Remembered Prisoners Of A Forgotten War:

Remembered Prisoners of a Forgotten War Lewis H. Carlson, 2002-04-18 Debunking common myths about American POWs during the Korean War the author sheds new light on the true life experiences of veterans of the conflict

Remembered Prisoners of a Forgotten War: An Oral History of Korean War POWs Lewis H. Carlson, 2003-03-01 The Korean War POW remains the most maligned victim of all American wars For nearly half a century the media general public and even scholars have described hundreds of these prisoners as brainwashed victims of a heinous enemy who had uncharacteristically caved in to their Communist captors or even worse as turncoats who betrayed their fellow soldiers In either case these boys apparently lacked the right stuff required of our brave sons Dr Carlson debunks these popular myths in this captivating oral history From the Tiger Death March to the paranoia here at home Korean War POWs suffered injustices on a scale few can comprehend Here at long last is a chance to hear the true story of these brave men in their own words a story that until now has gone largely untold Caged Heroes Jon Couch, 2011-11-11 Caged Heroes American POW Experiences from the American Revolution to the Present is snapshot of four hundred years of hostage and prisoner of war experiences Caged Heroes details prisoners experiences from the moment they are told to put their hands up through their detentions and culminating in their releases It examines the successes and failures of the United States government to prepare its forces for prisoner events discussing survival schools rules on how prisoners are told to act while in captivity and glimpses of how being taken prisoner effects the prisoners and guards alike Using numerous personal interviews and diaries of former prisoners and their spouses the reader gets a rare look at the horrors these men and women experienced Containing an extensive bibliography and complete POW rosters from several conflicts this book will add to any casual readers knowledge and serve as a top reference for those wanting to understand more about this misunderstood field

War Memories Stéphanie A.H. Bélanger, Renée Dickason, 2017-05-31 War Memories explores the patchwork formed by collective memory public remembrance private recollection and the ways in which they form a complex composition of observations initiatives and experiences Offering an international perspective on war commemoration contributors consider the process of assembling historical facts and subjective experiences to show how these points of view diverge according to various social cultural political and historical perspectives Encompassing the representations of wars in the English speaking world over the last hundred years this collection presents an extensive yet integrated reflection on various types of commemoration and interpretations of events Essays respond to common questions regarding war memory how and why do we remember war What does commemoration tell us about the actors in wars How does commemoration reflect contemporary society s culture of war War Memories disseminates current knowledge on the performance interpretation and rewriting of facts and events during and after wars while focusing on how patriotic fervour resistance conscientious objection injury trauma and propaganda contribute to the shaping of individual and collective memory Contributors include Joan

In the Shadow of the Greatest Generation Melinda L. Pash, 2014-05-22 Largely overshadowed by World War II's greatest generation and the more vocal veterans of the Vietnam era Korean War veterans remain relatively invisible in the narratives of both war and its aftermath Yet just as the beaches of Normandy and the jungles of Vietnam worked profound changes on conflict participants the Korean Peninsula chipped away at the beliefs physical and mental well being and fortitude of Americans completing wartime tours of duty there Upon returning home Korean War veterans struggled with home front attitudes toward the war faced employment and family dilemmas and wrestled with readjustment Not unlike other wars Korea proved a formative and defining influence on the men and women stationed in theater on their loved ones and in some measure on American culture In the Shadow of the Greatest Generation not only gives voice to those Americans who served in the forgotten war but chronicles the larger personal and collective consequences of waging war the American way

The Instability of Truth Rebecca Lemov, 2025-03-25 An acclaimed historian of science uncovers the hidden history of brainwashing and its troubling implications for today Because brainwashing affects both the world and our observation of the world we often don't recognize it while it's happening unless we know where to look As Rebecca Lemov writes in The Instability of Truth Brainwashing erases itself What we call brainwashing is more common than we think it is not so much what happens to other people as what can happen to anyone The Instability of Truth exposes the myriad ways our minds can be controlled against our will from the brainwashing techniques used against American POWs in North Korea to the soft brainwashing of social media doomscrolling and behavior shaping In our increasingly data driven world anyone can fall victim to mind control Lemov identifies invasive forms of emotional engineering that exploit trauma and addiction to coerce and persuade in everyday life Tracing the word brainwashing from deep in the files of an operative of the U.S. Office of Strategic Services in the 1950s to the pioneering research of Robert Jay Lifton to the public trials of cult leaders and the case of Patty Hearst Lemov also studies how the idea of mind control has spread across the globe and penetrated courtrooms secret labs military schools and today's digital sites

The Instability of Truth offers lessons from mind control episodes past and present Truth is always subject to question in more mundane walks of life than most people believe and Lemov equips us for the increasing challenges we face from social media AI and an unprecedented global form of surveillance capitalism The Instability of Truth develops a rigorous new understanding of both brainwashing s paradoxes and its emotional roots by giving voice to brainwashers the brainwashed and third party observers alike

Sacrifices for Patriotism Helen Greene Leigh,2012 Sacrifices for Patriotism A Korean POW Remembers the Forgotten War is a narrative nonfiction recollection of the thirty seven months Pharis Greene spent in captivity during the Korean War His story includes his childhood memories and continues to his life today In Korea Pharis experienced horrific events He witnessed his new commander Colonel Martin being cut in half by a Russian tank after engaging in a street fight with only a bazooka to defend himself Less than forty yards separated Pharis from his higher ranking officer Second Lieutenant Thornton when a North Korean madman dubbed The Tiger shot him in the back of the head on the infamous Death March On numerous occasions Pharis feared his life was over including the three times he stood in front of a firing squad Some fellow POWs have been quoted in Remembered Prisoners of a Forgotten War by Lewis H Carlson and In Mortal Combat by John Toland In contrast Pharis shares his personal experiences from the beginning to the end of the Korean War and recalls how he endured the challenges and miraculously survived

Dissenting POWs Tom Wilber,Jerry Lembcke,2021-04-22 Looking into the underlying factional divide between pro war hardliners and anti war dissidents among the POWs authors Wilber and Lembcke delve into the postwar American culture that created the myths of the Hero POW and the dissidents blamed for the loss of the war What they found was that it was the class backgrounds of the captives and their pre captive experience that drew the lines After the war the hardcore hero holdouts like John McCain moved on to careers in politics and business while the dissidents faded from view as the antiwar movement that might otherwise have championed them disbanded

Cold Days in Hell William Clark Latham,2013-01-31 Prisoners suffer in every conflict but American servicemen captured during the Korean War faced a unique ordeal Like prisoners in other wars these men endured harsh conditions and brutal mistreatment at the hands of their captors In Korea however they faced something new a deliberate enemy program of indoctrination and coercion designed to manipulate them for propaganda purposes Most Americans rejected their captors promise of a Marxist paradise yet after the cease fire in 1953 American prisoners came home to face a second wave of attacks Exploiting popular American fears of communist infiltration critics portrayed the returning prisoners as weak willed pawns who had been brainwashed into betraying their country The truth was far more complicated Following the North Korean assault on the Republic of Korea in June of 1950 the invaders captured more than a thousand American soldiers and brutally executed hundreds more American prisoners who survived their initial moments of captivity faced months of neglect starvation and brutal treatment as their captors marched them north toward prison camps in the Yalu River Valley Counterattacks by United Nations forces soon drove the North Koreans back across the

38th Parallel but the unexpected intervention of Communist Chinese forces in November of 1950 led to the capture of several thousand more American prisoners Neither the North Koreans nor their Chinese allies were prepared to house or feed the thousands of prisoners in their custody and half of the Americans captured that winter perished for lack of food shelter and medicine Subsequent communist efforts to indoctrinate and coerce propaganda statements from their prisoners sowed suspicion and doubt among those who survived Relying on memoirs trial transcripts debriefings declassified government reports published analysis and media coverage plus conversations interviews and correspondence with several dozen former prisoners William Clark Latham Jr seeks to correct misperceptions that still linger six decades after the prisoners came home Through careful research and solid historical narrative *Cold Days in Hell* provides a detailed account of their captivity and offers valuable insights into an ongoing issue the conduct of prisoners in the hands of enemy captors and the rules that should govern their treatment

The Longest Rescue Glenn Robins,2013-08-28 On 20 September 1965 Airman First Class Bill Robinson a helicopter mechanic was shot down in North Vietnam He spent more than seven years in multiple North Vietnamese prison camps For his actions in Vietnam Robinson received the Air Cross one of only twenty three enlisted men ever to earn that honour and no enlisted man in American military history has been held longer as a prisoner of war The book presents a detailed account of Robinson s early years and devotes substantial coverage to his postrelease life *Routledge*

Food in the American Military John C. Fisher,Carol Fisher,2014-01-10 American soldiers and sailors have progressed from simple campfire and ship s deck cooking to today s nutritionally sound menu diverse high tech and ethnically correct feeding options This book describes in great detail the development of rations used by America s military war by war from the Revolutionary period to the present especially the challenges of preserving and transporting the food It discusses research into rations the evolution of the training of cooks and bakers and others and various methods of storage preparation and distribution of food Numerous first person accounts appear throughout Instructors considering this book for use in a course may request an examination copy here [I Cannot Forget](#) John Wilson Moore,Judith Fenner

Gentry,2013-08-08 Eighteen year old Johnny Moore was an energetic self confident private first class when he entered combat with a heavy weapons platoon in Korea Four and a half months later after surviving heavy attacks on the Pusan

Perimeter and in one of the forward units of the western column advancing on the Yalu River he was captured by the Chinese infantry Moore and other American POWs suffered from starvation rations bitter cold and mental torment Although the intense Chinese efforts to change the prisoners ideologies were largely unsuccessful they were very effective in engendering distrust among the prisoners and abandonment of duty by the officers Encouraged by an American sergeant Moore worked with his captors to obtain better sanitation a fairer distribution of food and on two occasions medicine for the sick Twice he tried to escape from imprisonment Just four days after his twenty first birthday in 1953 the Chinese released him Moore cooperated fully with US military interrogators giving as much information as he could on the prison camp and the methods his captors had used But two years later army officers arrested him at his home and charged him with treason Although the charge was dropped and a Field Board of Inquiry returned him to regular duty the army s treatment of him left Moore further traumatized He eventually went AWOL and turned to drinking gambling and other self destructive behaviors Military historian Judith Fenner Gentry has worked with Moore s memoirs of his experiences during and after the war to corroborate clarify elaborate and situate his story within the larger events in Korea and in the Cold War She has consulted records from courts martial newspaper interviews with returning POWs and Freedom of Information Act documents on the Army Criminal Investigation Division and the Army Counter Intelligence Corps

The East Is Black Robeson Taj Frazier,2015-02-15

During the Cold War several prominent African American radical activist intellectuals including W E B and Shirley Graham Du Bois journalist William Worthy Marxist feminist Vicki Garvin and freedom fighters Mabel and Robert Williams traveled and lived in China There they used a variety of media to express their solidarity with Chinese communism and to redefine the relationship between Asian struggles against imperialism and black American movements against social racial and economic injustice In *The East Is Black* Taj Frazier examines the ways in which these figures and the Chinese government embraced the idea of shared struggle against U S policies at home and abroad He analyzes their diverse cultural output newsletters print journalism radio broadcasts political cartoons lectures and documentaries to document how they imagined communist China s role within a broader vision of a worldwide anticapitalist coalition against racism and imperialism

Brainwashed

Daniel Pick,2022-07-07 A frankly brilliant book GUARDIAN An absorbing exploration Pick does not stumble TORTOISE An extraordinarily engrossing and wide ranging analysis of a word and a concept I fell under its spell immediately SIMON GARFIELD In 1953 a group of prisoners of war who had fought against the communist invasion of South Korea were released They chose apparently freely to move to Mao s China Among those refusing repatriation were twenty one American GIs Their decision sparked alarm in the West why didn t they want to come home What was going on Soon people were saying that the POWs had been brainwashed Was this something new or a phenomenon that has been around for centuries The belief that it is possible to marshal scientific knowledge to govern someone s mind gained enormous attention In an era of Cold War paranoia and experimentation on altered states the idea of brainwashing flourished appearing in everything from critiques of

CIA research on LSD to warnings of corporate groupthink from visions of automaton assassins to conspiracy theories about global elites Today brainwashing is almost taken for granted built into our psychological and political language rooted in the way we think about minds and societies How did we get to this point and why Psychoanalyst and historian Daniel Pick delves into the mysterious world of brainwashing in the twentieth and twenty first centuries from The Manchurian Candidate to ISIS TV advertising to online algorithms Mixing fascinating case studies with historical and psychological insights Brainwashed is a stimulating journey into the mysteries of thought control

China's Battle for Korea Xiaobing Li, 2014-05-28 Between November 1950 and the end of fighting in June 1953 China launched six major offensives against UN forces in Korea The most important of these began on April 22 1951 and was the largest Communist military operation of the war The UN forces put up a strong defense prevented the capture of the South Korean capital of Seoul and finally pushed the Chinese back above the 38th parallel After China's defeat in this epic five week battle Mao Zedong and the Chinese leadership became willing to conclude the war short of total victory China's Battle for Korea offers new perspectives on Chinese decision making planning and execution the roles of command political control and technology and the interaction between Beijing Pyongyang and Moscow while providing valuable insight into Chinese military doctrine and the reasons for the UN's military success

Reelpolitik II Beverly Merrill Kelley, 2004-02-16 Reelpolitik II moves past typical left right political distinctions to examine political ideologies cycling through U S history during the 50s and 60s These eight Cold War movies especially equipped the moviegoer with a unique vantage point to scrutinize the arms race the Red Scare the Korean Conflict and the Vietnam War They also helped audiences to observe the way film functions as a purveyor of American mythology a megaphone to shout political messages a metaphorical route to the emotions a flattering mirror an unflattering microscope and a magic carpet ride back to the future
