Religion Who Needs It:

Religion from A to Z Reuven P. Bulka, 2005 *Philosophy: What It Is and Why We Need It* , *Introduction to Philosophy of Religion* James Kellenberger, 2017-09-29 Using various and competing religious sensibilities Introduction to the Philosophy of Religion helps students work through the traditional material and their own religious questions *My Absurd Religion* Steve Gray, 2008 The Players of Religion Nicholas Shaw, 2009 The Players of religion is a controversial philosophical discourse that is written in a friendly and entertaining manner that should show people this is the way in which religion should be discussed All the characters in this book are of religious significance but there is one character that was once a true philosopher and that is Sankara *A Historical and Theoretical Guide to Studying Religion* Wesley Kort, 2024-01-16 This book a guide to studying religion has two parts The first or historical part traces the rise of the academic study of religion from the early nineteenth century to the present day Primary attention is given to the relation of studying religion to Romanticism and to its contrary relations to principal characteristics of Western modernity especially its rational and materialist emphases The second part of the book addresses matters that present uncertainties problems and even tensions within the field such as what is or should be meant by referring to some persons or groups as religious why religion is so often a cause of tensions and even conflicts both within and between religious groups and between them and the increasingly nonreligious or secular quality of modern Western culture and the problem that arises for the field by reason of scholars who on one side are themselves religious and who on the other side are nonreligious or secular The book places this final difficulty the difference and often the tension between religious and nonreligious approaches to the study of religion in the role of a unifying theme of the book and offers a way by which this problem can be addressed and to a considerable degree reduced From Unconsciousness to Consciousness Osho, 2023-09-16 After one thousand three hundred and fifteen days of silence it feels as if I am coming to you from a totally different world In fact it is so The world of words language concepts and the world of silence are so diametrically opposite to each other they don't meet anywhere They can't meet by their very nature Silence means a state of wordlessness and to speak now it is as if to learn language again from ABC But this is not a new experience for me it has happened before too **The University of Chicago Magazine** , 1928 A Debate on the Roman Catholic Religion Alexander Campbell, John Baptist Purcell, 1837 *Understanding Theories of Religion* Ivan Strenski, 2015-03-30 Featuring comprehensive updates and additions the second edition of Understanding Theories of Religion explores the development of major theories of religion through the works of classic and contemporary figures A new edition of this introductory text exploring the core methods and theorists in religion spanning the sixteenth century through to the latest theoretical trends Features an entirely new section covering religion and postmodernism race sex and gender and religion and postcolonialism Examines the development of religious theories through the work of classic and contemporary figures from the history of anthropology sociology psychology philosophy and theology Reveals how the study

of religion evolved in response to great cultural conflicts and major historical events Student friendly features include chapter introductions and summaries biographical vignettes a timeline a glossary and many other learning aids Identity, Religion And Values C. Margaret Hall,2013-10-08 This handbook for clinicians focuses on the impact of religion and spirituality on the client using the clinical sociological theory of identity empowerment The ten concepts of this theory show how identity can be expressed in value choices self dyad triad family religion definition of the situation reference group class culture and society The professor includes case studies and strategies for intervention at the end of each chapter

Introduction to Missiology Alan Richard Tippett,1987 While teaching at Fuller School of World Mission Tippett inspired and challenged the founding generation of great commission or church growth missiologists This collection brings together almost 40 of his best writings In a style that is both academic and personal he deals first with missiological theory then with anthropological and historical dimensions of missiology He then treats a number of specific missiological problems from these perspectives including seminal material on power encounters **Natural Religion and the Nature of Religion** Peter Byrne,2013-05-02 This study offers students of religion and philosophy introductory chapters concerning the concept of natural religion It holds that we can't engage in useful discussion about the present concept of religion without a knowledge of the philosophical history that has shaped that concept This is discussed with reference to the notion of natural religion to illustrate certain aspects of deism and its legacy Originally published in 1989 **Cycles of Faith** Robert S. Ellwood,2003 Can the histories of the great religious traditions help us to predict their futures Are broad common patterns discernable within the developments of Hinduism Chinese religion Buddhism Christianity and Islam In Cycles of Faith noted historian of religion Robert Ellwood makes the case that the five largest world religions all move through the stages of Apostolic Imperial Devotional Reformation and Folk Religion Cycles of Faith is a completely revised edition of Ellwood's 1988 book The History and Future of Faith Ellwood's readable text can provide a useful theoretical framework to many classes in religious studies

The Psychology of Religion William Boothby Selbie,1924 **Religion in the News** Stewart M. Hoover,1998-06-24 Since the 1970s more and more religious stories have made their way to headline news the Islamic Revolution in Iran televangelism and its scandals and the rise of the Evangelical New Right and its role in politics to name but a few Media treatment of religion can be seen as a kind of indicator of the broader role and status of religion on the contemporary scene To better understand the relationship between religion and the news media both in everyday practice and in the larger context of American public discourse author Stewart P Hoover gives a cultural historical analysis in his book Religion in the News The resulting insights provide important clues as to the place of religion in American life the role of the media in cultural discourse and the prospects of institutional religion in the media age This volume is highly recommended to media professionals journalists people in the religious community and for classroom use in religious studies and media studies programs **Crane Valve World** ,1926 *Good and Bad Religion* Peter Vardy,2014-07-23 Intends to provide criteria to

separate good and bad manifestations of religion found in the Western and Eastern philosophical conditions that there is a single human nature which all human beings share and certain types of attitudes and behaviour can be profoundly damaging
