PERRY T. HAMALIS and VALERIE A. KARRAS

Religious Perspectives On War Christia

J. P. Moreland, David M. Ciocchi

Religious Perspectives On War Christia:

Religious Perspectives on War David R. Smock, 2002 If when why and how to fight a war In the case of the Gulf War that debate encompassed three faiths Christianity Islam and Judaism and the debate has acquired new dimensions in the aftermath of the September 11 attacks and the war on terrorism In this volume Jews Muslims and Christians with very diverse views address such issues as the just war doctrine explaining their differences and finding often surprising common ground This new edition reprints the full text of the first edition A new preface describes the differences and similarities between the Gulf War and the war against al Qaeda Taliban Also included is an introduction explaining the just war doctrine a glossary of terms and an expanded and updated Suggestions for Further Reading Orthodox Christian Perspectives on War Perry T. Hamalis, Valerie A. Karras, 2017-12-15 Many regions of the world whose histories include war and violent conflict have or once had strong ties to Orthodox Christianity Yet policy makers religious leaders and scholars often neglect Orthodoxy's resources when they reflect on the challenges of war Through essays written by prominent Orthodox scholars in the fields of biblical studies church history Byzantine studies theology patristics political science ethics and biology Orthodox Christian Perspectives on War presents and examines the Orthodox tradition's nuanced and unique insights on the meaning and challenges of war with an eye toward their contemporary relevance This volume is structured in three parts Confronting the Present Day Reality Reengaging Orthodoxy's Tradition and Constructive Directions in Orthodox Theology and Ethics Each exemplifies the value of interdisciplinary reflection on war and the potential for the Eastern Orthodox tradition to enhance ecumenical and interfaith discussions surrounding war in both domestic and international contexts The contributors do not advance a single account of the meaning of war or a comprehensive and normative stance purporting to be the Orthodox Christian teaching on war Instead this collection presents the breadth and depth of Orthodox Christian thought in a way that engages Orthodox and non Orthodox readers alike In addition to offering fresh resources for all people of good will to understand prevent and respond faithfully to war this book will appeal to Christian theologians who specialize in ethics to libraries of academic institutions and to scholars of war peace studies international relations and Orthodox thought Contributors Peter C Bouteneff George Demacopoulos John Fotopoulos Brandon Gallaher Perry T Hamalis Valerie A Karras Alexandros K Kyrou Aristotle Papanikolaou Elizabeth H Prodromou Nicolae Roddy James C Skedros Andrew Walsh and Gayle E Woloschak

Religious Perspectives on War David R. Smock, 1992 If when why and how to fight a war In the case of the Gulf War that debate encompassed three faiths Christianity Islam and Judaism and the debate has acquired new dimensions in the aftermath of the September 11 attacks and the war on terrorism In this volume Jews Muslims and Christians with very diverse views address such issues as the just war doctrine explaining their differences and finding often surprising common ground

Religion, Conflict and Military Intervention Rosemary Durward, 2016-04-08 For many years religion has been the neglected component of international relations and yet in an age of globalization and terrorism

religious identity has become increasingly important in the lives of people in the West as well as the developing world The secularization thesis has been overtaken by an increased desire to understand how religious actors contribute to both conflict and the resolution of conflict This volume brings an exciting new perspective with fresh ideas and analyses of the events shaping conflict and conflict resolution today The book uniquely combines chapters highlighting Christian and Islamist theological approaches to understanding and interpreting conflict as well as case studies on the role of religion in US foreign policy and the Iraq war with religious perspectives on building peace once conflicts are resolved The volume provides an ideal starting point for anyone wishing to gain a deeper understanding of the religious character of conflict in the twenty first century and how such conflict could be resolved

Christian Attitudes to War, Peace, and Revolution John Howard Yoder, Theodore J. Koontz, Andy Alexis-Baker, 2009-04 One of the most important thinkers on just war and pacifism describes analyzes and evaluates various patterns of thought and practice in Western Christian history

Christian Perspectives on Politics J. Philip Wogaman, 2000-01-01 Minister Wogaman updates his comprehensive discussions on the meaning and importance of politics the history of Christian political thought and church state relations the legislation of social morality and criminal justice issues

Introducing Christian Ethics Samuel Wells, Ben Quash, 2017-05-08 Introducing Christian Ethics 2e now thoroughly revised and updated offers an unparalleled introduction to the study of Christian Ethics mapping and exploring all the major ethical approaches and offering thoughtful insights into the complex moral challenges facing people today This highly successful text has been thoughtfully updated based on considerable feedback to include increased material on Catholic perspectives further case studies and the augmented use of introductions and summaries Uniquely redefines the field of Christian ethics along three strands universal ethics for anyone subversive ethics for the excluded and ecclesial ethics for the church Encompasses Christian ethics in its entirety offering students a substantial overview by re mapping the field and exploring the differences in various ethical approaches Provides a successful balance between description analysis and critique Structured so that it can be used alongside a companion volume Christian Ethics An Introductory Reader which further illustrates and amplifies the diversity of material and arguments explored here

Being Christian After the Desolation of Gaza Bruce Norman Fisk, J. Ross Wagner, 2025-08-12 What explains the fervent support among America s Christians for Israel s murderous assault on Gaza s Palestinians Dying children cry beneath the rubble doctors testify to atrocities journalists and medics face sniper fire experts cry genocide Jewish Americans decry Israel s ethnic cleansing protesting college students jeopardize their careers Yet millions of Americans who profess allegiance to Jesus continue defending the desolation of Gaza or refuse to speak against it In these essays you will read stories and hear cries from Christians American Latin American Jewish Palestinian who have spent years listening laboring and praying for a durable equitable peace between Palestinians and their Jewish neighbors Their perspectives have formed over years in the land through lingering encounters hard conversations and troubling personal experiences Disagree with them if you must but first

hear them out and consider why so many of Israel's Christian partisans have confused a love for the Jewish people with a defense of the apocalypse Israel has unleashed since October 7 2023 It may be too late to save Gaza's millions from starvation amputation displacement and death Is it too late to repent of our complicity Too late to save our own souls How should we be Christian after the desolation of Gaza Chapter contributors Mercy Aiken Yousef Kamal AlKhouri Daniel Bannoura Donald D Binder Gary M Burge David M Crump Rob Dalrymple Anton Deik Bruce N Fisk Suzanne Watts Henderson Lisa Loden Lamma Mansour Amy Yoder McGloughlin Benjamin Norquist Ruth Padilla DeBorst and J Ross Wagner

Departments of Labor, Health and Human Services, Education, and Related Agencies Appropriations for 1995:

Related agencies United States. Congress. House. Committee on Appropriations. Subcommittee on the Departments of Labor, Health and Human Services, Education, and Related Agencies,1994 *Enemy Combatants, Terrorism, and Armed Conflict Law* David K. Linnan,2008-01-30 With a renewed emphasis on national and homeland security the United States is once again seeking to balance the needs of the state with both the rights of its citizens as well as those of other nations This book represents an interdisciplinary approach to the legal dilemmas borne out by the war on terror against the specific background of Afghanistan Iraq and this new kind of conflict It is a strong contribution to a broader debate visible since 9 11 which will remain in the public eye for the foreseeable future It addresses the overlap between religion ethics armed conflict and law within the context of the current conflict While many issues in areas such as intelligence reconciliation of civil liberties dealing with terrorist threats and the permissible bounds of interrogation treatment of prisoners and laws governing armed conflict have long standing precedents under domestic and international law this war has challenged even long standing legal interpretations The contributors to this volume explore those precedents and contemporary challenges to them Now that traditional wars between nation states are no longer the rule the terrorist threat has gained credence popularly terrorism and its claimed breeding ground in failed states linked in practice to issues of intervention on the territory of states harboring such groups In military circles the idea of armed struggle between modern military forces and what were formerly called guerillas has now largely been replaced by asymmetric warfare and the concept of intelligence and preventive action interchangeably within U S borders and overseas Opposing views contemplate that different and presumably lower legal standards may apply in internal armed conflicts Such legal issues are visible under current circumstances of asymmetric warfare in conjunction with questions about prisoner status and detentions including the permissible bounds of interrogation versus torture following the Abu Ghraib prison scandal in Iraq but also the treatment at the Guantanamo Bay facility of alleged Al Qaeda captives from Afghanistan All of the contributors in this book explore the changing circumstances against which these contentious new legal issues now unfold The experts strike no consensus Indeed one of the work's many strengths can be attributed to the fact that the many facets of the ongoing debate are represented herein *The Living Church* ,1967 *Forgiveness & Reconciliation* Raymond G. Helmick,Rodney Petersen,2018-01-24 This

book brings together a unique combination of experts in conflict resolution and focuses on the role forgiveness can play in the process. It deals with theology, public policy, psychological and social theory and social policy implementation of forgiveness. This book is essential for libraries, scholars, conflict negotiators and all people who hope to understand the role of forgiveness in the peace process. The book's first section explores how ideas like forgiveness and reconciliation are moving out from the seminary and academy into the world of public policy and how these terms have been used and defined in the past. The second section looks at forgiveness and public policy. One of the chapters by Donald W. Shriver Jr. addresses forgiveness in a secular political forum. The third section of the book draws us to a more thorough analysis of the relationship between forgiveness and reconciliation from voices in the academic and theological community and the final section highlights the work of practitioners currently working with religion, public policy and conflict transformation particularly in areas such as Ireland and Africa. Contributors include Desmond M. Tutu, Rodney L. Petersen, Miroslav Volf, Stanley S. Harkas, Raymond G. Helmick, S.J., Joseph V. Montville, Douglas M. Johnston, Donna Hicks, Donald W. Shriver Jr., Everett L. Worthington Jr., John Paul Lederach, Ervin Staub, Laurie Anne Pearlman, John Dawson, Audrey R. Chapman, Olga Botcharova, Anthony da Silva, S.J., Geraldine Smythe, O.P., Andrea Bartoli, Ofelia Ortega and George F. R. Ellis. *The United States Institute of Peace Journal*, 1993-10. *A Reader in Sociology; Christian Perspectives* Charles P. De Santo, Calvin Redekop, William L. Smith-Hinds, 2001-03-07. *A History of Christianity in the United States and Canada* Mark A. Noll, 1992-08-11. Author Mark Noll presents the unfolding drama of American Christianity with accuracy and skill from the first European settlements to ecumenism in the late 20th Century. This work has become a standard in the field of North American religious history.

Christian Nationalism in the United States Mark T. Edwards, 2018-07-05. This book is a printed edition of the Special Issue Christian Nationalism in the United States that was published in *Religions*. *Christian Perspectives on Being Human* J. P. Moreland, David M. Ciochi, 2015-01-26. While there is a unity to truth from God's perspective there are nevertheless many different ways of knowing, studying and defining that truth. Thus the task of integration is the task of relating theology and other disciplines in such a way that one articulates and defends a comprehensive unified Christian worldview. *Christian Perspectives on Being Human* is a vital step in that essential process of integration. In this unique anthology colleagues from various departments at Biola University undertake an important multidisciplinary approach to integration. J. P. Moreland and David Ciochi represent philosophy in this discussion. Robert Saucy, theology. Sherwood Lingenfelter, anthropology. Nancy Duvall and Keith Edwards, psychology. Walt Russell and Scott Rae, New Testament and medical ethics and Klaus Issler, Christian education. *War, Peace, and Violence: Four Christian Views* Paul Copan, 2022-09-13. In a world of war, terrorism and constant threats to global stability, how should Christians honor Jesus Christ? Four experts in Christian ethics, political philosophy and international affairs present four different views of just war, nonviolence, Christian realism and church history, orienting readers to today's key positions. **Religion and War from Antiquity to Early Modernity** Irene Polinskaya, Alan

James, Ioannis Papadogiannakis, 2024-11-28 Responding to the profound challenges of our times this book provides a comparative and cross cultural exploration of the role of religion in war in a long historical perspective from the second millennium BCE and even earlier up to early modernity Individual chapters focus on the ancient Near East the Mediterranean basin Europe and North Africa Widely diverse case studies explore the historic link between the conduct of war and the growing complexity of human society conditioned by the ownership of ideological authority The book explores how in most historical societies this authority was religious Written by experts from different disciplinary perspectives the volume challenges common assumptions about the historical relationship between religion and war and extends our understanding of the dangers and complexities of today s world

Christian Perspectives on the Role of the State, Justice, and Taxation Robert F. van Brederode, 2025-07-19 This book Christian Perspectives on the Role of the State Justice and Taxation examines the historical and ongoing influence of Christian ethical thought on taxation governance and distributive justice Building on themes introduced in Political Philosophy and Taxation Springer 2022 which focused on secular perspectives this sequel shifts attention to the contributions of Christian thinkers from Medieval times to the present The book explores key questions surrounding the role of the state the relationship between the state and its subjects the moral right to tax and what constitutes fairness in taxation It investigates how Christian ethical teachings have shaped Western political philosophy particularly in the context of distributive justice and evaluates their relevance in contemporary discussions By analyzing the intersection of theology ethics and political philosophy this book provides a deeper understanding of how Christian traditions have influenced historical notions of justice fairness and governance It offers insights into how these principles can inform modern policy debates and ethical considerations in taxation This book serves as a valuable resource for scholars students and professionals interested in religious ethics political philosophy and public policy It invites readers to reflect on the enduring impact of Christian thought on concepts of justice and the responsibilities of the state

Religious Perspectives On War Christia Introduction

In the digital age, access to information has become easier than ever before. The ability to download Religious Perspectives On War Christia has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Religious Perspectives On War Christia has opened up a world of possibilities. Downloading Religious Perspectives On War Christia provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Religious Perspectives On War Christia has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Religious Perspectives On War Christia. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Religious Perspectives On War Christia. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Religious Perspectives On War Christia, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from.

In conclusion, the ability to download Religious Perspectives On War Christia has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Religious Perspectives On War Christia Books

1. Where can I buy Religious Perspectives On War Christia books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
