**Free Love in Utopia** George

Wallingford Noyes, Lawrence Foster, 2001 The free love Oneida Community founded in New York state during the turbulent decades before the Civil War practiced an extraordinary system of complex marriage as part of its sustained experiment in creating the kingdom of heaven on earth For more than thirty years two hundred adult members considered themselves heterosexually married to the entire community rather than to a single monogamous partner Free Love in Utopia provides the first in depth account of how complex marriage was introduced among previously monogamous or single Oneida Community members Bringing together vivid firsthand writings by members of the community including personal correspondence memoranda on spiritual and material concerns and official pronouncements this volume portrays daily life in Oneida and the deep religious commitment that permeated every aspect of it It also presents a complex portrait of the community s founder John Humphrey Noyes who demanded not only complete religious loyalty from his followers but also minute control over their sexual lives It recounts the formidable legal suits faced by the community one of which almost forced it to disband in 1852 and the critical behind the scenes work of Noyes s second in command John L Miller Most important Free Love in Utopia describes in detail how Oneida s enlarged family was created and how its unorthodox practices affected its members Key selections from a large collection of primary documents detailing Oneida s early years were compiled by George Wallingford Noyes nephew of the founder The present volume astutely edited and introduced by noted communitarian scholar Lawrence Foster marks the first publication of G W Noyes s remarkable manuscript excerpted from the irreplaceable original documents that were deliberately burned after his death The volume also reproduces Oneida s First Annual Report which contains the sexual manifesto that underlay the community *Religious Experience of John Humphrey Noyes, Founder of the Oneida Community. Comp. and Ed. by G. Wallingford Noyes. With 17 Ills ,1923*

*American Religious History* Gary Scott Smith, 2020-12-07 A mix of thematic essays reference entries and primary source documents covering the role of religion in American history and life from the colonial era to the present Often controversial religion has been an important force in shaping American culture Religious convictions strongly influenced colonial and state governments as well as the United States as a new republic Religious teachings values and practices deeply affected political structures and policies economic ideology and practice educational institutions and instruction social norms and customs marriage and family life By analyzing religion s interaction with American culture and prominent religious leaders and ideologies this reference helps readers to better understand many fascinating often controversial religious leaders ideas

events and topics The work is organized in three volumes devoted to particular periods Volume one includes a chronology highlighting key events related to religion in American history and an introduction that overviews religion in America during the period covered by the volume and roughly 10 essays that explore significant themes These essays are followed by approximately 120 alphabetically arranged reference entries providing objective fundamental information about topics related to religion in America Each volume presents nearly 50 primary source documents each introduced by a contextualizing headnote A selected general bibliography closes volume three Oneida Utopia Anthony Wonderley, 2017-12-15 Oneida Utopia is a fresh and holistic treatment of a long standing social experiment born of revival fervor and communitarian enthusiasm The Oneida Community of upstate New York was dedicated to living as one family and to the sharing of all property work and love Anthony Wonderley is a sensitive guide to the things and settings of Oneida life from its basis in John H Noyes s complicated theology through experiments in free love and gender equality to the moment when the commune transformed itself into an industrial enterprise based on the production of silverware Rather than drawing a sharp boundary between spiritual concerns and worldly matters Wonderley argues that commune and company together comprise a century long narrative of economic success innovative thinking and abiding concern for the welfare of others Oneida Utopia seamlessly combines the evidence of social life and intellectual endeavor with the testimony of built environment and material culture Wonderley shares with readers his intimate knowledge of evidence from the Oneida Community maps and photographs quilts and furniture domestic objects and industrial products and the biggest artifact of all their communal home Wonderley also takes a novel approach to the thought of the commune s founder examining individually and in context Noyes s reactions to interests and passions of the day including revivalism millennialism utopianism and spiritualism A Conservative History of the American Left Daniel J. Flynn, 2008-04-29 From Communes to the Clintons Why does Hillary Clinton crusade for government provided health care for every American for the redistribution of wealth and for child rearing to become a collective obligation Why does Al Gore say that it s okay to over represent the dangers of global warming in order to sell Americans on his draconian solutions Why does Michael Moore call religion a device to manipulate gullible Americans Where did these radical ideas come from And how did they enter the mainstream discourse In this groundbreaking and compelling new book Daniel J Flynn uncovers the surprising origins of today s Left The first work of its kind A Conservative History of the American Left tells the story of this remarkably resilient extreme movement one that came to America s shores with the earliest settlers Flynn reveals a history that leftists themselves ignore whitewash or obscure Partly the Left s amnesia is convenient Who wouldn t want to forget an ugly history that includes eugenics racism violence and sheer quackery Partly it is self aggrandizing Bold schemes sound much more innovative when you refuse to acknowledge that they have been tried and have failed many times before And partly it is unavoidable The Left is so preoccupied with its triumphal future that it doesn t pause to learn from its past mistakes So it goes that would be

revolutionaries have repeatedly failed to recognize the one troubling obstacle to their grandiose visions reality In unfolding this history Flynn presents a page turning narrative filled with colorful fascinating characters progressives and populists radicals and reformers socialists and SDSers and leftists of every other stripe There is the rags to riches Welsh industrialist who brought his utopian vision to America one in which private property religion and marriage represented the most monstrous evils and gained audiences with the likes of Thomas Jefferson John Adams and James Madison There is the wife swapping Bible thumper who nominated Jesus Christ for president There is the playboy adventurer whose worshipful accounts of Soviet Russia lured many American liberals to Communism There is the daughter of privilege turned violent antiwar activist who lost her life to a bomb she had intended to use against American soldiers There are fanatics and free spirits pervers and puritans entrepreneurs and altruists and many more beyond A Conservative History of the American Left is a gripping chronicle of the radical visionaries who have relentlessly pursued their lofty ambitions to remake society Ultimately Flynn shows the destructiveness that comes from this undying pursuit of dreams that are utterly unattainable

Land of the Oneidas Daniel Koch,2023-04-01 The central part of New York State the homeland of the Oneida Haudenosaunee people helped shape American history This book tells the story of the land and the people who made their homes there from its earliest habitation to the present day It examines this region s impact on the making of America from its strategic importance in the Revolution and Early Republic to its symbolic significance now to a nation grappling with challenges rooted deep in its history The book shows that in central New York perhaps more than in any other region in the United States the past has never remained neatly in the past Land of the Oneidas is the first book in eighty years that tells the history of this region as it changed from century to century and into our own time **Speaking Ill of the Dead: Jerks in New York History** Kara Hughes,2011-11-08 A delightfully wicked look at the badly behaved characters who shaped the history of New York through their deeds and misdeeds America's Communal Utopias Donald E. Pitzer,2010-01-20 From the Shakers to the Branch Davidians America s communal utopians have captured the popular imagination Seventeen original essays here demonstrate the relevance of such groups to the mainstream of American social religious and economic life The contributors examine the beliefs and practices of the most prominent utopian communities founded before 1965 including the long overlooked Catholic monastic communities and Jewish agricultural colonies Also featured are the Ephrata Baptists Moravians Shakers Harmonists Hutterites Inspirationists of Amana Mormons Owenites Fourierists Icarians Janssonists Theosophists Cyrus Teed s Koreshans and Father Divine s Peace Mission Based on a new conceptual framework known as developmental communalism the book examines these utopian movements throughout the course of their development before during and after their communal period Each chapter includes a brief chronology giving basic information about the group discussed An appendix presents the most complete list of American utopian communities ever published The contributors are Jonathan G Andelson Karl J R Arndt Pearl W Bartelt Priscilla J Brewer Donald F Durnbaugh

Lawrence Foster Carl J Guarneri Robert V Hine Gertrude E Huntington James E Landing Dean L May Lawrence J McCrank J Gordon Melton Donald E Pitzer Robert P Sutton Jon Wagner and Robert S Weisbrot *The Literary Digest International Book Review* Clifford Smyth,1923 **Annual Report of the American Historical Association** American Historical Association,1926 **Oneida** Ellen Wayland-Smith,2016-05-03 A fascinating and unusual chapter in American history about a religious community that held radical notions of equality sex and religion only to transform itself at the beginning of the twentieth century into a successful silverware company and a model of buttoned down corporate propriety In the early nineteenth century many Americans were looking for an alternative to the Puritanism that had been the foundation of the new country Amid the fervor of the religious revival known as the Second Great Awakening John Humphrey Noyes a spirited but socially awkward young man attracted a group of devoted followers with his fiery sermons about creating Jesus millennial kingdom here on Earth Noyes established a revolutionary community in rural New York centered around achieving a life free of sin through God s grace while also espousing equality of the sexes and complex marriage a system of free love where sexual relations with multiple partners was encouraged Noyes s belief in the perfectibility of human nature eventually inspired him to institute a program of eugenics known as stirpiculture that resulted in a new generation of Oneidans who when the Community disbanded in 1880 sought to exorcise the ghost of their fathers disreputable sexual theories Converted into a joint stock company Oneida Community Limited would go on to become one of the nation s leading manufacturers of silverware and their brand a coveted mark of middle class respectability in pre and post WWII America Told by a descendant of one of the Community s original families Ellen Wayland Smith s Oneida is a captivating story that straddles two centuries to reveal how a radical free love sect turning its back on its own ideals transformed into a purveyor of the white picket fence American dream Who Goes There? Rebecca Price Janney,2009-02-01 Princess Diana John Ritter Saddam Hussein Mother Teresa Chris Farley Does it seem reasonable to guess where each of these people ended up after they died While it is comforting to suppose that everyone who s good goes to a better place when they die and everyone who s bad doesn t on what is that hope based To adequately understand how these thoughts influence us today Rebecca Price Janney goes back to the colonization and founding of the United States From the Great Awakening to the American Revolution through the tumultuous 19th century and all the way past two world wars and a technological revolution Who Goes There pieces together a thoughtful narrative of American beliefs about the afterlife *Sex and Sects* Stewart Davenport,2022-03-17 With a revolution behind them a continent before them and the First Amendment protecting them religio sexual pioneers in antebellum America were free to strike out on their own breaking with the orthodoxies of the past Shakers followed the ascetic path Oneida Perfectionists accepted sex as a gift from God and Mormons redefined marriage in light of new religious revelations that also redefined God humankind spirit and matter Sex became a powerful way for each group to reinforce their sectarian identity as strangers in a strange land Sex and Sects tells the story of these three religiously inspired sexual

innovations in America the celibate lifestyle of the Shakers the Oneida Community's system of controlled polyamory and plural marriage as practiced by the Mormons Stewart Davenport analyzes why these bold experiments rose and largely fell over the course of the nineteenth century within the confines of the new American republic Moving beyond a social scientific lens Davenport traces for the first time their fascinating shared trajectory as they emerged struggled institutionalized and declined in tandem and sheds historical light on the way in which Americans have discussed contested and redefined the institutions of marriage and family both in our private lives and in the public realm **The Sewanee Review** ,1925

*Socialism and American Life, Volume II* Donald Drew Egbert, Stow Persons, 2015-12-08 Easily the most comprehensive and useful work on American socialism including its history theories and impact on life culture and economic and political parties in the United States Volume 2 bibliography is as important a contribution as the essays Hereafter students of practically all phases of American life will turn to it for help and guidance U S Quarterly Book Review Originally published in 1952 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 **Catalog of Copyright Entries. New Series** Library of Congress. Copyright Office, 1924 Part 1 Books Group 1 v 20 Nos 1 125 Issued April 1923 May 1924
