

REMEMBER CREATION

God's World of Wonder and Delight

SCOTT HOEZEE

"Scott Hoezee offers a refreshing new twist to the discussion on the environment. Shouldn't we start by simply enjoying creation and honoring it for what it is? With illustrations both biblical and personal, Hoezee makes a compelling case."
— Philip Yancey

Remember Creation

Remember Creation:

Remember Creation Scott Hoezee, 1998 Why is it that many Christians find a theological scientific debate about creation's ancient origins far more engaging than a speech about how to live responsibly in the creation today Are we more fascinated by academic debates that focus our gaze on what happened long ago than by the hands on discussions that focus our gaze on the world of wonders outside our windows right now In *Remember Creation* Scott Hoezee challenges readers to make today's world more central to the Christian faith by enjoying and preserving God's cosmos as a part of daily discipleship Solidly grounded in a wealth of Scripture passages this book reveals God's ecology of praise which all Christians should want to explore and preserve Throughout the book Hoezee also offers suggestions to help congregations families and all Christians to take more delight in God's world while working to keep alive the wonders that bring God joy Scott Hoezee adds a refreshing new twist to the discussion on the environment Shouldn't we start by simply enjoying creation and honoring it for what it is With illustrations both biblical and personal Hoezee makes a compelling case Philip Yancey *Remember* Susan Robb, 2023-12-19 Remember the God who remembers us God's covenants throughout the Old Testament show the character of God's promises to the people of Israel In this book Susan Robb leads readers through the covenants with Noah Abraham Moses and David followed by the new covenant established on Maundy Thursday The Lenten story culminates with an examination of the cross as another example of God's promise for a new world Susan Robb teaches readers the basic lessons of the covenants through a mixture of biblical history and personal stories Her pastoral character and warm tone provide a basis for understanding God's promises through history and the role of Jesus's passion and crucifixion in the history of the covenants *Remember* can be read alone or used for a six week group study and church wide Lenten program Components include a comprehensive Leader Guide and video teaching sessions featuring Susan with closed captioning

Remembering and Repeating Regina M. Schwartz, 1993-03 Regina Schwartz presents a powerful reading of *Paradise Lost* by tracing the structure of the poem to the pattern of repeated beginnings found in the Bible In both works the world order is constantly threatened by chaos By drawing on both the Bible and the more contemporary works of among others Freud Lacan Ricoeur Said and Derrida Schwartz argues that chaos does not simply threaten order but rather chaos inheres in order *The Works* John Donne, 1839 **Answers to Objections** Francis D. Nichol, 2004 After careful study of the supposed reasons offered for not accepting the teachings of Seventh day Adventists the author answers in this volume those which are most commonly encountered It was on this basis that the author compiled the list of objections considered in this book The objections answered in this unique and most helpful encyclopedic volume are not straw men but real problems faced by every minister evangelist literature evangelist layman and youth soul winner who seeks to promote Seventh day Adventist teachings *Living in the Lamblight* Hans Boersma, 2001-01-08 In recent decades many fundamental Christian assumptions about the nature of God and the world have come under attack No longer can one assume even in many church

circles that historic Christian beliefs about the Trinity and providence are generally accepted or understood Scientific knowledge and new technologies have also presented challenges for the church How for example should Christians understand the ecological crisis And how should the opening chapters of Genesis be understood in an age of genetic research and evolutionary science This collection of essays attempts to chart a faithful path for postmodern Christians exploring the foundational ideas and concepts of a Christian worldview and suggesting their implications for Christian living today Contributors Hans Boersma John Cooper Marva J Dawn Michael W Goheen Christopher D Marshall Arnold E Sikkema John G Stackhouse Jr Rikki E Watts John R Wood *Help Me Remember the Days of Creation* Delphine Branon Bates,2010 An excellent tool to help the reader memorize the days of creation Each day is beautifully illustrated in the days specific creation and consists of 2 puzzles a number search in which the number is embedded in the picture and a counting puzzle Each day also consists of a short description of what is created and a corresponding Bible Verse With the visual association memorization of the days of creation occurs almost effortlessly **Text Messages** John Tucker,2017-12-06 Facebook Twitter Snapchat We live in a rapidly changing world a world that seems to be increasingly inhospitable toward preaching In the face of digital technology social media cultural pluralism and pastoral burnout how can Christian preachers proclaim the gospel faithfully and effectively This book answers that question by bringing together a selection of important voices from across North America Asia and the Pacific It argues that Spirit empowered preaching is characterized by five attributes it opens the Scriptures engages the culture addresses the listener dissects the preacher and elevates the Savior With contributions from authors like William Willimon Darrell Johnson Lynne Baab Robert Smith Jr and Paul Windsor this is an excellent resource for ordained ministers lay preachers theological students and anyone wrestling with the challenge of preaching God s word in a smartphone world Remembering Eden Peter Thacher Lanfer,2012-09-06 In this book Peter Thacher Lanfer seeks to evaluate texts that expand and explicitly interpret the expulsion narrative of Adam and Eve in Genesis beyond the biblical canon *God's Big Idea* RosAnne Corakay Tetz,2003 The author starts with God s plan to create a new world and guides the child through the six days of Creation and ends up with God s plan for a new earth In between children solve many of life s lesser mysteries do fish sleep and think about a few of the greater ones why am I here And every fascinating fact about the world we live in becomes a doorway to big truths about life XXVI Sermons (never Before Publish'd) Preached by ... John Donne ... The Third Volume. [The Editor's Dedication and Preface Signed: Jo. Donne, I.e. the Author's Son.] John Donne,1661 *Dusty Earthlings* John Mustol,2018-01-01 The Lord God formed a man from the dust of the ground Genesis 2 7 Made of dust we humans are thoroughly physical beings We are dusty earthlings As such we are also ecological beings or rather eco physical beings firmly embedded in and dependent upon God s earthly ecosystems which support and provide for us and constitute our earthly home Today we are living in ways that are damaging our home As Christian dusty earthlings we are called to oversee God s earthly creation and to follow Jesus Christ God incarnated as a

dusty earthling How do we do this in the face of the array of ecological problems we face today How can we obey the ecological principles and limits that govern all of life on God's good earth Mustol argues that the virtues of humility voluntary self limitation and the principles of kenosis and justice will help as we seek to follow Jesus as dusty earthlings in today's world

worst enemy We re capable of the Declaration of Human Rights and Genocide sending a man to the moon and polluting our oceans Why are we inhabited by such extreme objectives What is the origin of such a paradoxical humankind Humans can be angels Mother Teresa Schindler and Dr Jekyll The Bible calls this righteousness Humans can be demons Saddam Hussein Stalin and Mr Hyde The Bible calls this sin We want humans to be loving kind peaceful and happy But Are we human angels or human demons We need to figure out what makes humans tick Are we subject to our consciousness and mind pulsations Do we have any choice in the matter The clock is ticking When it stops will it be heaven or hell I commend anyone who takes measures to look beyond the surface meaning of scriptures since there s so much hidden in Biblical text People who take it at surface value often miss precious gems of wisdom D Robinson This commentary on Genesis 2 is an eye opening solution to the human paradox Learn the origin of consciousness and the mind Join all the dots as we delve into the Biblical Hebrew the original language of the Bible Read the clear answers to these pressing questions in Origin of Humankind available now

Joining Creation's Praise Brian Brock,2025-08-19 In the beginning God created Thus begins the Bible s story of a long conversation between God and creatures one in which humans are often the least edifying contributors They need to learn what it means to confess themselves creatures if they are to begin to understand what it means to be human and how to live Joining Creation s Praise a major statement by a leading Christian ethicist shows how confessing that we are creatures deeply reshapes every aspect of Christian thinking and living Human beings are made to embody Christ s image in the world not as dominators but as conduits of divine life In this comprehensive yet clear volume of theological ethics Brian Brock follows the first few chapters of Genesis in order to discover the things that the sages of Israel took to be crucial for the ethical life of human beings among other creatures in God s world Informed by theological rigor and careful exegesis the many ethical reflections in this volume allow an ancient wisdom to shed fresh light on very postmodern ethical questions about conversion life with God knowledge and wisdom dominion Sabbath vocation economics human dignity our relationship with the rest of creation sexuality marriage family sin death and politics *Biblical Holism and Agriculture (Revised Edition)*
