

Religion In Lives Of African Americans

Randal Maurice Jelks

Religion In Lives Of African Americans:

Religion in the Lives of African Americans Robert Joseph Taylor, Linda M. Chatters, Jeff Levin, 2003-08-19 This is an outstanding book that provides the reader with an in depth understanding of religion in the lives of African Americans Both historical and empirical research findings provide a context for understanding religion in the lives of African Americans Most importantly this book highlights the role religion plays in affecting emotional and physical health processes and outcomes among African Americans The contributions of this book to the discussion of religion in the social and behavioral sciences will last for years Peggys Dilworth Anderson Ph D University of North Carolina at Chapel Hill This is a blockbuster of a book on black religion Comprehensive systematic analytic and very well written it sets a new high water mark in the social scientific study of religion and life in the African American Community It will be especially helpful in the teaching of undergraduate and graduate courses in African American history and culture Andrew Billingsley University of South Carolina The religious faith of African Americans has many avenues of expression Consequently there has been a long standing interest in the nature patterns and functions of religion in the lives of this particular ethnic group African American religious life in all its forms is a vibrant creative resourceful testament to the power of faith to uplift and sustain in the face of prejudice discrimination and exclusion Religion in the Lives of African Americans Social Psychological and Health Perspectives examines many broad issues including the structure and sociodemographic patterns of religious involvement the relationship between religion and physical and mental health and well being the impact of church support and the use of ministers for personal issues and the role of religion within specific subgroups of the African American population such as women and the elderly Authors Robert Joseph Taylor Linda M Chatters and Jeff Levin reflect upon current empirical research and derive conclusions from several wide ranging national surveys as well as a focus group study of religion and coping Features and Benefits Empirical Incorporates findings from a total of eight national surveys that contain representative cross section samples of the adult Black population living in the continental U S Additionally a focus group study conducted by the Program for Research on Black Americans at the University of Michigan Institute for Social Research provides a rich source of qualitative information about the nature and functions of religion Interdisciplinary Although the primary points of view are sociological and psychological the perspectives represented by the authors transcend disciplinary bounds Pedagogical Includes important data sources tables recommendations for further reading and resources end of chapter summaries and implications for future research that enhance student comprehension Recommended for students taking courses in racial and ethnic studies multicultural and minority studies black studies religious studies psychology sociology human development and family studies gerontology social work public health and nursing

Religion in the Lives of African Americans Robert Joseph Taylor, Linda M. Chatters, Jeffrey S. Levin, 2004 Religion in the Lives of African Americans Social Psychological and Health Perspectives examines many broad issues including the structure and sociodemographic patterns of religious

involvement the relationship between religion and physical and mental health and well being the impact of church support and the use of ministers for personal issues and the role of religion within specific subgroups of the African American population such as women and the elderly Authors Robert Joseph Taylor Linda M Chatters and Jeff Levin reflect upon current empirical research and derive conclusions from several wide ranging national surveys as well as a focus group study of religion and coping Recommended for students taking courses in racial and ethnic studies multicultural and minority studies black studies religious studies psychology sociology human development and family studies gerontology social work public health and nursing

Religion in the Lives of African Americans Robert J. Taylor, 2003 Deriving conclusions from the National Survey of Black Americans other surveys this text examines issues of religious involvement the functions of religion the relationships between religion physical mental health well being

The Spiritual Lives of Young African Americans Almeda M. Wright, 2017 The Spiritual Lives of Young African Americans examines the role of spirituality in adolescent development and the ways that youth negotiate their world and offers a vision of life for young people who are too often surrounded by death

African American Religion Eddie S. Glaude Jr., 2014-08-27 Since the first African American denomination was established in Philadelphia in 1818 churches have gone beyond their role as spiritual guides in African American communities and have served as civic institutions spaces for education and sites for the cultivation of individuality and identities in the face of limited or non-existent freedom In this Very Short Introduction Eddie S Glaude Jr explores the history and circumstances of African American religion through three examples conjure African American Christianity and African American Islam He argues that the phrase African American religion is meaningful only insofar as it describes how through religion African Americans have responded to oppressive conditions including slavery Jim Crow apartheid and the pervasive and institutionalized discrimination that exists today This bold claim frames his interpretation of the historical record of the wide diversity of religious experiences in the African American community He rejects the common tendency to racialize African American religious experiences as an inherent proclivity towards religiousness and instead focuses on how religious communities and experiences have developed in the African American community and the context in which these developments took place About the Series Oxford's Very Short Introductions series offers concise and original introductions to a wide range of subjects from Islam to Sociology Politics to Classics Literary Theory to History and Archaeology to the Bible Not simply a textbook of definitions each volume in this series provides trenchant and provocative yet always balanced and complete discussions of the central issues in a given discipline or field Every Very Short Introduction gives a readable evolution of the subject in question demonstrating how the subject has developed and how it has influenced society Eventually the series will encompass every major academic discipline offering all students an accessible and abundant reference library Whatever the area of study that one deems important or appealing whatever the topic that fascinates the general reader the Very Short Introductions series has a handy and affordable guide that will likely prove indispensable

Faith and Struggle in the Lives of Four African Americans Randal Maurice Jelks, 2019-01-10 In 1964 Muhammad Ali said of his decision to join the Nation of Islam I know where I m going and I know the truth and I don t have to be what you want me to be I m free to be what I want to be This sentiment the brash assertion of individual freedom informs and empowers each of the four personalities profiled in this book Randal Maurice Jelks shows that to understand the Black American experience beyond the larger narratives of enslavement emancipation and Black Lives Matter we need to hear the individual stories Drawing on his own experiences growing up as a religious African American he shows that the inner history of Black Americans in the 20th century is a story worthy of telling This book explores the faith stories of four African Americans Ethel Waters Mary Lou Williams Eldridge Cleaver and Muhammad Ali It examines their autobiographical writings interviews speeches letters and memorable performances to understand how each of these figures used religious faith publicly to reconcile deep personal struggles voice their concerns for human dignity and reinvent their public image For them liberation was not simply defined by material or legal wellbeing but by a spiritual search for community and personal wholeness

World Religions in America, Fourth Edition Jacob Neusner, 2009-10-07 The fourth edition of World Religions in America continues its lauded tradition of providing students with reliable and nuanced information about America s religious diversity while also reflecting new developments and ideas Each chapter was updated to reflect important changes and events and current statistics and information New features include a timeline of key events and people for each tradition sidebars on major movements or controversies personal stories from members of various faiths a theme based organization of subjects more subheads three new chapters exploring America s increasing religious diversity and suggestions for further study

Faith, Health, and Healing in African American Life Stephanie Y. Mitchem, Emilie M. Townes, 2008-08-30 Black Americans are more likely than Whites to die of cancer and heart disease more likely to get diabetes and asthma and less likely to get preventive care and screening Some of this greater morbidity results from education income level and environment as well as access to health care But the traditional medical model does not always allow for a more holistic approach that takes into account the body the mind the spirit the family and the community This book offers a better understanding of the varieties of religiously based approaches to healing and alternative models of healing and health found in Black communities in the United States Contributors address the communal aspects of faith and health and explore the contexts in which individuals make choices about their health the roles that institutions play in shaping these decisions and the practices individuals engage in seeking better health or coping with the health they have By paying attention to the role of faith spirit and health this book offers a fuller sense of the varieties of ways Black health and health care are perceived and addressed from an inter religious perspective Community and religion based initiatives have emerged as one key way to address the health challenges found in the African American community In cities such as Atlanta Baltimore Dallas and Oakland residents organize exercise groups teach one another how to cook with healthy ingredients

and encourage neighbors to get regular checkups Churches have become key sites for health education screening and testing Another set of responses to the challenge of Black health and healthcare in the United States comes from those who emphasize the body as a whole body mind soul and spirit often drawing on religious traditions such as Islam and African based religions such as Spiritism Santeria Vodun aka Voodoo Candomblé and others Understanding the issues and the various approaches is essential to combating the problems and this unique volume sheds light on areas often overlooked when considering the issues

Daily Life of African Americans in Primary Documents Herbert C. Covey, Dwight E. Davis, 2020-11-24 Daily Life of African Americans in Primary Documents takes readers on an insightful journey through the life experiences of African Americans over the centuries capturing African American experiences challenges accomplishments and daily lives often in their own words This two volume set provides readers with a balanced collection of materials that captures the wide ranging experiences of African American people over the history of North America Volume 1 begins with the enslavement and transportation of slaves to North America and ends with the Civil War Volume 2 continues with the beginning of Reconstruction through the election of Barack Obama to the U S presidency Each volume provides a chronology of major events a historic overview and sections devoted to domestic material economic intellectual political leisure and religious life of African Americans for the respective time spans Volume 1 covers a wide variety of topics from a multitude of perspectives in such areas as enslavement life during the Civil War common foods housing clothing political opinions and similar topics Volume 2 addresses the civil rights movement court cases life under Jim Crow Reconstruction housing segregation and more Each volume includes 100-110 primary sources with suggested readings from government publications court testimony census data interviews newspaper accounts period appropriate letters Works Progress Administration interviews sermons laws diaries and reports

African-American Religion Albert J. Raboteau, 1992 Throughout African American history religion has been indelibly intertwined with the fight against intolerance and racial prejudice Martin Luther King Jr America's best known champion of civil liberties was a Baptist minister Father Divine a fiery preacher who established a large following in the 1920s and 1930s convinced his disciples that he could cure not only disease and infirmity but also poverty and racism An in depth examination of African American history and religion this comprehensive and lively book provides panoramic coverage of the black religious and social experience in America Renowned historian Albert J Raboteau traces the subtle blending of African tribal customs with the powerful Christian establishment the migration to cities the growth of Islam and the 200 year fight for freedom and identity which was so often centered around African American churches From the African Methodist Episcopal Church to the Nation of Islam and from the first African slaves to Louis Farrakhan this far reaching book chronicles the evolution of an important and influential component of our religious and historical heritage African American Religion combines meticulously researched historical facts with a fast paced engaging narrative that will appeal to readers of any age Religion in American Life explores

the evolution character and dynamics of organized religion in America from 1500 to the present day Written by distinguished religious historians these books weave together the varying stories that compose the religious fabric of the United States from Puritanism to alternative religious practices Primary source material coupled with handsome illustrations and lucid text make these books essential in any exploration of America s diverse nature Each book includes a chronology suggestions for further reading and index *Encyclopedia of African American Religions* Larry G. Murphy,J. Gordon Melton,Gary L. Ward,2013-11-20 Preceded by three introductory essays and a chronology of major events in black religious history from 1618 to 1991 this A Z encyclopedia includes three types of entries Biographical sketches of 773 African American religious leaders 341 entries on African American denominations and religious organizations including white churches with significant black memberships and educational institutions Topical articles on important aspects of African American religious life e g African American Christians during the Colonial Era Music in the African American Church *Righteous Riches* Milmon F. Harrison,2005-03-03 Does God want us to be wealthy Many people believe that God offers not only eternal joy in the hereafter but also material blessings in the here and now Other Christians see this prosperity theology as nothing more than vulgar materialism incompatible with orthodox Christianity In *Righteous Riches* Milmon F. Harrison examines the Word of Faith movement an independent non denominational Christian movement that preaches the so called health and wealth gospel The Word of Faith movement is an international network loosely bound by a basic doctrine called the Faith Message which teaches that it is God s will for Christians to be prosperous successful and healthy in the present life Drawing on his personal experiences as a former insider and in depth interviews with members Harrison takes us inside the movement revealing what it is like to belong and how people accept reject and reshape Word of Faith doctrines to fit their own lives Although the movement is not exclusively African American many of its most prominent and recognized leaders are African American ministers with large congregations and national television audiences Analyzing the movement s appeal to African Americans Harrison argues that because of their history of oppression and discrimination African American religious institutions have always had to address the material as well as spiritual concerns of their members The Word of Faith Movement he says is one of several prosperity movements that resonate strongly with African Americans Situating the movement in the contexts of both contemporary American religion and the history of the Black Church *Righteous Riches* offers a fascinating look at a quintessentially American phenomenon **Black Religion and Black Radicalism** Gayraud S. Wilmore,1998 Since its first publication 25 years ago *Black Religion and Black Radicalism* has established itself as the classic treatment of African American religious history Wilmore shows to what extent the history of African Americans can be told in terms of religion and to what extent this religious history has been inseparably bound to the struggle for freedom and justice From the story of the slave rebellions and emancipation to the rise of Black nationalism and the freedom struggles of recent times up through the development of Black womanist and Afrocentric theologies Wilmore offers an essential interpretation of

African American religious history **African American Religion** Hans A. Baer, 2024-07-31 Now in an updated second edition African American Religion remains an invaluable overview of the great diversity of religious groups within the modern African American community This plethora of forms reflects a tension that has characterized African American religion since its beginnings a tension between accommodation to and protest against white society's domination Viewing African American sectarianism as a response to racism and social stratification in the larger society the authors trace the history beliefs social organization and ritual content of religious groups in four types of sects These include the Black mainline churches messianic nationalist sects such as the Nation of Islam conversionist sects such as the Holiness Pentecostal groups and Primitive Baptists and thaumaturgical sects including the Spiritual churches For this new edition the authors have incorporated research that has appeared since the book's original appearance in 1992 and have added two new chapters African Religious Healing and Folk Medicine and African American Sacred Music because of these topics enormous significance to the African American religious experience *Atlas of African-American History* James Ciment, 2007 A comprehensive history of African Americans including culture slavery and civil rights **African Americans and HIV/AIDS** Donna Hubbard McCree, PhD, MPH, RPh, Kenneth Terrill Jones, MSW, Ann O'Leary, PhD, 2010-09-14 Among U S racial and ethnic minority populations African American communities are the most disproportionately impacted and affected by HIV/AIDS CDC 2009 CDC 2008 The chapters in this volume seek to explore factors that contribute to this disparity as well as methods for intervening and positively impacting the epidemic in the U S The book is divided into two sections The first section includes chapters that explore specific contextual and structural factors related to HIV/AIDS transmission and prevention in African Americans The second section is composed of chapters that address the latest in intervention strategies including best evidence and promising evidence based behavioral interventions program evaluation cost effectiveness analyses and HIV testing and counseling As background for the book the Introduction provides a summary of the context and importance of other infectious disease rates i e sexually transmitted diseases STDs and tuberculosis to HIV/AIDS prevention and treatment in African Americans and a brief introductory discussion on the major contextual factors related to the acquisition and transmission of STDs HIV Contextual Chapters Johnson Dean author the first chapter in this section which discusses the history and epidemiology of HIV/AIDS among African Americans Specifically this chapter provides a definition for and description of the US surveillance systems used to track HIV/AIDS and presents data on HIV or AIDS cases diagnosed between 2002 and 2006 and reported to CDC as of June 30 2007 **The Burden of Black Religion** Curtis J. Evans, 2008-04-17 Religion has always been a focal element in the long and tortured history of American ideas about race In *The Burden of Black Religion* Curtis Evans traces ideas about African American religion from the antebellum period to the middle of the twentieth century Central to the story he argues was the deep rooted notion that blacks were somehow naturally religious At first this assumed natural impulse toward religion served as a signal trait of black people's humanity

potentially their unique contribution to American culture Abolitionists seized on this point linking black religion to the black capacity for freedom Soon however these first halting steps toward a multiracial democracy were reversed As Americans began to value reason rationality and science over religious piety the idea of an innate black religiosity was used to justify preserving the inequalities of the status quo Later social scientists both black and white sought to reverse the damage caused by these racist ideas and in the process proved that blacks were in fact fully capable of incorporation into white American culture This important work reveals how interpretations of black religion played a crucial role in shaping broader views of African Americans and had real consequences in their lives In the process Evans offers an intellectual and cultural history of race in a crucial period of American history African American Family Life Vonnie C. McLoyd, Nancy E. Hill, Kenneth A. Dodge, 2005-09-26 This volume brings together leading experts from different disciplines to offer new perspectives on contemporary African American families A wealth of knowledge is presented on the heterogeneity of Black family life today the challenges and opportunities facing parents children and communities and the impact on health and development of key cultural and social processes Comprehensive and authoritative the book critically evaluates current policies and service delivery models and sets forth cogent recommendations for supporting families strengths Following an overview that traces the ongoing evolution of theory and research in the field the book examines how African American families fare on numerous indicators of well being Throughout contributors identify factors that promote or hinder healthy child and family development writing from a culturally sensitive nonpathologizing stance The concluding chapter provides an up to date framework for culturally competent mental health practice **Religion in American Life** Jon Butler, Grant Wacker, Randall Balmer, 2011-10-06 Quite ambitious tracing religion in the United States from European colonization up to the 21st century The writing is strong throughout Publishers Weekly starred review One can hardly do better than Religion in American Life A good read especially for the uninitiated The initiated might also read it for its felicity of narrative and the moments of illumination that fine scholars can inject even into stories we have all heard before Read it Church History This new edition of Religion in American Life written by three of the country's most eminent historians of religion offers a superb overview that spans four centuries illuminating the rich spiritual heritage central to nearly every event in our nation's history Beginning with the state of religious affairs in both the Old and New Worlds on the eve of colonization and continuing through to the present the book covers all the major American religious groups from Protestants Jews and Catholics to Muslims Hindus Mormons Buddhists and New Age believers Revised and updated the book includes expanded treatment of religion during the Great Depression of the religious influences on the civil rights movement and of utopian groups in the 19th century and it now covers the role of religion during the 2008 presidential election observing how completely religion has entered American politics Secularisms Janet R. Jakobsen, Ann Pellegrini, 2008-03-11 A collection that challenges the binary conception of conservative religion versus progressive secularism by highlighting the existence of multiple

secularisms

Religion In Lives Of African Americans Introduction

In the digital age, access to information has become easier than ever before. The ability to download Religion In Lives Of African Americans has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Religion In Lives Of African Americans has opened up a world of possibilities. Downloading Religion In Lives Of African Americans provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Religion In Lives Of African Americans has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Religion In Lives Of African Americans. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Religion In Lives Of African Americans. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Religion In Lives Of African Americans, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Religion In Lives Of African Americans has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of

free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Religion In Lives Of African Americans Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks.
