Martyrdom and the Politics of Religion Anna Lisa Peterson, 1997-01-01 Martyrdom and the Politics of Religion explores the ways that Salvadoran Catholics sought to make sense of political violence in their country in the 1970s and 1980s by constructing a theological ethics that could both explain repression in religious terms and propose specific responses to violence Drawing on extensive fieldwork the book highlights the ways that progressive Catholicism offered a justification and tools for political resistance in the face of extraordinary destruction Using the case of Catholicism in El Salvador the book explores the nature of religious responses to social crisis and the ways that ordinary believers construct and strive to live by

ethical systems By highlighting the importance of theological belief of narrative and of religious rationality in political mobilization it touches questions of general interest to readers concerned with the social role of religion and ethics

Dialogues across Diasporas Marion Rohrleitner, Sarah E. Ryan, 2012-12-07 *Dialogues Across Diasporas* focuses on the shared historical legacies of members of the Africana and Latina diasporas and the cultural impact of the African diaspora in the Americas This book seeks to emphasize connections rather than divisions among different migratory ethnic communities via a reconfiguration of borders and ethnic identities This collection of essays has three major goals first to foreground shared themes and strategies in the literary productions of women of Africana and Latina o descent second to highlight the importance of the arts for community activism within shared diasporic spaces and third to illustrate the potential of artistic and activist collaborations among women from both groups across disciplinary political national and ethnic divides *Dialogues across Diasporas* is divided into three sections The first section provides a theoretical overview of diasporic migrations politics and identities It argues that diverse diasporas can unite around shared political and cultural experiences such as converting contested spaces into communities and resisting rhetorics of exclusion The second section demonstrates the diverse ways in which migratory women and daughters of the diaspora frame their histories lived experiences and different forms of knowledge via poetry short stories academic essays and other art forms The third section focuses on women s activism suggesting opportunities for collaboration among and between diverse diasporic communities

Animal History in the Modern City Clemens Wischermann, Aline Steinbrecher, Philip Howell, 2018-09-06 This book is open access and available on www.bloomsburycollections.com It is funded by Knowledge Unlatched Animals are increasingly recognized as fit and proper subjects for historians yet their place in conventional historical narratives remains contested This volume argues for a history of animals based on the centrality of liminality the state of being on the threshold not quite one thing yet not quite another Since animals stand between nature and culture wildness and domestication the countryside and the city and

tradition and modernity the concept of liminality has a special resonance for historical animal studies Assembling an impressive cast of contributors this volume employs liminality as a lens through which to study the social and cultural history of animals in the modern city It includes a variety of case studies such as the horse human relationship in the towns of New Spain hunting practices in 17th century France the birth of the zoo in Germany and the role of the stray dog in the Victorian city demonstrating the interrelated nature of animal and human histories Animal History in the Modern City is a vital resource for scholars and students interested in animal studies urban history and historical geography

Mestiz@ Scripts, Digital Migrations, and the Territories of Writing D. Baca, 2008-05-26 Conventional scholarship on written communication positions the Western alphabet as a precondition for literacy Thus pictographic non verbal writing practices of Mesoamerica remain obscured by representations of lettered speech This book examines how contemporary Mestiz scripts challenge alphabetic dominance thereby undermining the colonized territories of writing Strategic weavings of Aztec and European inscription systems not only promote historically grounded accounts of how recorded information is expressed across cultures but also speak to emerging studies on visual multimodal education Baca Espinosa argues that Mestiz literacies advance new ways of reading and writing applicable to diverse classrooms of the twenty first century
