Religious Views of Abraham Lincoln Orrin Henry Pennell, 1894

Pennell, 2014-03-29 This Is A New Release Of The Original 1899 Edition

Religious Views of Abraham Lincoln (Classic Reprint) Orrin Henry Pennell, 2015-06-29 Excerpt from Religious Views of Abraham Lincoln The author feels that no apology is needed in giving out this booklet to the public For seven years he has sought to lay under tribute everything which might give light upon the subject herein discussed He has received a letter from Hon Robert Lincoln which confirms many statements contained in this work Much could be said of the claims made by Spiritualists in insisting that Lincoln looked with favor upon their peculiar doctrine Likewise the Universalists have come in to announce that Mr Lincoln threw out friendly glances at them The author has sufficient material upon the religious glimpses of Lincoln to fill a five hundred page volume Had the book been swelled to a full grown work the price would have limited its sale and many would never read it because of its size The author feels that confining the matter in these humble limits will do more in enlightening people in regard to what Mr Lincoln believed in spiritual things than in a more pretentious work He has been compelled to waive the discussions and claims made by exponents of different doctrines and devote the entire work to the question whether Abraham Lincoln was a Christian or an Atheist No thought of money making has prompted the attempt to give out this work The price has been placed at such a figure to assure neither loss nor gain to the writer Hoping that by placing our ear near the heart of our great martyr we may be able to hear him sing his songs in the night About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

Abraham Lincoln B Remsburg John, B. Remsburg John, 2023-12 Abraham Lincoln Was He a Christian is an idea upsetting ebook authored by means of John B Remsburg in 1893 This debatable paintings demanding situations the extensively ordinary notion that Abraham Lincoln the 16th President of the United States changed into a religious Christian Instead Remsburg gives a compelling argument that Lincoln s religious convictions had been at nice ambiguous and that he might also have learned in the direction of atheism or skepticism Remsburg supports his thesis by means of carefully inspecting Lincoln s speeches writings and personal correspondence He scrutinizes various elements of Lincoln s lifestyles highlighting instances in which Lincoln expressed doubts about traditional religious doctrines and beliefs The e book raises questions about the extent to which Lincoln s private beliefs encouraged his political decisions and actions all through a pivotal period in American history

Religious Views of Abraham Lincoln Orrin Henry

Religious Views of Abraham Lincoln (Classic

Abraham Lincoln Was He a Christian provoked sizeable debate all through its time and continues to be a topic of debate Remsburg's paintings challenges the traditional narrative of Lincoln as a religious Christian dropping light at the complexities of Lincoln's faith and the ambiguity surrounding his non secular views John B Remsburg's determination to reevaluating ancient debts and his willingness to challenge mounted ideals made this book a sizable contribution to the continued communicate about the religious ideals of certainly one of America's maximum revered presidents

Religious Views of Abraham Lincoln; Volume 1 Orrin Henry Pennell, 2023-07-18 This book provides an in depth analysis of Abraham Lincoln's religious beliefs and how they informed his political and personal decisions The author draws on primary sources including Lincoln's own writings and speeches to paint a nuanced portrait of this pivotal figure in American history This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant

Abraham Lincoln: Was He a Christian? John B. Remsburg, **Lincoln and Religion** Ferenc Morton Szasz, Margaret Connell Szasz, 2014-03-14 Abraham Lincoln's faith has commanded more broad based attention than that of any other American president Although he never joined a denomination Baptists Presbyterians Quakers Episcopalians Disciples of Christ Spiritualists Jews and even atheists claim the sixteenth president as one of their own In this concise volume Ferenc Morton Szasz and Margaret Connell Szasz offer both an accessible survey of the development of Lincoln's religious views and an informative launch pad for further academic inquiry A singular key to Lincoln's personality especially during the presidential years rests with his evolving faith perspective After surveying Lincoln's early childhood as a Hard Shell Baptist in Kentucky and Indiana the authors chronicle his move from skepticism to participation in Episcopal circles during his years in Springfield and finally after the death of son Eddie to Presbyterianism They explore Lincoln's relationship with the nation's faiths as president the impact of his son Willie's death his adaptation of Puritan covenant theory to a nation at war the role of prayer during his presidency and changes in his faith as reflected in the Emancipation Proclamation and his state papers and addresses Finally they evaluate Lincoln's legacy as the central figure of America's civil religion an image sharpened by his prominent position in American currency A closing essay by Richard W Etulain traces the historiographical currents in the literature on Lincoln and religion and the volume concludes with a compilation of Lincoln's own words about religion In assessing the enigma of Lincoln's Christianity the authors argue that despite his lack of church membership Lincoln lived his life through a Christian ethical framework His years as president dominated by the Civil War and personal loss led Lincoln to move into a world beholden to Providence 2015 ISHS Superior Achievement Award

Abraham Lincoln's Religion Stephen J. Vicchio, 2018-03-23 This work is a summary and analysis of Abraham Lincoln's religion. This study begins with a description of the earliest relations Mr Lincoln had with religion: his parents' dedication to a sect known as the Separate Baptists. By late adolescence, Lincoln began to reject his parents' faith, and he appears to have been a religious skeptic until his marriage to Mary Todd. After his marriage, he attended Protestant services with his wife and family, but there was little evidence that he was deeply religious in that time. Lincoln knew the Scriptures quite well, but it was not until the death of his two sons, Eddie in 1850 and Willie in 1862, that as the sixteenth president, he became more intensely concerned with God's Plan for humankind.

Abraham Lincoln John E. Remsburg, 2008-06-01 This scarce antiquarian book is a facsimile reprint of the original. Due to its age, it may contain imperfections such as marks, notations, marginalia, and flawed pages. Because we believe this work is culturally important, we have made it available as part of our commitment for protecting, preserving, and promoting the world's literature in affordable, high-quality modern editions that are true to the original work.

Abraham Lincoln's Religion Madison Clinton Peters, 2019-12-20 In *Abraham Lincoln's Religion*, Madison Clinton Peters undertakes a meticulous examination of the spiritual life and beliefs of one of America's most iconic presidents. Utilizing a myriad of primary sources, including personal letters, speeches, and accounts from close associates, Peters explores the evolution of Lincoln's faith amidst the tumult of the Civil War. The book's eloquent prose and insightful analysis situate Lincoln's religious sentiments within a broader literary and philosophical context, echoing the uncertainties of a nation grappling with its moral compass. Peters' approach brings a compelling depth to Lincoln's public and private struggles with faith, making the text an invaluable resource for both historians and casual readers alike. Madison Clinton Peters, a prominent scholar of American history and religion, has dedicated his career to unraveling the complex interplay between faith and leadership in American society. His extensive background in theology and history provides him with a unique lens through which he interprets Lincoln's beliefs, shaped by personal loss and societal upheaval. Peters draws on the rich tapestry of 19th-century American thought, allowing readers to appreciate the profound impact of faith on Lincoln's presidency. This book is a must-read for anyone interested in understanding how Lincoln's unique religious views influenced his decision-making and leadership style. It is not only a scholarly work but also a poignant reflection on the role of faith in times of great national strife, encouraging readers to consider the eternal questions of morality and purpose that resonate through history.

The Religious Beliefs of Abraham Lincoln Kenneth Jay Wilson, 1978

Abraham Lincoln's Political Faith Joseph R. Fornieri, 2005 At Gettysburg, Lincoln resolved that this nation under God would not perish, and in his Second Inaugural, he called for firmness in the right as God gives us to see the right. How are we to understand these and other invocations of divine authority in the speeches and writings of America's most admired president? Exploring Lincoln's unique blending of religion and politics, Fornieri shows that Lincoln presented a comprehensive and compelling interpretation of political order founded upon American democratic and religious traditions. Proslavery theologians based their claims to

legitimacy on Scripture but Lincoln denounced this position as incompatible with true religion reason and republicanism He envisioned instead a united nation that would honor both God and American political principles Fornieri casts Lincoln s unique combination of politics and piety as biblical republicanism a merging of Judeo Christian beliefs and the founders tradition of self government In a time of unprecedented crisis and upheaval biblical republicanism provided Lincoln with a moral justification for difficult political choices Fornieri demonstrates the sincerity of Lincoln s belief and reveals the remarkable consistency between his public and private religious views Though Lincoln s faith deepened during the turbulent war years and after the death of his son Willie his articulation of this faith remained consistent throughout much of his life Convinced that religion was a crucial aspect of life Lincoln maintained that his own faith guided and shaped his political thought In contrast to scholars who have emphasized the Lyceum Address as the key to understanding Lincoln s religion and politics Fornieri brings forth the Peoria Address of 1854 as a more profound and mature reflection of Lincoln s political faith At Peoria Lincoln invoked the Declaration of Independence as the nation s moral covenant characterizing the struggle over extending slavery as a clash between rival political faiths He emphasized that the Union was worthy of preservation in light of the Declaration s principles of liberty and equality and that these principles were best secured under the auspices of national Union committed to the Constitution Abraham Lincoln s Political Faith sheds new light on how the Great

Emancipator s personal trust in a living God shaped his vision for a new America **List of Books and Magazine Articles on Abraham Lincoln, 16th President of the United States ...** Chicago Public Library,1909 **Abraham Lincoln: Was He a Christian?** John B. Remsburg,2015-10-20 Especially recommended to all persons interested in the religious views of Lincoln because of the clear and complete manner in which Mr Remsburg gives the evidence of both sides The Free Thought Magazine Volume 19 1901 Do men gather grapes of thorns or figs of thistles The Atlantic Monthly Volume 73 1894 One of the most noted controversies of the century has been waged over the question of Abraham Lincoln s religious belief Soon after the remains of America s most illustrious son were laid to rest at Springfield one of his biographers Dr Holland put forward the claim that he was a Christian The claim was promptly denied by the dead statesman s friends but only to be renewed again and again denied And thus for a quarter of a century the question of Lincoln s belief has been tossed like a battledore from side to side For fifteen years Mr Remsburg has been collecting material for his work He presents an array of testimony that is irresistible and overwhelming and which must put this question at rest forever In addition to the testimony of twenty witnesses who claim that Lincoln was a Christian and which is reviewed and refuted he adduces the testimony of more than a hundred witnesses in proof of the claim that Lincoln was not a Christian These witnesses include his wife and other relatives his three law partners his private secretaries members of his cabinet his principal biographers and scores of his most intimate friends Abraham Lincoln , **Lincoln's Christianity** Michael Burkholder,2007 The Changing Role of Faith in the Life of the Sixteenth President of the United States How do we reconcile the young religious skeptic with the

mature president who so profoundly invested the Civil War with religious significance Lincoln's religious views difficult to recover interpret and disentangle from past and present biases are the subject of this brief survey Journal of American History Michael Burkimer examines the history of the president's interaction with religion accounts from those who knew him his own letters and writings the books he read to reveal a man who did not believe in orthodox Christian precepts and might have had a hard time getting elected today yet by his example was a person and president who most truly embodied Christian teachings

Abraham Lincoln's Faith Based Leadership G. Fox, 2005-04-14 NEW INSIGHT into the character beliefs and motivations of Abraham Lincoln is given in this well researched study the first major work on our martyred President's religion to appear in almost four decades It is particularly fitting that it should be published in the 150th anniversary year of his birth The volume traces Lincoln's religious development from his youth and shows the evolution of his faith as mirrored in his religious philosophy as he grows older and more mature It pictures his early attitude towards the Bible and his later faith in and dependence upon it his utter disbelief in dogmas and rituals his deep belief in prayer and his naive concern with dreams visions and forebodings While he was not a dogmatic Christian Dr G George Fox writes he was still a deeply religious man in the broader sense of the word He felt keenly that the lives and destinies of nations and men were directed by God Almighty He believed that God guided inspired and directed him and that the means of communication between God and man was prayer He was certain that the Maker was always near him and he had an ineradicable will to be on the side of God who to him was always in the right He believed that God was the Father of all men and therefore all men were brothers The author also writes that Lincoln's deep and sometimes naive faith in prayer was born of his feeling of nearness to God his profound sense of justice and his immeasurable trust in the ultimate victory of righteousness These were the three religious essentials he concludes which armed him with an unflinching faith that the nation which was on the side of God and he believed this nation would ultimately be victorious The avowed aims of this illuminating work are to disclose the sources of our sixteenth President's religion and religious inspiration to confirm the proposition that he was a religious man par excellence The aims are admirably achieved and in addition the book sheds new light on some of the many facets in the personality of one of our nation's immortals

The Inspired Wisdom of Abraham Lincoln Philip L. Ostergard, 2011-09-23 Not long after Lincoln's assassination the debate began Was Lincoln a committed Christian or a confirmed skeptic Scholar Philip Ostergard provides the answer with a thorough study of the president's references to God the Bible and Christian principles in his letters and speeches The Inspired Wisdom of Abraham Lincoln illustrates the depth of Lincoln's knowledge of Scripture the Bible's influence on his character and the development of his faith particularly as he wrestled with the issue of slavery and led the nation through the tumultuous years of the Civil War Readers will find this a fascinating and inspiring handbook of answers to the questions about one of our greatest presidents
