Religion Of Jesus:

The Religion of Jesus Albert Gallatin Lawson,1920 *Jesus in the World's Faiths* Gregory A. Barker,2005-01-01 What Jesus as his teachings mean to contemporary Buddhists Hindus Muslims Jews and Christians in the context of their traditions and in their personal faith experiences *The Religion of Jesus, and Love, the Law of Life* Toyohiko Kagawa,1931 **Jesus** W. Barnes Tatum,2015-09-23 Drawing on examples from literature art and popular culture aswell as theology this engaging book reveals the importance of thequestion whose was he in fully understanding the life andlegacy of Jesus A concise accessible and engaging exploration of Jesus s lifeand enduring influence Charts the changing global status and influence of Jesus aGalilean Jew born when the ancient Roman Empire ruled theMediterranean world and how he has come to be honored as theChrist and recognized by billions of people around the world Traces the reception history of Jesus and his story over thepast two millennia through art literature and culture as wellas theology Draws on a fascinating range of materials from ancient texts creeds and theological treatises to the visual and dramatic arts including books like The DaVinci Code and films such asThe Passion of the Christ The Method of Jesus Alfred Williams Anthony,1899 **Images of Jesus Christ in Islam** Oddbjørn Leirvik,1999 *The Religion of God and the Reformation by Jesus Christ* Religion,1876 **Jesus and Muhammad** Daniel Hummel,2017-07-01 Jesus and Muhammad lived in different times and in different contexts An absolute comparison of the careers of these two men is not a satisfactory method in understanding the similarities and differences between their teachings This book approaches this topic from a different perspective The time that Muhammad preached in Mecca is compared to the time Jesus spent preaching throughout Palestine This improves the similarities in contexts between them and makes a comparison more valid The number of similarities outweighs the number of differences when looking at the four books of the Gospel and the chapters of the Qur an revealed in Mecca On issues related to prayer the Oneness of God charity the Hereafter and forgiveness the teachings in these two books are practically the same A number of core theological issues surfaced in the Book of John do clash with Qur anic teachings about the person of Jesus These differences and the possible reasons for them are explored in this book The conclusion of this book is that Muslims and Christians have more shared values and even theological similarities than differences It is recommended that Muslims and Christians should spend more time understanding these commonalities *The Secret Religion of Jesus* N. H. Newhall,2008-01 No book about Gestalt therapy or probably any kind of psychotherapy for that matter has talked about anthropology ethnology and cross species comparison including vampire bats ground squirrels Florida scrub jays and chimpanzees as though they were relevant to the enterprise And there have been only a few books that have described how Evolutionary Psychology should begin to change the way we conceive of psychotherapy mental health and psychopathology This book treads on relatively new ground for both psychotherapists and Darwinists Therapists especially so called Humanistic therapists which include Gestalt therapists will find many of their standard assumptions about human behavior and life in general challenged For

example the teleological view that life has purpose toward perfection cannot possibly be true This does not mean that humans can't strive for some kind of ideal Indeed we should and we do But evolution tells us why this is difficult and why our hopes cannot be pinned on assumptions of innate goodness We need to understand what humans are really up to in order to achieve a social order that is well civilized This fact is most clearly exemplified by male female relationships which have hardly yielded at all to efforts to eradicate rape and violence the double standard and egregious misreading even through the centuries This book dares to explore and seek that understanding This book should make Gestalt therapy and its training methods attractive to students who are looking for something beyond their graduate school experience to prepare them for the psychotherapy profession in the 21st century The author recounts some of his experience in residential training and shows why that be preserved as a central feature in the development of Gestalt therapists

The Taming of Jesus by Christianity Wayne W. Mahan, 2001 In *The Taming of Jesus by Christianity* Wayne Mahan peels back the layers of Christianity to provide his readers with a dramatic account of how the original radical teachings of Jesus were domesticated and transformed into a world changing religion Mahan's book is written for a modern public that has become increasingly uncomfortable with the idea of formal institutionalized religion He demonstrates that Christianity has at its core Jesus demand of love embodied in the Sermon on the Mount and that this demand was simply too radical to form a viable religion Mahan walks the reader through the New Testament showing how this radical demand of love stands at the center of the synoptic gospels and how it is systematically transformed by Paul and the Gospel of John into a faith in Jesus as atoning sacrifice and God Man that is formalized and institutionalized by the Council of Nicaea In a surprising and compelling presentation Mahan argues that this transformation of the Christian message was a necessary betrayal that allowed the original radical message of Jesus to be carried within a palatable host religion rather than be rejected and abandoned two millennia ago *The Taming of Jesus* combines a succinct survey of the New Testament with a pointed examination of the central ideas of the Christian faith

Jesus Among Other Gods Ravi Zacharias, 2000-10-12 You can't be friends with God if the God you believe in doesn't really exist You can't depend on God if your God is a figment of your imagination In a world full of gods how do you know Jesus is real You have probably heard things like All religions lead to the same God All faiths teach the same things It doesn't matter what you believe just that you believe sincerely But Jesus said that He alone is the way to God He alone shows us the truth of who God is He alone gives us life close to God In this youth edition of *Jesus Among Other Gods* Ravi Zacharias gives solid evidence as to why we should choose Jesus Christ as THE God among all other gods Zacharias contrasts the truth of Jesus with the founders of Islam Hinduism and Buddhism providing strong descriptions of each faith and solid defenses for the cause of Christ In addition to the religion comparisons the book answers questions such as What about all the hypocrites at church How scientific is science How can you best share what you believe and Does the Bible teach reincarnation You can never be too young to learn how to defend your faith and this book will tell you exactly how

to do just that *The Essence of Jesus* Arthur Rowe,2006-01-01 Jesus of Nazareth the Nazarene Jesus Christ the Christ the Good Shepherd the Redeemer or the Deliverer To this day the identity of Jesus remains an unfathomable mystery for non believers and a glorious open book of hope for the devout Who really was this figure and why are his life and sermons so pivotal to the core of Christianity the religion founded in his name and in honour of his sacrifice to humankind The Essence of Jesus tackles such fascinating subject matter in ground breaking form turning to sources as diverse as the Bible iconic art Church reformers religious ritual as well as other religions leaders and holy texts in order to offer a well rounded discussion about the power of Jesus word and his legacy **War Inconsistent with the Religion of Jesus Christ** David Low

Dodge,2019-12-17 In War Inconsistent with the Religion of Jesus Christ David Low Dodge presents a provocative critique of the moral implications of warfare in light of Christian teachings Written in the early 19th century the book employs a clear and persuasive literary style weaving together theological insights historical examples and philosophical reasoning Dodge articulates a vision of Christianity that opposes violence arguing that the essence of Jesus message stands in stark contrast to the principles that underlie armed conflict This work emerges from a broader context of peace activism prevalent during the period particularly amid the rising tide of pacifism in response to the geopolitical turmoil of the time David Low Dodge was a prominent American clergyman abolitionist and advocate for peace whose convictions profoundly shaped his writings His extensive theological education and pastoral experiences informed his understanding of Christian doctrine prompting him to confront the implications of faith in a world riddled with violence His own involvement with the social reform movements of his era particularly in advocating for non violence reflects his commitment to promoting a harmonious society rooted in Christian love and compassion Readers who seek to explore the intersections of faith morality and social justice will find War Inconsistent with the Religion of Jesus Christ an essential and enlightening text Dodge s compelling arguments invite readers to reflect deeply on the moral responsibilities of Christians especially in the context of conflict and war This work is particularly relevant today resonating with contemporary debates surrounding pacifism humanitarian intervention and the ethical dilemmas of modern warfare *Christianity* Donald W. Ekstrand,2008-04 In this broad comprehensive introduction to Christianity Dr Ekstrand explores science philosophy Scripture the teachings of Jesus Christ the message of the apostles and the essence of orthodox Christianity as represented by both Catholic and Protestant traditions Christian

It's All About Jesus: It Was About Him. It Is About Him. It Will Always Be About Him. Asemokhai Yakubu,2017-05-22 The truth about Jesus Christ is that He came to the earth to save us from sin But what else do we know about Christ and more importantly what else have we been taught Was Jesus Christ a man or deity or both Was Christ God incarnate or was he God s son a distinct individual And what is the significance of the body of Christ the church and the role of baptism in water for our salvation It s All About Jesus provides clarity and insight into these foundational questions about Christ the church and salvation Whether it is questions or beliefs about the nature of Christ the significance of being part of the body of Christ or

how we worship and become new individuals in Christ believers are encouraged to test all things and hold fast to that which is true By searching the scriptures and rightly dividing the word of truth we can grow in our faith and have a clearer and more intimate relationship with the Lord for everything points to him **The Doctrine of the Person of Jesus Christ** Hugh Ross Mackintosh,1912 The Historicity of Jesus Shirley Jackson Case,1912 The main purpose of the present volume is to set forth the evidence for believing in the historical reality of Jesus existence upon earth By way of approach the characteristic features of more recent opinion regarding the historical Jesus have been surveyed and on the other hand the views of those who deny his existence have been examined in detail The negative arguments have been carefully analyzed in order accurately to comprehend the problem Preface **The Real Messiah** Stephan Huller,2012-01-01 Highly controversial but impeccably researched The Real Messiah explodes the myth that Jesus was the long prophesied Messiah of the Jewish nation Indeed it argues that Jesus never claimed that role but thought of himself as herald to the true Messiah Marcus Julius Agrippa the last King of the Jews and Jesus contemporary It was he who truly founded what became known as Christianity and wanted to build a faith to which anyone could aspire Though Marcus Agrippa was initially successful with the passing of time those in charge of the new faith capitulated to the whims of successive Roman Emperors and centered their religion on Jesus instead **The True Christian Religion** Emanuel Swedenborg,1883 *Discourses and Sayings of Our Lord Jesus Christ* John Brown,1858
