The Foremost Problems of Contemporary Dogmatics Herman Bavinck, 2025-02-12 Herman Bavinck on the challenges theologians face Herman Bavinck's counsel to theologians A unique window into Bavinck's thought An overlooked work from a key Neo Calvinist thinker In *The Foremost Problems of Contemporary Dogmatics* Herman Bavinck identifies the primary challenges confronting Protestant theologians in the early twentieth century Since the main difficulties do not concern specific heads of doctrine but arise in theological method Bavinck's focus narrows to the act of faith Bavinck demonstrates the necessity of viewing faith as knowledge rather than mere trust recounting the development of doctrine from the biblical authors through the dawn of the twentieth century This book provides a unique window into Bavinck's thought as he speaks candidly about the limitations and failures of Reformed theology and the relative merits of modern thinkers *The Foremost Problems of Contemporary Dogmatics* was a series of lectures delivered at the Free University shortly after Bavinck moved to Amsterdam in 1902 Edited and translated by Gert de Kok and Bruce R Pass these previously unpublished lectures are available for the first time in English

I Judge No One David Lloyd Dusenbury, 2023-01-01 Why was Jesus who said I judge no one put to death for a political crime Of course this is a historical question but it is not only historical Jesus's life became a philosophical theme in the first centuries of our era when pagan and Christian philosophers clashed over the meaning of his sayings and the significance of his death Modern philosophers too such as Immanuel Kant and Friedrich Nietzsche have tried to retrace the arc of Jesus's life and death *I Judge No One* is a philosophical reading of the four memoirs or gospels that were fashioned by early Christ believers and collected in the New Testament It offers original ways of seeing a deeply enigmatic figure who calls himself the Son of Man David Lloyd Dusenbury suggests that Jesus offered his contemporaries a scandalous double claim First that human judgements are pervasive and deceptive and second that even

divine laws can only be fulfilled in the human experience of love Though his life led inexorably to a grim political death what Jesus's sayings revealed and still reveal is that our highest desires lie beyond the political

Reconsidering Evil Petruschka Schaafsma, 2006 The notion of evil is not undisputed in contemporary philosophy and theology The reasons for this vary from aversion to the use of a vague comprehensive term like evil to hesitation at the suggestion of an uncontrollable non-human power of force that seems to cling to the idea of evil On the other hand in popular discourse speaking of evil prevails one almost keeps stumbling over allusions to it However such language often seems to be incidental and not a natural part of a whole way of thinking Thus the present situation demands a regauging of the notion of evil *Reconsidering Evil* attempts this regauging by comparing the nature and status of the theme of evil in four different approaches Paul Ricoeur's approach via symbols and myths of evil provides a focus that enables an analysis and comparison of the highly reflective views of Immanuel Kant Karl Jaspers and Karl Barth who represent an ethical tragic and a non-theodician theological view respectively This book sets out to determine whether one can claim that speaking of evil is most at home in a specific way of thinking In the final chapter the notion of the end of evil turns out to be very important for understanding the specific character of a religious view of evil In comparison with Kant's ethical view and Jaspers' tragic one the broadest or richest understanding of evil is to be found in a religious context However the comparison of the different approaches also shows the possible dangers of this religious view Thus by means of an in-depth analysis and comparison of these thinkers the relevance of the theme of evil for present-day philosophy of religion is critically examined
