**Ernst van de Wetering**

## **Rembrandt The Impact Of A Genius:**

**Rembrandt** Albert Blankert, Rembrandt Harmenszoon van Rijn, National Gallery of Victoria, 1997 This book presents the first critical review of recent conclusions about Rembrandt's oeuvre many of which have proved unfounded It also reveals that his work has always inspired legends and myths as well as convoluted interpretations **Rembrandt: The Painter**

**Thinking** Ernst van de Wetering, 2016-04-18 Throughout his life Rembrandt van Rijn 1606-1669 was considered an exceptional artist by contemporary art lovers In this highly original book Ernst van de Wetering investigates why Rembrandt from a very early age was praised by high placed connoisseurs like Constantijn Huygens It turns out that Rembrandt from his first endeavours in painting on had embarked on a journey past all the foundations of the art of painting which were considered essential in the seventeenth century In his systematic exploration of these foundations Rembrandt achieved mastery in all of them thus becoming the pittore famoso that Count Cosimo de' Medici visited at the end of his life Rembrandt never stopped searching for ever better solutions to the pictorial problems he saw himself confronted with this sometimes led to radical decisions and alterations in his way of working which cannot simply be explained by attributing them to a change in style or a natural development In a quest as rigorous and novel as Rembrandt's Van de Wetering shows us how Rembrandt dealt with the foundations of his art and used them to try and become the best painter the world had ever seen His book sheds new light both on Rembrandt's exceptional accomplishments and on the practice of painting in the Dutch Golden Age at large *Rembrandt* Groninger Museum, 1983 *Rembrandt, a Genius and His Impact* Albert Blankert, National Gallery of Victoria, Art Exhibitions Australia Limited, 1997\* **Rembrandt's Passion Series** Simon McNamara, 2015-05-13

Rembrandt's Passion Series is the name given to five paintings of similar size and format executed over a six year time frame 1633-39 The works were commissioned by Frederick Hendrick Prince of Orange and Stadtholder of the United Provinces for his gallery at The Hague Although each of the paintings depicts a traditional scene from the Passion of Christ they do not form anything like a complete Passion Cycle Seven years later Hendrick ordered a further two works of the same size and format of subjects from the Nativity of Christ Six of the seven paintings now hang in the Alte Pinakothek Munich As the works were executed between Rembrandt's well documented early Leiden period and his rapid rise to prominence as a portraitist in Amsterdam the works have not attracted the scholarly attention they might although the commission was undoubtedly the most prestigious of the young Rembrandt's career Rembrandt's Passion Series is the first monograph to focus solely on this important group of paintings by the most famous artist of the Dutch Golden Age In it Simon McNamara traces the history of the commission by way of extant documentation places the works in a seventeenth century Dutch religious milieu and shows how the series is both reflective of contemporary theological exegesis and embedded in theoretical artistic debates of the age The book also highlights the extraordinary nature of the self images seen in three of the paintings and discusses the legacy of the series in later graphic works by Rembrandt and in paintings by his pupils In

doing so Rembrandt's Passion Series presents a series of unifying factors both stylistically and thematically for the works that allows the Passion Series to be properly and finally called a series **Rembrandt** Ernst van de Wetering, 2009-04-06 Ernst van de Wetering's wonderful book has taken us further than almost any study over the past twenty years towards an understanding of the machinery of Rembrandt's genius No one attempting to write about Rembrandt in the future will be able to do so without taking this fine work into account Simon Schama Who would not have wanted to look over Rembrandt's shoulder while he painted Among the countless books on Rembrandt that by Ernst van de Wetering comes closest to conveying something of this experience because the author combines the qualifications of a trained connoisseur and of a practising painter Ernst Gombrich *The Ashgate Research Companion to Dutch Art of the Seventeenth Century* Wayne Franits, 2017-07-05 Despite the tremendous number of studies produced annually in the field of Dutch art over the last 30 years or so and the strong contemporary market for works by Dutch masters of the period as well as the public's ongoing fascination with some of its most beloved painters until now there has been no comprehensive study assessing the state of research in the field As the first study of its kind this book is a useful resource for scholars and advanced students of seventeenth century Dutch art and also serves as a springboard for further research Its 19 chapters divided into three sections and written by a team of internationally renowned art historians address a wide variety of topics ranging from those that might be considered traditional to others that have only drawn scholarly attention comparatively recently

**Rembrandt/not Rembrandt in the Metropolitan Museum of Art: Paintings, drawings, and prints: art-historical perspectives** Hubertus von Sonnenburg, Walter A. Liedtke, Metropolitan Museum of Art (New York, N.Y.), 1995 [The Impact of a Genius](#) Albert Blankert, Groninger Museum, 1983 Catalogus van een in 1983 gehouden tentoonstelling in het Groninger Museum over het werk van Rembrandt en vooral dat van zijn leerlingen en navolgers in de 17e eeuw

**Rembrandt's Enterprise** Svetlana Alpers, 1990 Drawing on and furthering the enterprise of Rembrandt scholars who have been reinterpreting the artist and his work over the past 25 years Alpers presents new considerations about Rembrandt's handling of paint his theatrical approach to his models his use of his studio as an environment under his control and his relationship to those who bought his work Her study is timely in light of recent research showing that well known works attributed to Rembrandt are by followers instead Alpers developed her text from a lecture series and the prose gains readability by retaining some of the flavor of a talk Still this will find its audience chiefly among scholars and specialists in the field Kathryn W Finkelstein M Ln Cincinnati Copyright 1988 Reed Business Information Inc From Library Journal

**Rembrandt** Ernst van de Wetering, 1997 Rembrandt's paintings have been admired throughout centuries because of their artistic freedom But Rembrandt was also a craftsman whose painting technique was rooted the tradition Rembrandt The Painter at Work is the result of a lifelong search for Rembrandt's working methods his intellectual approach to the art of painting and the way in which his studio functioned Ernst van de Wetering demonstrates how this knowledge can be used to

tackle questions about authenticity and other art historical issues Approximately 350 illustrations half of which are reproduced in colour make this book into a monumental tribute to one of the worlds most important painters The book is if one may be allowed to say such a thing about a serious scholarly work a gripping good read Christopher White The Burlington Magazine This is a very rich book a deeply felt analysis of an artist whom the author knows better than almost any other living scholar Christopher Brown Times Literary Supplement

### **Drawings by Rembrandt and His Pupils**

Rembrandt Harmenszoon van Rijn, Holm Bevers, 2009 Rembrandt was the most famous painter of the Dutch Golden Age and the opportunity to work in his studio attracted young artists for nearly four decades until the artist's death in 1669 This catalogue explores the workings of Rembrandt's studio in the form of drawings made by the master himself and fifteen of his pupils Rembrandt and his students would often depict the same subject matter as an exercise and make drawings of the same nude models In his later years Rembrandt also made sketching trips outside Amsterdam to create his innovative landscapes of the Dutch countryside His students followed this example sometimes depicting the same sites Organized chronologically Drawings by Rembrandt and His Pupils Telling the Difference is a groundbreaking study that presents more than forty works by Rembrandt and related works by his pupils It explores the scholarship of recent decades that has brought new and more systematic criteria to bear on determining the authenticity of Rembrandt drawings and defines the styles of his pupils and followers with ever greater precision In so doing this volume demystifies the sometimes baffling exercise known as connoisseurship and seeks to re-enact the daily practices that Rembrandt used to teach his students and bring them to artistic maturity This is an essential book for anyone interested in the Dutch Golden Age or the lives and careers of Rembrandt and the artists in his immediate circle A major exhibition of these drawings will be on view at the J Paul Getty Museum from December 8 2009 to February 28 2010 Book Jacket Rembrandt National Gallery of Australia, A Corpus of Rembrandt Paintings V Ernst van de Wetering, 2013-12-12 This volume is the fifth volume of A Corpus of Rembrandt Paintings a project devoted to all Rembrandt's paintings This is the work of The Rembrandt Research Project consisting of a group of scholars led since 1993 by Professor Ernst van de Wetering The project began in 1968 with the aim of separating Rembrandt's own paintings from the vast number of Rembrandtesque paintings made by his many apprentices and followers Having opted for a chronological approach to the cataloguing of Rembrandt's paintings from 1625 till 1642 in the first three volumes it was decided in 1993 to adopt a thematic approach for further volumes This was largely to facilitate the recognition of different hands The new approach yielded much more information not only about Rembrandt's working methods but also about the function and meaning of his works This expanded field of view meant that etchings and drawings with similar themes also needed to be included In 2005 Volume IV appeared devoted to Rembrandt's self portraits in painting etching and drawing Volume V consists of a catalogue and analysis of the so called small scale history and genre paintings That theme was chosen because this type of complex work shows a variety of full length protagonists acting in different

narrative settings For this reason in the 17th century painting etching or drawing biblical and mythological scenes was looked upon as an artist's greatest challenge The choice of this theme proved to be highly fruitful in several ways Small scale history pieces reveal Rembrandt's artistic ambitions most clearly They also offer the authors a much more accurate view of the daily routine in Rembrandt's studio his apprentices mostly copied this type of work or used it as a starting point for their own As a result it was easier to distinguish the works by the master himself from those of his pupils All aspects of the skills necessary to create a pictorial illusion play a part in the creation of small figured history paintings These aspects were referred to as the basis of the noble art of painting in Rembrandt's days Two seventeenth century painter theoreticians discussed these principles systematically in two books which up till now have only sporadically been consulted in the context of 17th century studio practice Karel van Mander wrote his *Grond der edel vry schilder const* Basis of the Art of Painting in 1604 and Samuel van Hoogstraten produced his *Inleyding tot de hooge schoole der schilder konst* Academy of Painting in 1678 Van Hoogstraten was a pupil of Rembrandt between 1642 and 48 Comparing the two books and considering them in relation to Rembrandt's oeuvre gradually reveals his original views on painting and how these had developed during his career Thus the authors of this new Volume of A Corpus have gained an unexpected and profound insight into Rembrandt's ideas and approach to his art The basic aspects of painting included the following topics function and methods of drawing human proportions various positions poses and gestures of figures ways of arranging a scene's protagonists in a composition facial expressions of a variety of emotions light shadows and reflected light landscape and animals draperies and articles of clothing methods of painting and various characteristics and uses of colours The way these basic aspects were selected and dealt with presumed that the more practical side to the art of painting would be learned by the apprentice in the daily routine of his master's studio With the development of art history in the nineteenth century the basic aspects of the art of painting listed above acquired the vague label of style However the seventeenth century categorization of the basic aspects provides a much more acute means of probing the views and criteria for judging a painting by Rembrandt and his contemporaries than the concept of style Volume V in the series A Corpus of Rembrandt Paintings breaks new ground from the point of view of art history not only in its approach to Rembrandt as an artist but more particularly to his thinking about painting Moreover a detailed comparison of Rembrandt's works and those by his apprentices who based their works on his led to a profound and detailed understanding of Rembrandt's views on pictorial quality In art historical literature quality usually does not feature prominently since it is regarded as being too subjective This comparative approach together with the analysis of seventeenth century categories of thought about painting have given the research on Rembrandt a new impetus at the same time allowing us to see more clearly through seventeenth century eyes That is why the new volume of the Corpus is an important publication not only for art historians but also for all who want to fully enjoy the numerous works of art that date back to the Dutch Golden Age now scattered in museums around the world

**A Corpus of Rembrandt Paintings VI** Ernst van de

Wetering, 2014-11-11 A revised survey of Rembrandt's complete painted oeuvre The question of which 17th century paintings in Rembrandt's style were actually painted by Rembrandt himself had already become an issue during his lifetime It is an issue that is still hotly disputed among art historians today The problem arose because Rembrandt had numerous pupils who learned the art of painting by imitating their master or by assisting him with his work as a portrait painter He also left pieces unfinished to be completed by others The question is how to determine which works were from Rembrandt's own hand Can we for example define the criteria of quality that would allow us to distinguish the master's work from that of his followers Do we yet have methods of investigation that would deliver objective evidence of authenticity To what extent do research techniques used in the physical sciences help Or are we after all still dependent on the subjective expert eye of the connoisseur The book provides answers to these questions Prof Ernst van de Wetering the author of our forthcoming book which deals with these questions has been closely involved in all aspects of this research since 1968 the year the renowned Rembrandt Research Project RRP was founded In particular he played an important role in developing new criteria for authentication Van de Wetering was also witness to the way the often overly zealous tendency to doubt the authenticity of Rembrandt's paintings got out of hand In this book he re attributes to the master a substantial number of unjustly rejected Rembrandts He also was closely involved in the re discovery of a considerable number of lost or completely unknown works by Rembrandt The verdicts of earlier specialists including the majority of members of the original RRP up to 1989 were based on connoisseurship the self confidence in one's ability to recognise a specific artist's style and hand Over the years Van de Wetering has carried out seminal research into 17th century studio practice and ideas about art current in Rembrandt's time In this book he demonstrates the fallibility of traditional connoisseurship especially in the case of Rembrandt who was par excellence a searching artist The methodological implications of this critical view are discussed in an introductory chapter which relates the history of the developments in this turbulent field of research Van de Wetering's account of his own involvement in it makes this book a lively and sometimes unexpectedly personal account The catalogue section presents a chronologically ordered survey of Rembrandt's entire painted oeuvre of 336 paintings richly illustrated and annotated For all the paintings re attributed in this book extensive commentaries have been included that provide a multi faceted new insight into Rembrandt's world and the world of art historical research Rembrandt's Paintings Revisited is the concluding sixth volume of A Corpus of Rembrandt Paintings Volumes I V 1982 1986 1989 2005 2010 It can also be read as a revisionary critique of the first three Volumes published by the old RRP team up till 1989 and of Gerson's influential survey of Rembrandt's painted oeuvre of 1968 69 At the same time the book is designed as an independent overview that can be used on the basis that anyone seeking more detailed information will be referred to the five previous digital versions of the Volumes and the detailed catalogues published in the meantime by the various museums with collections of Rembrandt paintings This work of art history and art research should belong in the library of every serious art historical institute university or museum

Dutch Art Sheila D. Muller, 2013-07-04 An illustrated feast for the eye and intellect Dutch Art explores developments in art art history art criticism and cultural history of the Netherlands from the artists workshops for the Utrecht Dom in 1475 to the latest movements of the 1990s it is lavishly illustrated with 147 black and white photographs and 16 pages in full color More than 100 internationally recognized scholars museum professionals artists and art critics contributed signed essays to this monumental work including historians sociologists and literary historians Rembrandt 2006: Essays ,2006

*Rembrandt's Faith: Church and Temple in the Dutch Golden Age* , **The Image of the Black in Western Art** David Bindman, 2010 A pioneering work in the field of art history The Image of the Black in Western Art is a comprehensive series of ten books which offers a lavishly illustrated history of the representations of people of African descent from antiquity to the present Each book includes a series of essays by some of the most distinguished names in art history Ranging from images of Pharaohs created by unknown hands almost 3 500 years ago to the works of the great masters of European and American art such as Bosch D rer Mantegna Rembrandt Rubens Watteau Hogarth Copley and Goya to stunning new media creations by contemporary black artists these books are generously illustrated with beautiful moving and often little known images of black people Black figures queens and slaves saints and soldiers priests and prisoners dancers and athletes children and gods are central to the visual imagination of Western civilization Written in accessible language the extensive and insightful commentaries on the illustrations by distinguished art historians make this series invaluable for the general reader and the specialist alike R sum de l diteur **Artifice and Illusion** Celeste Brusati, Samuel van Hoogstraten, 1995-11 Samuel van Hoogstraten is familiar to scholars of Dutch art as a talented pupil and early critic of Rembrandt and as the author of a major Dutch painting treatise In this book Celeste Brusati looks at the art writing and career of this multifaceted artist A rich appreciation of one of the most often cited but least understood figures in seventeenth century Dutch art this book will interest scholars and students of art history social history and visual culture

### **Rembrandt The Impact Of A Genius Introduction**

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Rembrandt The Impact Of A Genius free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Rembrandt The Impact Of A Genius free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced

search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Rembrandt The Impact Of A Genius free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading Rembrandt The Impact Of A Genius. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Rembrandt The Impact Of A Genius any PDF files. With these platforms, the world of PDF downloads is just a click away.

### FAQs About Rembrandt The Impact Of A Genius Books

**What is a Rembrandt The Impact Of A Genius PDF?** A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Rembrandt The Impact Of A Genius PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Rembrandt The Impact Of A Genius PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Rembrandt The Impact Of A Genius PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobat's export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Rembrandt The Impact Of A Genius PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online

tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
