Sweet, 1982-01-01 How are we to understand the Holy Spirit In this enlightening presentation Leonard Sweet examines the power the divinity the gifts and the ecstasy of the Spirit He tackles the question of speaking in tongues the weaknesses and strengths of the charismatic movement and the part that the Spirit plays in art nature history and in other religions With questions for discussion this perceptive study opens our eyes to the role of the Holy Spirit in life today *The Life of the Spirit and the Life of To-day* Evelyn Underhill, 2014-09-16 This book has been called *The Life of the Spirit and the Life of To day* in order to emphasize as much as possible the practical here and now nature of its subject and specially to combat the idea that the spiritual life or the mystic life as its more intense manifestations are sometimes called is to be regarded as primarily a matter of history It is not It is a matter of biology Though we cannot disregard history in our study of it that history will only be valuable to us in so far as we keep tight hold on its direct connection with the present its immediate bearing on our own lives and this we shall do only in so far as we realize the unity of all the higher experiences of the race In fact were I called upon to choose a motto which should express the

central notion of these chapters that motto would be There are diversities of gifts but the same Spirit This declaration I would interpret in the widest possible sense as suggesting the underlying harmony and single inspiration of all man s various and apparently conflicting expressions of his instinct for fullness of life For we shall not be able to make order in any hopeful sense of the tangle of material which is before us until we have subdued it to this ruling thought seen one transcendent Object towards which all our twisting pathways run and one impulsion pressing us towards it

that lives within them and hovers above them at once intelligent and profoundly simple Although each essay focuses on a certain topic whether it is the Buddhist saint Milarepa the prophet Jeremiah or the Christian saint Teresa of Avila whether it is the Israeli Palestinian conflict or subtleties of the spirit these essays have penetrable borders that dissolve at the seams and touch each other religiously philosophically and psychologically The use of an interdisciplinary methodology that draws from the wisdom of different disciplines in regard to values such as courage in the face of attacks and integrity in the midst of a worldly environment culminates in a rich source of inspired guidance for everyday life "The" Academy ,1871
