The Case for Religious Naturalism Jack J. Cohen, 2019-05-01 How can religion speak to the millions of men and women who have irretrievably lost their belief in a supernatural God This is the fundamental challenge that all of the great religions of mankind face in the twentieth century Rabbi Cohen responds to the challenge with a carefully reasoned analysis Cohen also lays to rest some popularly held misconceptions about the nature of religion and treats the concept of God with a clarity altogether lacking in current theological writings He demonstrates that religion far from being identified with supernaturalism must now function with a naturalist view of reality and of human existence A Jewish State in Palestine David Werner Amram, 1918 **David Ben-Gurion and the Foundation of Israeli Democracy** Nir Kedar, 2021-12-07 In David Ben Gurion and the Foundation of Israeli Democracy Nir Kedar offers a poignant study of the primary national founder of the State of Israel and the first prime minister of Israel Kedar provides an explication of the making of Israeli democracy in terms of its institutional legal structures and social cultural underpinnings David Ben Gurion and the Foundation of Israeli Democracy connects the formal structures of democracy to the fundamental principles that they were constructed to serve human freedom and dignity The Downfall of Abba Hillel Silver and the Foundation of Israel Ofer Shiff, 2014-05-27 In early February 1949 American Jewry's most popular and powerful leader Abba Hillel Silver 1893-1963 had summarily resigned from all his official positions within the Zionist movement and had left New York for Cleveland returning to his post as a Reform rabbi During the second half of the 1940s Silver was the most outspoken proponent of the founding of a sovereign Jewish state He was the most instrumental American Jewish leader in the political struggle that led to the foundation of the State of Israel Paradoxically this historic victory also heralded Silver's personal defeat Soon after Israel's declaration of independence Silver and many of his American Zionist colleagues were relegated to the sidelines of the Zionist movement Almost overnight the influential leader one who had been admired and feared by supporters and opponents was stripped of his power within both the Zionist and the American Jewish arenas Shiff's book discerns the various aspects of the striking turnabout in Silver's political fate describing the personal tragic story of a leader who was defeated by his own victory and the much broader intra Zionist battle that erupted in full force immediately after the founding of Israel Drawing extensively on Silver's own archival material Shiff presents an enlightening portrait of a critical episode in Jewish history This book is highly relevant for anyone who attempts to understand the complex homeland diaspora relations between Israel and American Jewry The Jewish World In Modern Times Abraham J Edelheit, Hershel Edelheit, 2019-09-10 The momentous events of modern Jewish history have led to a proliferation of books and articles on Jewish life over the last 350 years Placing modern Jewish history into both universal and local contexts this selected annotated bibliography organizes and categorizes the best of this vast array of written material The authors have included all English language books of major importance on world Jewry and on individual Jewish communities plus books most readily available to researchers and readers and a select number of pamphlets and articles The resulting bibliography is also a guide to recent Jewish historiography and research

methods **International Bibliography Of Jewish Affairs, 1976-1977** Elizabeth E. Eppler, 2019-04-03 This bibliography a project of is intended as an aid to research on and cultural aspects of contemporary ship between Jews and the non Jewish material published in 1976 and 1977 the Institute of Jewish Affairs the historical social political Jewish life and on the relationworld The present volume covers The Bibliography includes primarily nonfiction works published outside Israel by both Jewish and non Jewish authors it excludes belles lettres with the exception of documentary novels and memoirs and religious studies Entries are arranged by subject with cross references wherever applicable a cumulative index of names and a list of periodicals are provided at the end of the volume **The Arc of a Covenant** Walter Russell Mead, 2023-10-03 A NEW YORK TIMES BEST BOOK OF THE YEAR A groundbreaking work that overturns the conventional understanding of the Israeli American relationship and in doing so explores how fundamental debates about American identity drive our country s foreign policy A sweeping and masterfully told history The New York Times In this bold examination of the Israeli American relationship Walter Russell Mead demolishes the myths that both pro Zionists and anti Zionists have fostered over the years He makes clear that Zionism has always been a divisive subject in the American Jewish community and that American Christians have often been the most fervent supporters of a Jewish state citing examples from the time of J P Morgan and John D Rockefeller to the present day He spotlights the almost forgotten story of left wing support for Zionism arguing that Eleanor Roosevelt and liberal New Dealers had more influence on President Truman s Israel policy than the American Jewish community and that Stalin s influence was more decisive than Truman s in Israel s struggle for independence Mead shows how Israel s rise in the Middle East helped kindle both the modern evangelical movement and the Sunbelt coalition that carried Reagan into the White House Highlighting the real sources of Israel s support across the American political spectrum he debunks the legend of the so called Israel lobby And he describes the aspects of American culture that make it hostile to anti Semitism and warns about the danger to that tradition of tolerance as our current culture wars heat up With original analysis and in lively prose Mead illuminates the American Israeli relationship how it affects contemporary politics and how it will influence the future of both that relationship and American life **The Maccabean** , 1919 **History Of Zionism** Hershel Edelheit, 2019-09-19 This handbook and dictionary aims to provide the reader with a general overview of Zionist history and historiography to tabulate all data on Zionism and to gather in one source as many terms dealing directly or indirectly with Zionism and Jewish nationalism as possible Jewish Giving Jack Wertheimer, 2025-07-22 Evaluating Jewish donors over time The American Jewish philanthropic enterprise is unparalleled in scope dynamism and the diversity of funders and the causes they support Yet even as Jewish giving has been largely successful in responding with alacrity to emergencies it has been subjected to severe criticism What once was regarded as a point of pride has become the object of scorn and dismissal with skepticism if not harsh criticism about its work rife both within and outside Jewish communal circles Based on 320 interviews with professionals at Jewish not for profits across the United States principals of foundations and

their top staff personnel and also tax filings of major foundations Jewish Giving provides readers with fresh perspectives to evaluate the efforts of Jewish donors large and small The book traces the evolution of Jewish giving from the colonial era to the present charting the changing profile of those who give to Jewish causes and what funders have aimed to achieve through their largesse It makes the case that philanthropy serves as a prism through which broader themes in communal life are illuminated As society or politics change the priorities of charitable giving adjust in response These changes in targeted funding can help to sharpen our understanding of demographic and social patterns Devoting much attention to twenty first century developments in contemporary Jewish giving the book pays special attention to the changing landscape of donors who are remaking Jewish philanthropy including women Orthodox Jews Sephardi givers and young funders [The Dybbuk and the Yiddish Imagination](#) Joachim Neugroschel,2000-12-01 The most famous play in the Yiddish repertoire S Ansky s *The Dybbuk* has been made into two films and three operas and has been staged all over the world As an extraordinary product of the Yiddish imagination however its literary and religious roots have never been thoroughly explored With a new translation of Ansky s play that conveys its brilliant supernatural poetry this anthology comprises thirty highly diverse literary masterpieces dating from the sixteenth to the twentieth century Beginning with the first Yiddish tale about a possession 1602 these works influenced Ansky or formed a cultural and spiritual network that shows us how the era and tradition precipitated the drama The result is a literary mosaic that shows a vast array of styles from the earthy simplicity of homespun folk tales to the delicacy and elegance of polished literary expression Joachim Neugroschel brings together a wide variety of stories verse narratives and even modern melodrama many never before translated into English *The Maccab*©Ean ,1902 *Partner to Partition* Yosef Kats,1998 Formulated in 1937 38 the Jewish Agency Executive plan for partitioning Palestine though never implemented was not an isolated episode but had short and long term implications from the Jewish perspective **Zionism** Milton Viorst,2016-07-05 From serving as the Middle East correspondent for The New Yorker to penning articles for the New York Times Milton Viorst has dedicated his career to studying the Middle East Now in this new book Viorst examines the evolution of Zionism from its roots by serving as a cultural refuge for Europe s Jews to the cover it provides today for Israel s exercise of control over millions of Arabs in occupied territories Beginning with the shattering of the traditional Jewish society during the Enlightenment Viorst covers the recent history of the Jews from the spread of Jewish Emancipation during the French Revolution Era to the rise of the exclusionary anti Semitism that overwhelmed Europe in the late nineteenth century Viorst examines how Zionism was born and follows its development through the lives and ideas of its dominant leaders who all held only one tenet in common that Jews for the first time in two millennia must determine their own destiny to save themselves But in regards to creating a Jewish state with a military that dominates the region Viorst argues that Israel has squandered the goodwill it enjoyed at its founding and thus the country has put its own future on very uncertain footing With the expertise and knowledge garnered from decades of studying this contentious region Milton Viorst deftly
