Memorializing Pearl Harbor Geoffrey M. White,2016-03-31 Memorializing Pearl Harbor examines the challenge of representing history at the site of the attack that brought America into World War II Analyzing moments in which history is re presented in commemorative events documentary films museum design and educational programming Geoffrey M White shows that the memorial to the Pearl Harbor bombing is not a fixed or singular institution Rather it has become a site in which many histories are performed validated and challenged In addition to valorizing military service and sacrifice the memorial has become a place where Japanese veterans have come to seek recognition and reconciliation where Japanese Americans have sought to correct narratives of racial mistrust and where Native Hawaiians have challenged their ongoing erasure from their own land Drawing on extended ethnographic fieldwork White maps these struggles onto larger

Myers,1997-05-01 Remember Pearl Harbor ,1991 *Remembering Pearl Harbor* The Omniscient Media,2022-12-08 On December 7 1941 the military personnel stationed at Hawaii s Pearl Harbor naval facility on the island of Oahu were intended to have the day off But at 7 55 a m unannounced Japanese fighter jets swooped in and attacked the American Pacific Fleet or navy ships berthed in the port On that day thousands of lives were lost It was a day which will live in infamy as President Franklin Delano Roosevelt put it Many people were surprised by the unexpected attack on Hawaii a US state However the Japanese had been organizing the attack for months The mastermind of the Pearl Harbor attack and commander in head of the Japanese naval forces Admiral Isoroku Yamamoto avoided a conflict with the United States But during the time of World War II a large portion of Europe and Asia including Japan took part Yamamoto sought to conquer several nations in Southeast Asia so that he could utilize their oil to power Japan s military hardware and naval fleet But since the American base in Hawaii was so near to these nations the Japanese were concerned that if they were attacked the United States would deploy troops from Pearl Harbor to protect the countries The U S military presence in the area would be eliminated leaving the nations Japan intended to attack exposed Yamamoto made the decision to proceed with an unexpected attack on the American fleet in Hawaii During the attack there are eight unforgettable legends In this Mighty well written book you are going to know about The Japanese Attack On Pearl Harbor The Impact Of The Attack The Tale Of The Eight Ledends of Preal Harbor Be rest assured This book was written by a well experienced journalist of The Omniscient Media
