The Religion of Lower Races Edwin William Smith,1923 The Religion of Lower Races As Illustrated by the African Bantu Edwin W. Smith,2013-10 This is a new release of the original 1923 edition **African Religion** John Wesley Zwomunondiita Kurewa,2016-09-01 Worldwide scholarship has established the fact that Africa is the cradle land of humanity Dr Kurewa promotes the theory that African Religion could very easily have been the proto religion of humanity and a religion from which other monotheistic religions such as Judaism Zoroastrianism Christianity and Islam have their roots The author shifts the traditional African historical studies stance of looking at Africa from Egypt alone and instead looks at Africa from inside Africa Dr Kurewa invites a debate regarding our understanding of African Religion the indigenous religion of millions of people in sub Saharan Africa today **Understanding World Religions** Irving Hexham,2011-03-22 Globalization and high speed communication put twenty first century people in contact with adherents to a wide variety of world religions but usually valuable knowledge of these other traditions is limited at best On the one hand religious stereotypes abound hampering a serious exploration of unfamiliar philosophies and practices On the other hand the popular idea that all religions lead to the same God or the same moral life fails to account for the distinctive origins and radically different teachings found across the world s many religions Understanding World Religions presents religion as a complex and intriguing matrix of history philosophy culture beliefs and practices Hexham believes that a certain degree of objectivity and critique is inherent in the study of religion and he guides readers in responsible ways of carrying this out Of particular importance is Hexham s decision to explore African religions which have frequently been absent from major religion texts He surveys these in addition to varieties of Hinduism Buddhism Judaism Christianity and Islam **Africa and Her Peoples** Frank Deaville Walker,1926 **The Religion of Lower Races, as Illustrated by the African Bantu** Edwin William SMITH (D.D.),1923 *Uniquely African?* James Leland Cox, Gerrie ter Haar,2003 Concerning themselves with the problematic nature of African Christian identity the contributors to this book adopt various cultural historical national and educational perspectives in order to reflect on the problem of African identities in a world dominated by Western ideological and religious systems *Negro Yearbook* ,1925 *Journal of the African Society* African Society,1924 **Negro Year Book** ,1925 *The Journal of Religion* ,1923 Includes section Book reviews Spirit Possession and Spirit Mediumship in Africa and Afro-America Irving Zaretsky,Cynthia Shambaugh,2019-06-19 Originally published in 1978 Spirit Possession and Spirit Mediumship in Africa and Afro America is an incredibly diverse and comprehensive bibliography on published works containing ethnographic data on and analysis of spirit possession and spirit mediumship in North and Sub Saharan Africa and in some Afro American communities in the Western Hemisphere The sources on Western Afro American communities were chosen to shed light on the African continent and the Americas The bibliography while not exhaustive provides extensive research on the area of research in spiritualism in Africa and Afro America The bibliography also provides unique sources on
