

# Religions In Japan

**Ichiro Hori**

## **Religions In Japan:**

**Religions of Japan** H. Byron Earhart, 1984 A quick review of Japanese history and a detailed account of the country's religions

**Japanese Religion** Robert Ellwood, Richard Pilgrim, 2016-09-13 This book provides an overview of religion in Japan from ancient times to the present. It also emphasizes the cultural and attitudinal manifestations of religion in Japan without neglecting dates and places

**The New Religions of Japan** Harry Thomsen, 1963 THE PUBLICATION of this book will meet a conscious need among students of Japanese religion and culture because it presents in a series of factual and scholarly yet not pedantic expositions one of the significant developments of postwar Japan: the emergence and development of shinko shukyo or new religions. Mr. Thomsen, who has given himself to the study of these religions and is one of the younger missionaries who herald a return to the scholarly tradition so greatly neglected among postwar Christian missionaries and students, estimates that the new religions have about eighteen million followers or one out of every five Japanese. Probably never before in the history of Japan have there been so many kinds of religious innovations and interests. This book is significant on several counts: it reflects the vitality of Japanese religion through the new religions which perhaps are as representative of this vitality as any of the older traditional religions. It seriously considers this unique phenomenon of Japanese culture which because of fanatical and superstitious acts among some of the followers has been treated with a reproach mingled with contempt and because of obvious materialism and even charlatanry has led many to dismiss them with a quip or a laugh. On the other hand, some of the older religious groups are obviously alarmed over the increasing power of the new religions because they are seemingly able to meet many of the felt needs of the Japanese people. Mr. Thomsen considers the religious and sociological factors that have created these movements, the roots from which they have sprung, and goes a considerable distance toward establishing their common bonds. The book is important for the Christian student because it not only describes the encounter which Christianity has had with these new religions but it also makes clear the difficulties missionaries have had in facing the Oriental syncretic concept of religion

Religion in Japan P. F. Kornicki, I. J. McMullen, 1996-02-08 Peter Francis Kornicki and Ian James McMullen have put together a remarkable collection of essays on different aspects of religion in Japan by an international team of contributors. The essays in this 1996 book cover a wide range of subjects from the new religions of post-war Japan to beliefs about fox possession in the Heian period and from French missionaries in Okinawa in the mid-nineteenth century to the Ainu bear festival in Hokkaido. Other chapters examine the religious life of Minamoto no Yoritomo, the founder of the first shogunate in the late twelfth century, and the role of pilgrimage in Japanese religion. The essays offer fresh insights into the rich religious traditions of Japan, many of which have been previously neglected in the English language writing on Japan

**Folk Religion in Japan** Ichiro Hori, 1968 Ichiro Hori's is the first book in Western literature to portray how Shinto, Buddhist, Confucian, and Taoist elements as well as all manner of archaic magical beliefs and practices are fused on the folk level. Folk religion transmitted by the common people from

generation to generation has greatly conditioned the political economic and cultural development of Japan and continues to satisfy the emotional and religious needs of the people Hori examines the organic relationship between the Japanese social structure the family kinship system village and community organizations and folk religion A glossary with Japanese characters is included in the index

**The Invention of Religion in Japan** Jason Ananda Josephson, Jason Ananda Josephson Storm, 2012-10-03 Throughout its long history Japan had no concept of what we call religion There was no corresponding Japanese word nor anything close to its meaning But when American warships appeared off the coast of Japan in 1853 and forced the Japanese government to sign treaties demanding among other things freedom of religion the country had to contend with this Western idea In this book Jason Ananda Josephson reveals how Japanese officials invented religion in Japan and traces the sweeping intellectual legal and cultural changes that followed More than a tale of oppression or hegemony Josephson's account demonstrates that the process of articulating religion offered the Japanese state a valuable opportunity In addition to carving out space for belief in Christianity and certain forms of Buddhism Japanese officials excluded Shinto from the category Instead they enshrined it as a national ideology while relegating the popular practices of indigenous shamans and female mediums to the category of superstitions and thus beyond the sphere of tolerance Josephson argues that the invention of religion in Japan was a politically charged boundary drawing exercise that not only extensively reclassified the inherited materials of Buddhism Confucianism and Shinto to lasting effect but also reshaped in subtle but significant ways our own formulation of the concept of religion today This ambitious and wide ranging book contributes an important perspective to broader debates on the nature of religion the secular science and superstition

**Religions in Japan, at Present** Shūkyō Mondai Kenkyūjo, 1962 *Japanese Religions* Ian Reader, Esben Andreasen, Finn Stefansson, 1993-05-01 Japanese Religions intended as an introductory guide to the religious traditions found in Japan today together with their historical backgrounds is also relevant to readers interested in comparative religions politics or international affairs Topics include Shinto Buddhism new religions Christianity folk religions and state religion

**Religions in Japan, at Present** Shūkyō Mondai Kenkyūkai (Japan), 1962 *Religion in Japanese Culture* Noriyoshi Tamaru, David Reid, 1996 Religion in Japanese Culture is a response to the relentless change of the last twenty five years Retaining but revising the earlier volume's comprehensive survey of Japan's major religions this book also presents six new essays exploring religion and the state religion and education urbanization and depopulation the rebirth of religion internalization and religious organizations and Japanese law In addition a new appendix presents an analysis of Qum Shinrikyo's 1995 gas attack on the Tokyo subway system

**Religions in Japan: Buddhism, Shinto, Christianity** Supreme Commander for the Allied Powers. Civil Information and Education Section, 1955 *Religions in Japan* Japan. Monbushō. Chōsakyoku, 1963

Religions of Japan in Practice George J. Tanabe Jr., George Joji Tanabe, 1999-03-28 This anthology reflects a range of Japanese religions in their complex sometimes conflicting diversity In the tradition of the Princeton Readings in Religions

series the collection presents documents legends and miracle tales hagiographies ritual prayers and ceremonies sermons reform treatises doctrinal tracts historical and ethnographic writings most of which have been translated for the first time here that serve to illuminate the mosaic of Japanese religions in practice George Tanabe provides a lucid introduction to the patterned confusion of Japan's religious practices He has ordered the anthology's forty five readings under the categories of Ethical Practices Ritual Practices and Institutional Practices moving beyond the traditional classifications of chronology religious traditions Shinto Confucianism Buddhism etc and sects and illuminating the actual orientation of people who engage in religious practices Within the anthology's three broad categories subdivisions address the topics of social values clerical and lay precepts gods spirits rituals of realization faith court and emperor sectarian founders wizards and heroes orthopraxis and orthodoxy and special places Dating from the eighth through the twentieth centuries the documents are revealed to be open to various and evolving interpretations their meanings dependent not only on how they are placed in context but also on how individual researchers read them Each text is preceded by an introductory explanation of the text's essence written by its translator Instructors and students will find these explications useful starting points for their encounters with the varied worlds of practice within which the texts interact with readers and changing contexts *Religions of Japan in Practice* is a compendium of relationships between great minds and ordinary people abstruse theories and mundane acts natural and supernatural powers altruism and self interest disappointment and hope quiescence and war It is an indispensable sourcebook for scholars students and general readers seeking engagement with the fertile ordered disorder of religious practice in Japan

**The Development of Religion in Japan** George William Knox, 1907 [Religion in the Japanese Experience: Sources and Interpretations](#) H. Byron Earhart, 1973 Anthology designed to parallel Japanese Religion concerns itself with helping the reader see Japanese religion more concretely as it is found within the history of the tradition and experience of the people *Religion in Japanese History* Joseph M. Kitagawa, 1990-11-21 Tracing Japan's religions from the Heian Period through the middle ages and into modernity this book explores the unique establishment of Shinto Buddhism and Confucianism in Japan as well as the later influence of Roman Catholicism and the problem of Restoration both spiritual and material following World War II [Religion in Japan](#) George A. Cobbold, 2022-09-16 DigiCat Publishing presents to you this special edition of *Religion in Japan* by George A Cobbold DigiCat Publishing considers every written word to be a legacy of humankind Every DigiCat book has been carefully reproduced for republishing in a new modern format The books are available in print as well as ebooks DigiCat hopes you will treat this work with the acknowledgment and passion it deserves as a classic of world literature

**Religions in Japan** Supreme Commander for the Allied Powers. Civil Information and Education Section, 1948 **Japanese Religion** H. Byron Earhart, 1969 [The Religions of Japan From the Dawn of History To the Era of Meiji](#) William Elliot Griffis, 2020-07-17 Reproduction of the original *The Religions of Japan From the Dawn of History To the Era of Meiji* by William Elliot Griffis

## Religions In Japan Introduction

In today's digital age, the availability of Religions In Japan books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Religions In Japan books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Religions In Japan books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Religions In Japan versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Religions In Japan books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Religions In Japan books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Religions In Japan books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library.

lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Religions In Japan books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Religions In Japan books and manuals for download and embark on your journey of knowledge?

### **FAQs About Religions In Japan Books**

1. Where can I buy Religions In Japan books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
