**Tomorrow's God** Lloyd Geering, 2015-12-23 The post Christian era offers a mixed blessing as people find greater personal freedom while facing a future without the certainty of traditional beliefs and practices In Tomorrow's God renowned writer and commentator Lloyd Geering argues that the world we live in is largely a product of our own making Thus God a central symbol of meaning is entirely a human creation Geering urges us to consciously create new meaning for our lives in a work that is a distillation of a lifetime s reading and reflection on religious and social questions Life Now Jansher, 2024-07-30 The capability of today s man has become so narrow that it is painful to imagine Today s human life is reduced to working eating sleeping and reproducing First they placed today s man in a certain place then gave him the wrong values National values patriotism ideological values They caught him at a certain point They closed all avenues for him They took away his chances Today s man knows nothing about life He sees nothing of creation Today s man never knows how far the beauty of nature and divine creation is spread He knows nothing Because his whole life is spent fighting over things that are all lies and illusions his life is wasted fighting and struggling with his comrades He never gets anywhere That is why he is in agony Then few people take advantage of the facilities and the nations beat each other over the head they are busy enjoying life and creation The sole mission of humanity today is to provide land for certain groups to live on Human slavery today has become so brilliant that it has almost assumed the color of sanctity and godliness In the name of knowledge and education he learns the art of slavery in the first half of his life and in the second half he does his slavery They call it alive

Wisdom From World Religions John Marks Templeton, 2008-01-01 Every religion acknowledges certain spiritual principles and records them in its sacred literature and traditions This book curates these ancient teachings and shows how they apply to modern life with the help of parables quotations and commentaries By reading Wisdom from World Religions people from all walks of life will be inspired to pursue their own spiritual growth and to contemplate questions central to our existence such as how through love and creativity can we be agents of divinity on earth Uplifting and instructional this is a book to be treasured studied and practiced Religions in International Political Economy Sabine Dreher, 2020-07-02 This book shows how religions and their internal struggles shape key actors and processes in the international political economy It highlights how fundamentalist business oriented Christians in the United States were instrumental in the neoliberal turn in US hegemony how Christianity in the form of prosperity religion transformed Latin America and how reactionary religious movements sharpened state competition through illiberal politics in Turkey India and elsewhere But reactionary movements are also confronted by liberationist or more progressive movements such as Islamic feminism that seek to build a more inclusive global economy Religions and their ideas should be seen as a constitutive part of neoliberal globalization and its Let There Be No Divisions Among You Rev John Maclaughlin, 2017 With clear compelling logic contestation in IPE bolstered by countless Scriptural confirmations Fr John MacLaughlin here considers the oft heard claim that it doesn t matter what Christian denomination you join so long as you re sincere Formally known as Indifferentism this view has in recent centuries taken deep root among Christians Indeed indifferentism is the enemy not only of Protestantism and Catholicism but of Christ Himself who revealed to His apostles scores of truths about Himself and the way of salvation never encouraging them to pick and choose among those truths Not only then argues Fr MacLaughlin is one Christian denomination not as good as another embracing the wrong one can lead a good hearted soul into utter unbelief jeopardizing his salvation For this reason Fr MacLaughlin devotes the second half of this immensely popular book to delineating for readers the two fundamental characteristics that will ever and always be found in the one Church that Christ founded and to which he intends all men and women to belong Among the things you will learn here How indifferentism threatens your

salvationWhere Christ forbids preaching some doctrines while ignoring othersThe two marks the of the true church delineated by Christ HimselfDenominational lethargy how sticking with the Faith you were born into can violate the First Commandment and risk your salvationDecrees of the Council of Jerusalem ca 50 a d proof that the apostles themselves denied that one Christian faith is as good as anotherHow consideration of indifferentism draws inquirers to the true churchHow the profusion of Protestant sects reveals the need for a final authorityThe universality of the True Church lt existed already at Pentecost before the Church spread beyond Jerusalem and one Church has that very same universality today The religion revealed by Christ In its essentials it s clear definite unchanging Is yours \*\*Ramblings\* of Faith\*\* Kawuma Kayiwa, Zane Mathews,Zane Mathews,2005-09 It is hard to live This book presents a psychological approach to coping with suffering It is a wonderful title to people recovering from Tsunami terrorists attacks floods or earthquakes It restores self confidence into people who have lost lovedones friendships jobs or sources of income Face to Face with Grief shows the way forward after some devastating news Without belittling your feelings for the loss of your loved one demeaning the pain of joblessness and poverty blaming you for your circumstances Face to Face with Grief uses the counseling and experience of others to dig you out of your own grave It will help you to modify and control your anger doubts hatred and help you think through your goals guide your life course decisions and let you design your lasting relief from your problems
