## **Remains Non Viewable A Memoir:**

Remains: Non-Viewable John Sacret Young, 2005-05-05 When John Sacret Young's cousin Doug was killed in Vietnam Young learned that the remains of every Vietnam casualty fell into one of two official categories Viewable or Non Viewable He also discovered that such categories applied to how his New England family faced its own history This compelling narrative is the haunting story of a man coming to terms with himself with his family's past with what he knows and will never know and with his own future Remains Non Viewable traces the close knit lives of four men in Young's family his uncle George his cousin Doug his father and the author himself In lyrical yet pungent prose it illustrates how their seemingly tranquil existence on the Massachusetts shore is affected over the years by war alcoholism fading friendships and shifting memories of events gone by Beautifully written and profoundly moving Remains Non Viewable a powerful and persuasive examination of fathers and sons of war and remembrance and of family and self **Remains** John Sacret Young, 2005 With lyrical yet pungent prose Young illustrates how his family's seemingly tranquil existence on the Massachusetts shore is affected over the years by war alcoholism fading friendships and shifting memories Hollywood Creative Directory ,2007

hypothesis about the philosopher's afterlife and the fate of leftist thought and culture At issue is the relation of the dead Nietzsche corpse and his written work corpus to subsequent living Nietzscheanism across the political spectrum but primarily among a leftist corps that has been programmed and manipulated by concealed dimensions of the philosopher's thought If anyone is responsible for what Geoff Waite maintains is the illusory death of communism it is Nietzsche the man and concept Waite advances his argument by bringing Marxist especially Gramscian and Althusserian theories to bear on the concept of Nietzscheanism But he also goes beyond ideological convictions to explore the vast Nietzschean influence that proliferates throughout the marketplace of contemporary philosophy political and literary theory and cultural and technocultural criticism In light of a philological reconstruction of Nietzsche's published and unpublished texts Nietzsche's Corps e shuttles between philosophy and everyday popular culture and shows them to be equally significant in their having been influenced by Nietzsche in however distorted a form and in a way that compromises all of our best interests Controversial in its decelebration of Nietzsche this remarkable study asks whether the postcontemporary age already upon us will continue to be dominated and oriented by the haunting spectre of Nietzsche's corps e Philosophers intellectual historians literary theorists and those interested in western Marxism popular culture Friedrich Nietzsche and the intersection of French and German thought will find this book both appealing and challenging **Library Journal** ,2005
