

# Colloquium

## Remaking the Middle East: The Long Arab 19th Century

The Current events stirring the Middle East can be discerned most easily as a matter of politics, economic, or culture, but steeped in complexity they are much more. In order to explain the rise of ISIL (Islamic State in Iraq and the Levant), the Syrian refugee question, the Palestinian Uprising, and the failure of the Arab Uprisings, this lecture reconstructs the regional history. It traces the roots of these events to the early 19th century (with emphasis on specific significant historical moments throughout since 1871 e.g. 19-48 Palestinian Nakba, the late 1970s expansion of neoliberalism).

It argues that the existing accounts of the regional historical accounts do not explain the political present or the unfolding geopolitical regional order. As such, and in order to explain the current geopolitical conditions, identify the root causes of the current events and their possible outcomes, a reconstruction of the regional history is essential.

The lecture will address the following interrelated topics:  
The Rise of ISIL: Why ISIL?  
The Syrian Refugee Question  
The Palestinian Question and Colonial Zionism

**Seif Da'na**

Associate Dean of the College of Social Sciences and Professional Studies, Professor and Chair of the Sociology Department at the University of Wisconsin-Parkside

**Thursday, November 19, 2015  
2:30-4:30 pm  
A720, Loeb Building  
Carleton University**

This is an open public lecture,  
with free admission.

This lecture is part of the Carleton Sociology and Anthropology Colloquium Series, co-sponsored with the Department of History, Department of Geography and Environmental Studies and Migration and Diaspora Studies

# Remaking The Middle East

**Özgür Pala, Khalid Al-Jaber**

## **Remaking The Middle East:**

Remaking the Middle East Paul J. White, William S. Logan, 1997-04-01 How realistic is peace in the Middle East Certainly there appears to be a reduction in conflict and concrete improvements are clearly visible the Gulf War opened the door to regional realignments that paved the way for the PLO Israel peace agreement which in turn made peace negotiations possible between Israel and Syria Lebanon is rebuilding its cities following a cessation of its civil war Iran has evidenced signs of a rapprochement with the West Yet some analysts predict that these changes are doomed to failure With its longstanding territorial disputes and pronounced ethnic and religious divides will this troubled region ever resolve its conflicts Pessimists further contend that vexed problems such as gender relations and human rights violations remain unaffected by the processes of international political readjustment This provocative and interdisciplinary book tackles these controversial questions from a wide range of perspectives in an effort to unravel the complexities of this exciting area which is the spotlight of tremendous global concern never more so than at the present

**Remaking the Middle East: A Lowy Institute Paper: Penguin Special** Anthony Bubalo, 2018-04-30 Not since the collapse of the Ottoman Empire has the Middle East been convulsed by so many events in such a short period of time Uprisings coups and wars have seen governments overthrown hundreds of thousands killed and millions displaced Parts of the region have become ungoverned or ungovernable Refugees and terrorists have become the Middle East's most noteworthy exports In *Remaking the Middle East* Anthony Bubalo argues that the current turmoil is the result of the irrevocable decay of the nizam the system by which most states in the modern region are ruled But if you look hard enough it is possible to spot green shoots of change that could remake the Middle East in ways that are more inclusive more democratic less corrupt and less violent Such an outcome is not inevitable but with so much commentary focused on what is going wrong in the region it is also important to identify what may well go right

**Social Entrepreneurship in the Middle East** Dima Jamali, Alessandro Lanteri, 2016-04-29 This two volume book unveils trends strengths weaknesses and overall dynamics and implications of social entrepreneurship in the Middle East region whilst identifying both opportunities and threats facing social entrepreneurship and supplements through a wealth of insights and examples inspired from practice and current applications

State, Power and Politics in the Making of the Modern Middle East Roger Owen, 2013-01-11 Roger Owen has fully revised and updated his authoritative text to take into account the latest developments in the Middle East This book continues to serve as an excellent introduction for newcomers to the modern history and politics of this fascinating region This third edition continues to explore the emergence of individual Middle Eastern states since the fall of the Ottoman Empire at the end of the First World War and the key themes that have characterized the region since then

**The Regional Impacts on Turkey's Zero Problems with Neighbors Policy towards Iraqi Kurdistan** Zeravan Muhsin, 2022-09-29 The combination of the war in Syria and the rise of ISIS has increased the role of non state actors in the Middle East politics This is of particular concern for Turkey on account of its

long standing concerns regarding Kurdish nationalism particularly after the Syrian war which provides Kurds with a significant role in regional security affairs This book aims to examine the regional impacts of the Turkish government s Zero Policy with Neighbors ZPN in respect to Iraqi Kurdistan This has been achieved through an analysis of the impact on the ZPN policy of the following non state actors between 2011 and 2016 The Syrian Kurdish group represented by the Democratic Union Party PYD ISIS and the Kurdistan Workers party PKK

**Iraq** Craig M. White, 2012-07-10 Iraq The Moral Reckoning applies classic just war theory to the U S decision to go to war in 2003 That theory which evolved over several millennia is a simple profound tool for evaluating the rightness and wisdom of starting a war The Bush administration and its supporters referred directly and indirectly to the theory in making a pro war case to the world The theory provides three core moral criteria for a just war sovereign authority just cause and right intention which includes an aim of peace It adds three practical criteria proportionality of ends last resort and reasonable chance of success For a just war each criterion should be substantially met Since war is destructive and each country is presumed to have the right to live in peace the evidence in favor of war must be clearly stronger than evidence against it For each criterion Iraq The Moral Reckoning painstakingly weighs Bush administration statements or those of its supporters against evidence available at the time A wide range of viewpoints and evidence is considered and contrary arguments are refuted One full chapter is given to neoconservative arguments on just war theory and its application from prominent war supporters Each criterion except sovereign authority is shown not to have been met The book concludes with a discussion of the implications of an unjust war for the United States and the world The intensive weighing of each criterion against the facts and the balanced approach make the book unique By demonstrating a comprehensive application of the theory to one war it not only sets a new standard for evaluating the 2003 Iraq war but also shows how present and future wars can be better evaluated in moral and practical terms based on knowledge available at the time

**Turkish-Qatari Relations** Özgür Pala, Khalid Al-Jaber, 2022-04-04 This book examines domestic and regional geopolitical dynamics behind Turkish Qatari relations from the past to the present Utilizing arguments of practical geopolitical reasoning zg r Pala and Khaled Al Jaber situate their analysis of evolving relations in the contexts of Ottoman British geopolitical rivalry in the Persian Gulf the Turkish Republic s fluctuating relations with the Middle East until the 2000s the AKP governments opening to the region and finally the Arab Spring and its aftermath Contextualizing the trajectory of Turkish Qatari relations within the larger Middle East and the Gulf Arab region the authors argue that material interests and identity politics have generally determined relations until the turn of the millennium Under Erdogan and Sheikh Hamad s assertive leadership and ambitious foreign policy Turkey and Qatar came to witness various foreign policy convergences on critically important regional issues Pala and Al Jaber argue that these convergences coupled with their geopolitical and security goals facilitated a political alignment between Ankara and Doha throughout the Arab Spring They argue that despite facing major geopolitical setbacks Turkey and Qatar were able to chart a much deeper cooperation which

later evolved into a strategic partnership in various areas

*Iranian Foreign Policy Since 2001* Thomas Juneau, Sam Razavi, 2013-07-24 Examining Iranian foreign policy with a focus on the years since 2001 this book analyses the defining feature of Iran's international and regional posture its strategic loneliness and the implications of this for the Islamic Republic's foreign policy Iranian Foreign Policy since 2001 offers an in depth analysis of the key drivers behind Iran's foreign policy power strategic culture and ideology In addition the authors examine Iran's relations with key countries and regions including its often tenuous relations with China Russia and America as well as its bilateral relations with non state actors such as Hezbollah The common thread running throughout the volume is that Iran is alone in the world regardless of its political manoeuvrings the Islamic Republic's regional and international posture is largely one of strategic loneliness Assimilating contributions from the US Canada Europe and Iran this book provides an international perspective both at the theoretical and practical levels and is essential reading for those with an interest in Middle Eastern Politics International Relations and Political Science more broadly

**Ecosystems Arabia** Amir Hegazi, 2020-09-21 Ecosystem Arabia captures the perspectives insights and ideas of over 100 of the most influential international thought leaders and experts on developing thriving startup and tech ecosystems as well as some of the most prominent public and private sectors figures in the Arab world today Through hundreds of hours of one on one interviews with key stakeholders including global and local leaders entrepreneurs investors incubators accelerators service providers media professionals educators policymakers and ministers it distills the key drivers of building a sustainable entrepreneurial ecosystem anywhere Amir Hegazi uses the Middle East and North Africa MENA region as his research laboratory and case study of a thriving ecosystem in the making His underlying findings however can be used in any environment to drive innovation and transformation Overall this book provides a principled well structured and practical approach to seeing and navigating such a complex topic using a comprehensive multi lens perspective that is unlike common methods Ecosystem Arabia examines The building blocks of a thriving ecosystem What is not working in ecosystem development globally The current state of the MENA startup and tech ecosystem its evolution and outlook Where are the gaps in such areas as funding talent cost and regulations The main challenges entrepreneurs face in this region and what can be done to tackle them How to attract international talent companies and investment How to foster practical education and 21st century skills training to empower the youth How to create a more innovation and entrepreneurship friendly culture and regulations The most exciting sectors and tech opportunities in this part of the world International best practices and case studies on ecosystem development Ecosystem Arabia provides a comprehensive blueprint of how communities cities and countries can approach nurturing and growing their own knowledge based new economies Whether you're a global minded entrepreneur or investor interested in untapped opportunities in the MENA region an educator or policy maker seeking a more holistic understanding of the inner workings of ecosystem development or an ecosystem builder looking to be more impactful this book is for you

**The Art of War in**

**an Age of Peace** Michael O'Hanlon, 2021-05-25 An informed modern plan for post 2020 American foreign policy that avoids the opposing dangers of retrenchment and overextension Russia and China are both believed to have grand strategies detailed sets of national security goals backed by means and plans to pursue them In the United States policy makers have tried to articulate similar concepts but have failed to reach a widespread consensus since the Cold War ended While the United States has been the world's prominent superpower for over a generation much American thinking has oscillated between the extremes of isolationist agendas versus interventionist and overly assertive ones Drawing on historical precedents and weighing issues such as Russia's resurgence China's great rise North Korea's nuclear machinations and Middle East turmoil Michael O'Hanlon presents a well researched ethically sound and politically viable vision for American national security policy He also proposes complementing the Pentagon's set of 41 pre-existing threats with a new 41 biological nuclear digital climatic and internal dangers

**Endgames** Hicham Bou Nassif, 2020-10 Explores the different military responses to popular uprisings during the 2011 Arab Spring in Egypt Syria Tunisia and Libya

*The Middle East in 1958* Jeffrey G. Karam, 2020-09-17 The revolutionary year of 1958 epitomizes the height of the social uprisings military coups and civil wars that erupted across the Middle East and North Africa in the mid twentieth century Amidst waning Anglo French influence growing US USSR rivalry and competition and alignments between Arab and non Arab regimes and domestic struggles this year was a turning point in the modern history of the Middle East This multi and interdisciplinary book explores this pivotal year in its global regional and local contexts and from a wide range of linguistic geographic academic specialties The contributors draw on declassified and multilingual archives reports memoirs and newspapers in thirteen country specific chapters shedding new light on topics such as the extent of Anglo American competition after the Suez War Turkey's efforts to stand as a key pillar in the regional Cold War the internationalization of the Algerian War of Independence and Iran and Saudi Arabia's abilities to weather the revolutionary storm that swept across the region The book includes a foreword from Salim Yaqub which highlights the importance of Jeffrey G Karam's collection to the scholarship on this vital moment in the political history of the modern middle east

The Great War and the Remaking of Palestine Salim Tamari, 2017-08-22 Introduction Rafiq Bey's public spectacles Arabs Turks and monkeys the ethnography and cartography of Ottoman Syria The sweet smell of holy sewage urban planning and the new public sphere in Palestine A scientific expedition to Gallipoli the Syrian Palestinian intelligentsia divided Two faces of Palestinian orthodoxy Hellenism Arabness and the Osmenilik The farcical moment narratives of revolution and counter revolution in Nablus Adele Azar's notebook charity and feminism in WWI Ottoman modernity and the biblical gaze the war photography of Khalil Raad

Smart Instead of Small in International Relations Theory Spyridon N. Litsas, 2023-11-16 Small States theory supports the argument that small international actors have a vital role in the international system After 9/11 it emerged as a more focused attempt to show that small can be attractive and functional in an era of normative political and religious radicalism This book argues that Small

States Theory is not relevant to the perplexities of the post multipolar international system and produces a new theory the Smart States Theory Based on structural and neoclassical realism it attempts to identify the origins of state smartness in foreign policy leadership and domestic politics The United Arab Emirates will be used as the case study of this novel theoretical approach The impressive evolution of the Trucial States to a modern nation state of high technology dynamic foreign policy as the recent pandemic fully showed unique leadership and unparalleled tolerance towards other religions and cultures make the UAE a brilliant example of a smart state of the 21st century The reader of the book will be introduced to a new theory in International Relations as well as to the history politics society and leadership of a state that plays a pivotal role not only in the Gulf region but in the broader framework of the Middle East too the United Arab Emirates

**Losing an Enemy** Trita Parsi,2017-01-01 The definitive book on Obama s historic nuclear deal with Iran from the author of the Foreign Affairs Best Book on the Middle East in 2012 This timely book focuses on President Obama s deeply considered strategy toward Iran s nuclear program and reveals how the historic agreement of 2015 broke the persistent stalemate in negotiations that had blocked earlier efforts The deal accomplished two major feats in one stroke it averted the threat of war with Iran and prevented the possibility of an Iranian nuclear bomb Trita Parsi a Middle East foreign policy expert who advised the Obama White House throughout the talks and had access to decision makers and diplomats on the U S and Iranian sides alike examines every facet of a triumph that could become as important and consequential as Nixon s rapprochement with China Drawing from more than seventy five in depth interviews with key decision makers including Iran s Foreign Minister Javad Zarif and U S Secretary of State John Kerry this is the first authoritative account of President Obama s signature foreign policy achievement

2003, /((□□□□-□□□□)□□□□□□□□ □□□□ □□□□□□□ □□□□□□□□□□□□**Representing Modern Istanbul** Enno Maessen,2022-01-27 Following the collapse of the Ottoman Empire Istanbul would lose its position as capital yet remain a crucial urban centre in the new Turkish republic Since the 1950s it has undergone a metamorphosis from a mid sized city to a megapolis Beyoglu historically represented as its most cosmopolitan district and home to European embassies and cultural institutions is a microcosm of these changes This book explores the urban history of Beyoglu via a series of case studies which use previously unexamined archival material to tell the story of its local and international institutions From the German Teutonia club and a centre point of Turkey s cinema culture to influential francophone British and German schools which educated many of Turkey s future elite the book charts the shifting identities of the residents of the district These case studies reveal the effects of changing political circumstances from the rise of nationalism to Turkey s place in the Cold War as well as critically examining Beyoglu s legacy as a multicultural centre In the process the book reveals a picture of resilience cross cultural contact and provides an important contribution to our understanding of present day and historical Istanbul and Beyoglu

From Independence to Revolution Gillian Kennedy,2017-10-01 From Independence to Revolution tells the story of the complicated relationship between the Egyptian population and the nation s most prominent political

opposition the Islamist movement Most commentators focus on the Muslim Brotherhood and radical jihadists constantly vying for power under successive authoritarian rulers from Gamal Abdul Nasser to General Abdel Fattah el Sisi Yet the relationship between the Islamists and Egyptian society has not remained fixed Instead groups like the Muslim Brotherhood radical jihadists and progressive Islamists like Tayyar al Masri have varied in their responses to Egypt's socio political transformation over the last sixty years thereby attracting different sections of the Egyptian electorate at different times From bread riots in the 1970s to the 2011 Tahrir Square uprising and the subsequent election of the Muslim Brotherhood's Mohamed Morsi in 2012 Egypt's Islamists have been countering authoritarian elites since colonial independence This book is based on the author's fieldwork interviews in Egypt and builds on comparative political approaches to the topic It offers an account of Egypt's contesting actors demonstrating how a consistently fragmented Islamist movement and an authoritarian state have cemented political instability and economic decline as a persistent trend

*Controversies of the George W. Bush Presidency* Nancy S. Lind, Bernard I. Tamas, 2006-12-30 The George W Bush administration has become one of the most controversial in American history The president that once enjoyed a post 9 11 astronomical approval rating of 88 percent ranked almost as low in his second term as any president in history Throughout the social security and stem cell research debates the Enron trial the Patriot Act the Abu Ghraib prisoner abuse scandal No Child Left Behind and the administration's lackluster response to Hurricane Katrina George Bush's presidency has been white hot controversial Fueling the controversies have been Bush's speeches and public statements axis of evil mission accomplished etc This volume is packed with primary document excerpts from presidential speeches public statements and letters and from opposing congressional arguments an excellent resource for helping students understand events that will affect the U S for years to come Introductory sections set the context for each document and extensive lists of web sites and further reading sources supplement the material This volume is an excellent resource for helping students understand events that will affect the U S for years to come

### **Remaking The Middle East Introduction**

In the digital age, access to information has become easier than ever before. The ability to download Remaking The Middle East has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Remaking The Middle East has opened up a world of possibilities. Downloading Remaking The Middle East provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Remaking The Middle East has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Remaking The Middle East. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Remaking The Middle East. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Remaking The Middle East, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Remaking The

Middle East has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

### FAQs About Remaking The Middle East Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Remaking The Middle East is one of the best book in our library for free trial. We provide copy of Remaking The Middle East in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Remaking The Middle East. Where to download Remaking The Middle East online for free? Are you looking for Remaking The Middle East PDF? This is definitely going to save you time and cash in something you should think about.
