Ernest Hemingway The Indian Territory Journals of Colonel Richard Irving Dodge Richard Irving Dodge, Will Rogers, 1996 These journals also provide insight into Dodge's character with reports of his official duties as a military man and of several landmark events in his family life Extensive commentaries and notes by Wayne R Kime provide further detail including a history of Cantonment North Fork Canadian River a six company post Dodge established and commanded in the region

BOOK JACKET A Place to Remember Robert R. Archibald, 1999-07-02 Well known public historian Robert Archibald's personal exploration of the intersections of history memory and community reveals how we participate in the making and sustaining of community as well as how we remember the community that shaped us Writing in a rich literary narrative Archibald blends local history personal reminiscence and an analysis of the changing meaning of community with a passionate call for more effective public history A Place to Remember poetically illustrates how we are active participants in the past and the role and importance of history in contemporary life

Remembering the Forgotten War Michael Van Wagenen, 2012 This book answers the deeper question of how remembrance of the U S Mexican War has shaped the complex relationship between these former enemies now turned friends The distant violence becomes a new lens through which to view today's rivalries and resentments

Page 7 **Remember Laughter** Neil A. Grauer, 1995-01-01 One of the great American humorists of this century James Thurber is still read and cherished by many readers more than thirty years after his death He is most famous for the hilarious often bittersweet stories that he published in the 1930s and 1940s in the New Yorker He was also a brilliant cartoonist whose unique drawings were an eagerly awaited feature in Harold Ross's New Yorker and in Thurber's books This biography is a book much in the spirit of Thurber himself Readable anecdotal and often delightfully funny Remember Laughter will be cherished by all fans of Thurber Yet Neil A Grauer by no means sentimentalizes Thurber He addresses serious and often disturbing features of Thurber's life while highlighting Thurber's courage inexhaustible humor and unique literary and artistic talents The result is a biography that both celebrates Thurber's genius and shrewdly appraises his qualities as a man

The Remembering Steve Cash, 2011-02-22 THEIR ORIGINS ARE A MYSTERY THEIR FUTURE IS AT HAND For thousands of years the Meq have existed side by side with humanity appearing as twelve year old children unsusceptible to wounds and disease dying only by extraordinary means They have survived through the rise and fall of empires and emperors through explorations expansions and war Five sacred stones give a few of them mystical powers but not the power to understand a long destined event called the Remembering In the aftermath of the nuclear bombing of Japan in 1945 Zianno Zezen finds himself alone while the fate of the other Meq and his beloved Opari carrier of the Stone of Blood is unknown But Z's archenemy the Fleur du Mal survives In the next half century Z will reunite with far flung friends both Meq and human as American and Soviet spies vie to steal and harness the powers and mysteries of the timeless children With the day of the Remembering rapidly approaching Z must interpret the strange writing on an ancient etched stone sphere In those markings Z will discover messages within messages and begin a journey to the truth about his people and himself

Lyrical and mesmerizing *The Remembering* spans the world and history from the first humans to a secret that has never been told before *The Remembering* is the moving saga of the Meq their purpose past and future among us [Just Remember This](#) Colin Bratkovich, 2014-05-08 I have completed this manuscript *Just Remember This* or as American Pop Singers 1900 1950 about music before the 1950s in America It perhaps offers knowledge and insights not previously found in other musical reference books I have moreover been working on this book very meticulously over the past twelve plus years It started as a bit of fun and gradually became serious as I began to listen along with the vocalists of popular music of the era before 1950 essentially just before the dawn of rock and roll If you can call it that Indeed genre and labeling of American music started here and then from everywhere While the old adage of always starting from somewhere could be noted in every century the 1900s had produced the technology Understanding the necessity more so finds a curiosity on the part of a general public hungry for entertainment despite 6 day work weeks World War I the Great Depression and World War II **The History of the Future** Edward McPherson, 2017-04-10 What does it mean to think about Dallas in relationship to Dallas In *The History of the Future* McPherson reexamines American places and the space between history experience and myth Private streets racism and the St Louis World s Fair fracking for oil and digging for dinosaurs in North Dakota boomtowns Americana slides into apocalypse in these essays revealing us to ourselves *American Sheep Breeder and Wool Grower*, 1911 *Mixed Blessing* Hazel McPherson, 2001-12-30 Invidious distinctions on the basis of race and overt racism were central features in American colonial policy in the Philippines from 1898 to 1947 as America transported its domestic racial policy to the island colony This collection by young Filipino scholars analyzes American colonialism and its impact on administration and attitudes in the Philippines through the prism of American racial tradition a structural concept which refers to beliefs attitudes images classifications laws and social customs that shape race relations and racial formation in multiracial and colonial societies The dominance of this tradition was manifested in the wanton prerogatives of the U S Congress and others who helped to carry out colonial policy in the region The Spanish flexible racial tradition had resulted in a system based on ethnicity and class as determinants of social and economic structure while the rigid U S racial tradition assigned race the more dominant role The cultural affinity between the early individual American administrators and the Filipino elite however meant that class based distinctions in the islands were not broken up Thus the extreme elitist character of the Philippines economy and society persisted and became impervious to the influences which in other Asian countries led to a progressive weakening of elite structures as the 20th century advanced **Poland China Swine World**, 1915 **Forgetful Remembrance** Guy Beiner, 2018 *Forgetful Remembrance* offers a new approach to the study of memory by focusing on vernacular historiographies and the notion of forgetting Using the 1798 Irish Rebellion Beiner explores how communities try to obscure inconvenient and uncomfortable events from the past
