

Reliquae Antiquae

Eric Rasmussen

Reliquae Antiquae:

Reliquiae Antiquae Thomas Wright, 1845 An Historical Syntax of the English Language F.Th. Visser, 2023-05-08
Frederik Theodor Visser's An Historical Syntax of the English Language published in four massive volumes between 1963 and 1973 is certainly one of the cornerstones of research in English linguistics. Visser's achievements can hardly be overestimated. Before the advent of modern corpus linguistics he compiled a remarkable wealth of detailed philological data from all periods of English and combined this with current grammatical analyses of his time. This has made this publication an indispensable resource for anyone investigating the history of English syntax. This reproduction of Visser's volumes is more than welcome and timely as the volumes have been out of print for quite some time and were sometimes a little bit difficult to navigate. Having a searchable and easy to use online version although maybe not perfect available now means a revival for scholarship that celebrates its fiftieth birthday without losing any of its relevance. **Proceedings of the Newcastle-upon-Tyne Conference, 1985** Peter R. Coss, Simon D. Lloyd, 1986 Set to become an indispensable series for anyone who wishes to keep abreast of recent work in the field. **WELSH HISTORY REVIEW** *Hesperia* Marie Loretto Lilly, 1919 *Schriftlichkeit im frühen Mittelalter* Ursula Schaefer, 1993 **The City of Scholars** Margarete Zimmermann, Dina De Rentiis, 2010-11-22 No detailed description available for **The City of Scholars** **A Guide to the Study of Medieval History for Students, Teachers, and Libraries** Louis John Paetow, 1917 **Anglistische Forschungen** May Lansfield Keller, 1906 **The Georgic** Marie Loretto Lilly, 1919 **The Fourteenth-century Sheriff** Richard Gorski, 2003 A study of the careers of over 1200 sheriffs appointed in England during the fourteenth century.

References for Students of Miracle Plays and Mysteries Francis Hovey Stoddard, 1887 Supplement to the Report of the secretary of the Board of regents I Histories essays and works for reference II Editions of plays not English III Mysteries and miracle plays in England IV Table of extant English mysteries *The Shakespeare Thefts* Eric Rasmussen, 2011-10-11 Part literary detective story part Shakespearean lore. *The Shakespeare Thefts* will charm the Bard's many fans. The first edition of Shakespeare's collected works, the First Folio published in 1623, is one of the most valuable books in the world and has historically proven to be an attractive target for thieves. Of the 160 First Folios listed in a census of 1902, 14 were subsequently stolen and only two of these were ever recovered. In his efforts to catalog all these precious First Folios, renowned Shakespeare scholar Eric Rasmussen embarked on a riveting journey around the globe involving run-ins with heavily tattooed criminal street gangs in Tokyo, bizarre visits with eccentric reclusive billionaires, and intense battles of wits with secretive librarians. He explores the intrigue surrounding the Earl of Pembroke, arguably Shakespeare's boyfriend to whom the First Folio is dedicated, and whose personal copy is still missing. He investigates the uncanny sequence of events in which a wealthy East Coast couple drowned in a boating accident and the next week their First Folio appeared for sale in Kansas. We hear about Folios that were censored, the pages ripped out of them, about a volume that was marked in red paint.

or is it blood on every page and of yet another that has a bullet lodged in its pages A Guide to the Middle English Metrical Romances Dealing with English and Germanic Legends and with the Cycles of Charlemagne and of Arthur Anna Hunt Billings, 1901 *Reading Piers Plowman and The Pilgrim's Progress* Barbara A. Johnson, 1992 Centering her discussion on two historical ways of reading Which she calls the Protestant and the lettered Barbara A Johnson traces the development of a Protestant readership as it is reflected in the reception of Langland's *Piers Plowman* and Bunyan's *Pilgrim's Progress* Informed by reader response and reception theory and literacy and cultural studies Johnson's ambitious examination of these two ostensibly literary texts charts the cultural roles they played in the centuries following their composition roles far more important than their modern critical reputations can explain The reception of these two works revealing as it does changing ideas concerning the nature and status of books as well as the stature of authors documents the means by which a culture shapes and is shaped by texts Johnson argues that much more evidence exists about how earlier readers read than has hitherto been acknowledged The reception of *Piers Plowman* for example can be inferred from references to the work the apparatus its Renaissance printer inserted in his editions the marginal comments readers inscribed both in printed editions and in manuscripts and the apocryphal plowman texts that constitute interpretations of Langland's poem Conditioned more by religious historical and economic forces than literary concerns Langland's poem became a part of the reformist tradition that culminated in Bunyan's *Pilgrim's Progress* By understanding this tradition Bunyan's place in it and the way the reception of *The Pilgrim's Progress* illustrates the beginning of a new more realistic fictional tradition Johnson concludes we can begin to delineate a more accurate history of the ways literature and society intersect a history of readers reading **The Tudor Drama** Tucker Brooke, 1911 Contesting the Middle Ages John Aberth, 2018-10-03 *Contesting the Middle Ages* is a thorough exploration of recent arguments surrounding nine hotly debated topics the decline and fall of Rome the Viking invasions the Crusades the persecution of minorities sexuality in the Middle Ages women within medieval society intellectual and environmental history the Black Death and lastly the waning of the Middle Ages The historiography of the Middle Ages a term in itself controversial amongst medieval historians has been continuously debated and rewritten for centuries In each chapter John Aberth sets out key historiographical debates in an engaging and informative way encouraging students to consider the process of writing about history and prompting them to ask questions even of already thoroughly debated subjects such as why the Roman Empire fell or what significance the Black Death had both in the late Middle Ages and beyond Sparking discussion and inspiring examination of the past and its ongoing significance in modern life *Contesting the Middle Ages* is essential reading for students of medieval history and historiography *Women in Medieval Europe 1200-1500* Jennifer Ward, 2016-04-14 *Women in Medieval Europe* explores the key areas of female experience in the later medieval period from peasant women to Queens It considers the women of the later Middle Ages in the context of their social relationships during a time of changing opportunities and activities so that by 1500 the world of work was becoming

increasingly restricted to women The chapters are arranged thematically to show the varied roles and lives of women in and out of the home covering topics such as marriage religion family and work For the second edition a new chapter draws together recent work on Jewish and Muslim women as well as those from other ethnic groups showing the wide ranging experiences of women from different backgrounds Particular attention is paid to women at work in the towns and specifically urban topics such as trade crafts healthcare and prostitution The latest research on women gender and masculinity has also been incorporated along with updated further reading recommendations This fully revised new edition is a comprehensive yet accessible introduction to the topic perfect for all those studying women in Europe in the later Middle Ages **England and the Crusades, 1095-1588** Christopher Tyerman, 1996-12-15 Drawing on a wide range of archival chronicle and literary evidence Tyerman brings to life the royal personalities foreign policy political intrigue taxation and fundraising and the crusading ethos that gripped England for hundreds of years Amazon **The New Cambridge Bibliography of English Literature** George Watson, Ian Roy Willison, 1974 *Dives and pauper* Priscilla Heath Barnum, 1976 The third and final volume containing introduction notes and glossary to *Dives and Pauper* edited by Priscilla Barnum Early English Texts Society Original Series 275 and 280 contains full discussion of the text s historical context and description of the manuscripts
