

Religious Impact on the Nation State

Williams and Toyin Falola

Religious Impact On The Nation State

Anne Stensvold

Religious Impact On The Nation State:

Religious Impact on the Nation State Pat Williams, Toyin Falola, 1995 This text examines the link between religion and politics both at the level of theory and with specific reference to Nigeria The first part of the book focuses on major local issues and the second on how religion affects the country's relations The religious problem has become prominent not only for its recurrence but also for its intensity Nigeria itself is plural with innumerable religious groups although this need not be a problem if pluralism is used to promote freedom of association democracy and human rights It does become a problem if as this book notes religious groups make self centered demands on the state when the state succumbs to such demands or to blackmail and when public officers use religious groups and leaders for their own political survival *Research Anthology on Religious Impacts on Society* Management Association, Information Resources, 2020-07-21 Religion is considered by many to be something of the past but it has a lasting hold in society and influences people across many cultures This integration of spirituality causes numerous impacts across various aspects of modern life The variety of religious institutions in modern society necessitates a focus on diversity and inclusiveness in the interactions between organizations of different religions cultures and viewpoints *Research Anthology on Religious Impacts on Society* examines the cultural sociological economic and philosophical effects of religion on modern society and human behavior Highlighting a range of topics such as religious values social reforms and spirituality this publication is an ideal reference source for religious officials church leaders psychologists sociologists professionals researchers academicians and students *Religious Newcomers and the Nation State* Erik Sengers, Thijs Sunier, 2010 In recent years it has become clear that the integration of Islam into the political and social framework of European societies will be crucial to the successful future of the region This volume steps back from the often heated debates over the issue to view it in a wider context through historical and comparative analyses of the integration of religious minorities in the Netherlands and France In addition it broadens the scope of the question by focusing not only on Muslims but on Protestant and Catholic religious minorities as well **Edward Said and the Religious Effects of Culture** William D. Hart, William David Hart, 2000-04-13 This book provides a distinctive account of Edward Said's critique of modern culture by highlighting the religion secularism distinction on which it is predicated It refers to religious and secular traditions and to tropes that extend the meaning and reference of religion and secularism in indeterminate ways It covers Said's heterogeneous corpus from *Joseph Conrad and the Fiction of Autobiography* his first book to *Orientalism* his most influential book to his recent writings on the Palestinian question The religion secularism distinction lies behind Said's cultural criticism and his notion of intellectual responsibility **Religion, Conflict, and Democracy in Modern Africa** Samuel K. Elolia, 2012-03-02 Spanning various regions of Sub Saharan Africa the authors of this volume come together to explore the complex relationship between religion and democracy in contemporary Africa As a result of the end of the Cold War and the fall of the Soviet Union many African countries have come to the realization

however partial that political and social change is inevitable in spite of government heavy handedness and threats It has also become evident that no political system that refuses to permit freedom of political expression and alternative systems of governance could continue to be sustained It is in precisely this political climate that religious institutions have collaborated with other elements of civil society to call for political reforms with the church often becoming the prominent voice against oppressive governments in countries such as Kenya and South Africa It is the purpose of this book to assess how religion shapes political issues and to what extent religious forces influence the civil society By acknowledging the role of the civil society the essays recognize the resilience that comes out of Africa even when the sociopolitical situation seems unbearable

Religion, State and the United Nations Anne Stensvold, 2016-07-22 This volume approaches the UN as a laboratory of religious political value politics Over the last two decades religion has acquired increasing influence in international politics and religious violence and terrorism has attracted much scholarly attention But there is another parallel development which has gone largely unnoticed namely the increasing political impact of peaceful religious actors With several religious actors in one place and interacting under the same conditions the UN is as a multi religious society writ small The contributors to this book analyse the most influential religious actors at the UN including The Roman Catholic Church The Organisation of Islamic Countries the Russian Orthodox Church Mapping the peaceful political engagements of religious actors who they are and how they collaborate with each other whether on an ad hoc basis or by forming more permanent networks throwing light at the modus operandi of religious actors at the UN their strategies and motivations The chapters are closely interrelated through the shared focus on the UN and common theoretical perspectives and pursue two intertwined aspects of religious value politics namely the whys and hows of cross religious cooperation on the one hand and the interaction between religious actors and states on the other Drawing together a broad range of experts on religious actors this work will be of great interest to students and scholars of Religion and Politics International Relations and the UN

The Impact of Religion, Personality, Values and Worldviews on Attitudes Towards Human Rights Modestus Chiedozie Adimekwe, 2024-09-04 This book provides a rigorous investigation into the adoption and culture of human rights in Nigeria with a focus on the human rights attitudes of Nigerian students Exploring the perceived paradox of enthusiastic endorsement of human rights instruments and their poor application in Nigeria the author uses an empirical theological research design to understand how young people in Nigeria evaluate human rights and which factors trigger their evaluation In doing so this book is the first to empirically examine the predictors of human rights attitudes among Nigerians and provides new insights into the degree of social significance of the religiosity of adolescents in the country It also offers a compelling quantitative analysis differences in human rights attitudes among Nigerian youth along religious lines Given the importance of a culture of human rights in our increasingly diverse societies and the salience of religion on this matter in Nigeria and across the African continent this book provides a valuable perspective on the interrelationships between religion value orientations personality traits socio

political context and human rights Being concerned with the future of human rights in Nigeria the author argues that it is crucial to understand the religious factor among Nigerian students today This book is therefore recommended to educators especially teachers of Religion Education and scholars working in educational settings but will also be of interest to researchers in social sciences public administrators and policymakers

Understanding Religion Paul Michael Hedges, 2021-02-16 A cutting edge introduction to contemporary religious studies theory connecting theory to data This innovative coursebook introduces students to interdisciplinary theoretical tools for understanding contemporary religiously diverse societies both Western and non Western Using a case study model the text considers A wide and diverse array of contemporary issues questions and critical approaches to the study of religion relevant to students and scholars A variety of theoretical approaches including decolonial feminist hermeneutical poststructuralist and phenomenological analyses Current debates on whether the term religion is meaningful Many key issues about the study of religion including the insider outsider debate material religion and lived religion Plural and religiously diverse societies including the theological ideas of traditions and the political and social questions that arise for those living alongside adherents of other religions Understanding Religion is designed to provide a strong foundation for instructors to explore the ideas presented in each chapter in multiple ways engage students in meaningful activities in the classroom and integrate additional material into their lectures Students will gain the tools to apply specific methods from a variety of disciplines to analyze the social political spiritual and cultural aspects of religions Its unique pedagogical design means it can be used from undergraduate to postgraduate level courses

Politicization of Religion, the Power of State, Nation, and Faith G. Ognjenovic, J. Jozelic, Gorana Ognjenovi?, Jasna Jozeli?, 2014-12-16 Abuse of religion as a political means to an end the achievement of nationalist political goals analyzing how through which mechanisms this phenomenon has been and still is practiced in South Eastern Europe

Religion and Inequality in America Lisa A. Keister, Darren E. Sherkat, 2014-07-10 Examines how social inequality is affected by religious beliefs and affiliation with contributions in the fields of religion and sociology

Beyond the Nation-State David H. Kamens, 2012-02-17 Examines the effects of education in creating global citizens who share a world culture This title also examines the role of education in diffusing such attitudes and models as global citizens confront national institutions

The Oxford Handbook of the Welfare State Francis G. Castles, Stephan Leibfried, Jane Lewis, Herbert Obinger, Christopher Pierson, 2012-09-06 The Oxford Handbook of the Welfare State is the authoritative and definitive guide to the contemporary welfare state In a volume consisting of nearly fifty newly written chapters a broad range of the world's leading scholars offer a comprehensive account of everything one needs to know about the modern welfare state The book is divided into eight sections It opens with three chapters that evaluate the philosophical case for and against the welfare state Surveys of the welfare state's history and of the approaches taken to its study are followed by four extended sections running to some thirty five chapters in all which offer a comprehensive and in depth survey of our current state of knowledge across the whole

range of issues that the welfare state embraces The first of these sections looks at inputs and actors including the roles of parties unions and employers the impact of gender and religion patterns of migration and a changing public opinion the role of international organisations and the impact of globalisation The next two sections cover policy inputs in areas such as pensions health care disability care of the elderly unemployment and labour market activation and their outcomes in terms of inequality and poverty macroeconomic performance and retrenchment The seventh section consists of seven chapters which survey welfare state experience around the globe and not just within the OECD Two final chapters consider questions about the global future of the welfare state The individual chapters of the Handbook are written in an informed but accessible way by leading researchers in their respective fields giving the reader an excellent and truly up to date knowledge of the area under discussion Taken together they constitute a comprehensive compendium of all that is best in contemporary welfare state research and a unique guide to what is happening now in this most crucial and contested area of social and political development

Understanding Modern Nigeria Toyin Falola, 2021-06-24 Since its independence from Britain in 1960 Nigeria has emerged as Africa's second largest economy and one of the biggest producers of oil in the world Despite its economic success however there are deep divisions among its two hundred and fifty ethnic groups Centered around three of the dominant themes of Nigeria's post colonial narrative ethnicity democracy and governance this is an accessible and comprehensive introduction to the history and events that have shaped these three areas World renowned expert in Nigerian history Toyin Falola shows us how the British laid the foundations of modern Nigeria with colonialism breeding competition for resources and power and the widening cleavages between the Hausa Fulani Yoruba and Igbo ethnic groups that had been forced together under British rule the choice of federalism as a political system and the religious and political pluralism that have shaped its institutions and practices Using an examination of the outcomes of this history manifested in hunger violence poverty human rights violations threats of secession and corruption where power and resources are used to reproduce underdevelopment Falola offers insights and recommendations for the future of policy and the potential for intervention in the country

Religion and Nation-state Formation in Melanesia Graham Hume Hassall, 1990 Religion in the Market Era François Gauthier, 2025-05-30 This book aims to expand the limits of the social scientific study of religion and define a coherent model of recent global transformations of religion challenging the paradigm of secularisation and post secularisation Using a wide ranging selection of case studies including global Islam post Soviet Eastern Europe and China the author argues that since the 1980s religion has been dramatically shaped around the world by neoliberalism and consumerism Providing a global macro level history of how religion has changed in the past four decades this book contends that the rise of economics as a dominant social sphere is central to understanding the ongoing changes in contemporary world religions

Advanced Introduction to Law and Religion Frank S. Ravitch, 2023-01-20 This Advanced Introduction explores the difficulty of defining religion and the subsequent impact this has on creating laws which regulate and protect it

Taking a global comparative approach Frank S Ravitch guides the reader through how this unique interaction plays out in differing legal systems including in the U S Europe and Asia Providing further context by contrasting specific case studies the book provides a rounded and coherent exploration of the complexities of law in relation to religion **Displacement and the Politics of Violence in Nigeria** Paul Ellsworth Lovejoy,Pat Ama Tokunbo Williams,1997 This volume examines the religious ethnic and class basis of political insecurity in Nigeria that has resulted in the maintenance of military rule in the 1990s Political repression and secular strife have made it difficult for the democratic opposition to end military dictatorship

Religion, Conflict and Peace in Sri Lanka Jude Lal Fernando,2013 A detailed and original work on a specific conflict A useful platform for wider insights into the requirements of conflict resolution and peacebuilding processes more generally Dr Iain Atack International Peace Studies Irish School of Ecumenics Trinity Coll Dublin A very valuable contribution to the history and the sociology of Sri Lanka and also to the search for a just solution for the Tamils Francois Houtart Professor Emeritus Catholic U of Louvain The author s mastery of Sinhala Tamil and English has given him a special cultural competence to analyse the Sri Lankan conflict within a geopolitical setting Peter Schalk Professor Emeritus Uppsala U A challenging contribution to an ongoing critical examination of the connection between state and religion Prof Dr Lieve Troch Cultural and Religious Sciences UMESP Sao Paulo Series Theology Ethics and Interreligious Relations Studies in Ecumenics Vol 2 **From Empire to Nation State** Yan Sun,2020-09-17 A historical political perspective on China s contemporary ethnic strife caused by its incomplete transition from empire to nation state *The Oxford Handbook of the Welfare State* Daniel Béland,Kimberly J. Morgan,Herbert Obinger,Christopher Pierson,2021-10-27 This is the comprehensively revised second edition of a volume that was welcomed at its first appearance as the most authoritative survey and critique of the welfare state yet published Its fifty one chapters have been written by acknowledged experts in the field from across Europe Australia and North America Some chapters are brand new all have been systematically revised and they are right up to date The first seven sections of the book cover the themes of Ethics History Approaches Inputs and Actors Policies Policy Outcomes and Worlds of Welfare A final chapter is devoted to the future of welfare and well being under the imperatives of climate change Every chapter is written in a way that is both comprehensive and succinct introducing the novice reader to the essentials of what is going on while providing new insights for the more experienced researcher Wherever appropriate the handbook brings the very latest empirical evidence to bear It is a book that is thoroughly comparative in every way The Oxford Handbook of the Welfare State second edition is a comprehensible and comprehensive survey of everything that it is important to know about the welfare state in these troubled times It is an indispensable source for everyone who wants to know what is really going on now and what is likely to happen next

Religious Impact On The Nation State Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Religious Impact On The Nation State PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Religious Impact On The Nation State PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal

boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Religious Impact On The Nation State free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.
