovering the Religious Factor in American Politics** David C. Leege,Lyman A. Kellstedt,2016-09-16 This text addresses whether and how religion and religious institutions affect American politics For some time analysts have argued that the conflicts of the New Deal era rendered cultural differences trivial and placed economic interests at the top of the political agenda The authors and their collaborators John C Green James L Guth Ted G Jelen Corwin E Smidt Kenneth D Wald Michael R Welch and Clyde Wilcox disagree They find that religious worldviews are still insinuated in American political institutions and religious institutions still are points of reference The book profits from the new religiosity measures employed in the 1990 National Election Studies Part 1 discusses the study of religion in the context of politics Part II examines religion as a source of group orientation Part III takes up religious practices and their political ramifications Part IV does the same for doctrinal and worldview considerations Part V explores the sources of religious socialisation In conclusion Part VI reviews the research on religion and political behaviour and looks ahead to where work should proceed **Self-Help and Popular Religion in Modern American Culture** Roy M. Anker,1999-11-30 The second of two volumes on the relationship between popular religion and the self help tradition in American culture this book continues chronologically where the first left off As with the first volume this work focuses on the intersection of American history and popular religion and is intended as an introductory interpretive guide to major self help figures and movements with origins in popular religious movements This volume spans from Romanticism the Gilded Age and the history of Christian Science with discussions of Mary Baker Patterson Phineas Parkhurst Quimby and Mary Baker Eddy through Norman Vincent Peale and Robert Schuller Peale and Schuller with the exception of Evangelist Billy Graham constitute the public face of mainstream American Protestantism and bring this two volume study to its conclusion in the second half of the 20th century This reference will serve as a valuable research tool for American religion and popular culture scholars Together with the first volume Self Help and Popular Religion in Early American Culture these two meticulously researched volumes clearly define and present the broad scope of the self help tradition as it pervades American culture and as it developed and was influenced by popular religion An extensive bibliography is included **Psychology and Selfhood in the Segregated South** Anne C. Rose,2009 In the American South at the turn of the twentieth century the legal segregation of the races and psychological sciences focused on selfhood emerged simultaneously The two developments presented conflicting views of human nature American psychiatry and **The SAGE Encyclopedia of the Sociology of Religion** Adam Possamai,Anthony J. Blasi,2020-02-14 The SAGE Encyclopedia of the Sociology of Religion takes a three pronged look at this namely investigating the role of religion in society unpacking and evaluating the significance of religion in and on human history and tracing and outlining the social

forces and influences that shape religion This encyclopedia covers a range of themes from fundamental topics like definitions secularization dimensions of religiosity to such emerging issues as civil religion new religious movements This Encyclopedia also addresses contemporary dilemmas such as fundamentalism and extremism and the role of gender in religion

Routledge Library Editions: Sociology of Religion Various, 2021-07-14 This set collects together in 19 volumes a wealth of texts on Sociology of Religion An invaluable reference resource it contains classic books on a wide range of topics including religion and violence religion and family life religion and society culture and class Encyclopedia of Religion and Society William H. Swatos, 1998 As the new millennium approaches the sacred and profane interface conflict and intermingle in novel ways The Encyclopedia of Religion and Society provides a guide map for these developments From succinct brief notes to essay length entries it covers world religions religious perspectives on political and social issues and religious leaders and scholars present and past in the United States and the world This comprehensive volume is an essential reference for studies in the anthropology psychology politics and sociology of religion Topics include abortion adolescence African American religious experience anthropology of religion Buddhism commitment conversion definition of religion ecology movement Emile Durkheim ethnicity fundamentalism Hinduism Islam Judaism new religious movements organization parish Talcott Parsons racism research methods Roman Catholicism sexism Unification Church Max Weber and many others

Let the Church Sing! Thérèse Smith, 2004 An examination of worldviews religious belief and ritual as seen through the musical performances of one Afro American Baptist church in a small black community in rural Mississippi Let the Church Sing Music and Worship in a Black Mississippi Community is based on years of fieldwork by an Irish ethnomusicologist who examines in more detail than ever before how various facets of the Clear Creek citizens worldview find expression through religious ritual and music Thérèse Smith though originally very much an outsider gradually found herself welcomed into Clear Creek by members and officials of the Clear Creek Missionary Baptist Church She was permitted to record many hours worth of sermons and singing and engaged in community events as a participant observer In addition she conducted plentiful interviews not just at Clear Creek but for comparison at Main St Baptist Church in Lexington Kentucky All of this enables her to analyze in detail how music is interwoven in the worship service how people feel about the music that they make and hear and more generally how the religious views so vividly expressed help the Church's members think about the relationship between themselves their community and the larger world Music and prayer enable the members and leaders of the Church to bring the realm of the spiritual into intersection with the material world in a particularly active way The book is enriched by extensive musical transcriptions and an accompanying CD of recordings from actual church services and these are examined in detail in the book itself Thérèse Smith is in the Music Department University College Dublin **The Emerging Network** Michael York, 1995 The 1980s saw the emergence of New Age and neo paganism as major new religious movements In the first book length study of these movements Michael York describes their rituals and beliefs and examines

the similarities differences and relationships between them He profiles particular groups including the Church Universal Triumphant Nordic pagans and the Covenant of Unitarian Pagans and questions the adequacy of existing sociological categories for describing these largely amorphous phenomena **Rise Up, O Men of God** L. Dean Allen,2002 L Dean Allen analyzes both groups constructions of masculinity and social ethics in relation to the family the church and a prominent social issue Evangelical Christian leaders designed both organizations in response to their alarm at men s absence from evangelical churches and they sought to increase men s participation in churches and to improve society as a whole by their efforts Each group faced important social changes during its era such as new economic realities women s activities and perceived moral crises Despite their similarities as groups for evangelical Christian men only MRFM and PK developed contrasting constructions of masculinity and divergent social ethical calls for action **BOOK JACKET Social Science and the Cults** John A. Saliba,2019-03-20 This book first published in 1990 brings together descriptive comparative and theoretical materials on cults and sects in Western culture focusing on literature published since 1970 A historical section links the rise of the new movements to similar past phenomena in Western culture Other sections examine the methodology of studying religious movements and the various theories which have been brought to explain them current studies on traditional sects that are sometimes compared to the new religions and many studies of individual contemporary cults

Globalization, Poverty and Inequality Raphael Kaplinsky,2013-05-13 Globalization is characterised by persistent poverty and growing inequality Conventional wisdom has it that this global poverty is residual as globalization deepens the poor will be lifted out of destitution The policies of the World Bank the IMF and the WTO echo this belief and push developing countries ever deeper into the global economy Globalization Poverty and Inequality provides an alternative viewpoint It argues that for many particularly for those living in Latin America Asia and Central Europe poverty and globalization are relational It is the very workings of the global system which condemn many to poverty In particular the mobility of investment and the large pool of increasingly skilled workers in China and other parts of Asia are driving down global wages This poses challenges for policy makers in firms and countries throughout the world It also challenges the very sustainability of globalisation itself Are we about to witness the implosion of globalisation as occurred between 1913 and 1950 Using a variety of theoretical frameworks and drawing on a vast amount of original research this book will be an invaluable resource for all students of globalization and its effects *Cardozo Studies in Law and Literature* ,1995 **The Changing Face of Health Care** John Frederic Kilner,Robert David Orr,Judith Allen Shelly,Judy Allen Shelly,1998 In response to the many changes currently going on in health care this book offers the combined insight and wisdom of a stellar group of scholars and professionals with extensive experience in the health care field The book opens with a look at people s actual experience of health care today from four different perspectives It then addresses foundational questions including the nature of medicine nursing and justice Surveyed next are the changing economics of health care as well as the impact of

these changes on such areas as mental health care long term care health care for minorities and legal malpractice The closing section of the book assesses from a Christian perspective available constructive alternatives including creative funding strategies with special attention to the needs of poor persons physician unions and the use of alternative medicine therapies

Modern American Popular Religion Charles H. Lippy, 1996-01-19 Lippy makes a case for the importance of exploring popular religion if one is to understand the dynamics of modern religious life The first annotated bibliography on the subject this work features over 550 entries topically arranged Lippy provides a critical assessment of the state of the study of popular religion including an examination of theoretical materials that wrestle with trying to define precisely what popular religion is This book is of interest to scholars students and anyone concerned with understanding today's religion The bulk of the work consists of critical annotations of books articles and dissertations that deal with various aspects of popular religion in the United States from 1870 to the present The topics covered include background studies biographical works titles dealing with fundamentalism and evangelicalism expressions of popular religion in the arts the use of mass media and personal spirituality The work is of great importance as long as Americans engage in the human quest to make sense out of their own experience and look beyond themselves to a supernatural realm that will assist them in ordering their lives

Standing on the Premises of God Fritz Detwiler, 1999-12 The Christian Right is arguably the most significant social movement in the United States today In recent years these religious conservatives have loudly protested a public education system they believe no longer represents their interests or values Educators often dismiss critiques based on religious values as irrational or flimsy failing to appreciate the coherence of these criticisms from the Christian Right's own perspective While the Christian Right has become ever more sophisticated in its lobbying and powerful in its influence educators and parents find themselves lacking the background knowledge necessary to respond effectively to its efforts *Standing on the Premises of God* speaks directly to this dilemma explaining current incarnations of the Christian Right its leadership its intellectual and theological foundations and its tactics so that those interested in the debates over education will be better prepared to engage them constructively Taking the novel approach of framing the Christian Right as a revitalization movement Detwiler shows how it seeks to effect cultural transformation in order to bring public education and our society more generally in line with its worldview His theoretical model provides insights into why education is so pivotal to the Christian Right and also assesses the religious viability of the Christian Right as a social movement

Religion And Religiosity In America Studies In Honor Of Joseph H Fichter Introduction

In the digital age, access to information has become easier than ever before. The ability to download Religion And Religiosity In America Studies In Honor Of Joseph H Fichter has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Religion And Religiosity In America Studies In Honor Of Joseph H Fichter has opened up a world of possibilities. Downloading Religion And Religiosity In America Studies In Honor Of Joseph H Fichter provides

numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Religion And Religiosity In America Studies In Honor Of Joseph H Fichter has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Religion And Religiosity In America Studies In Honor Of Joseph H Fichter. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Religion And Religiosity In America Studies In Honor Of Joseph H Fichter. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Religion And Religiosity In America Studies In Honor Of Joseph H Fichter, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Religion And Religiosity In America Studies In Honor Of Joseph H Fichter has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Religion And Religiosity In America Studies In Honor Of Joseph H Fichter Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before

making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely!
