

Renaissance Faire

Dannelle Gay

Renaissance Faire:

Well Met Rachel Rubin, 2012-11-19 The Renaissance Faire a 50 year long party communal ritual political challenge and cultural wellspring receives its first sustained historical attention with *Well Met* Beginning with the chaotic communal moment of its founding and early development in the 1960s through its incorporation as a major family friendly leisure site in the 2000s *Well Met* tells the story of the thinkers artists clowns mimes and others performers who make the Faire *Well Met* approaches the Faire from the perspective of labor education aesthetics business the opposition it faced and the key figures involved Drawing upon vibrant interview material and deep archival research Rachel Lee Rubin reveals the way the faires established themselves as a pioneering and highly visible counter cultural referendum on how we live now our family and sexual arrangements our relationship to consumer goods and our corporate entertainments In order to understand the meaning of the faire to its devoted participants both workers and visitors Rubin has compiled a dazzling array of testimony from extensive conversations with Faire founder Phyllis Patterson to interviews regarding the contemporary scene with performers crafters booth workers and playtrons *Well Met* pays equal attention what came out of the faire the transforming gifts bestowed by the faire s innovations and experiments upon the broader American culture the underground press of the 1960s and 1970s experimentation with ethnic musical instruments and styles in popular music the craft revival and various forms of immersive theater are all connected back to their roots in the faire Original intrepid and richly illustrated *Well Met* puts the Renaissance Faire back at the historical center of the American counterculture **Renaissance Faire** Andre Norton, Jean Rabe, 2005 Fifteen original tales of magic and mayhem by fantasy s finest set in and around Renaissance Faires

Renaissance Festivals Kimberly Tony Korol-Evans, 2009-10-21 This ethnographic study of contemporary American Renaissance fairs focuses on the Maryland Renaissance Festival in which participants recreate sixteenth century England through performances of theater combat at arms processions street hawking and meticulously faithful historical reconstructions It is also partly an autobiographical account of interactive improvisation subcultures within the festival framework the delineation between living history and historical elaboration and a new understanding of performers and patrons The English Renaissance in Popular Culture

G. Semenza, 2010-04-26 This book considers popular culture s confrontations with the history thought and major figures of the English Renaissance through an analysis of period films television productions popular literature and punk music *The European Renaissance in American Life* Paul F. Grendler, 2006-03-30 An informative but light hearted look at the popularity of the Renaissance today this book was written by a Renaissance scholar intrigued with the way his subject continues to resonate outside the scholarly community His purpose is to uncover and describe the many manifestations of America s love of the Renaissance Why do millions don costumes to attend Renaissance Faires Why do novels and films about the period enjoy continued popularity as do Renaissance icons such as Elizabeth I Michelangelo Shakespeare and the Mona Lisa How is it that American politicians and

business leaders still look to Machiavelli as a symbol of wisdom or of evil Grendler posits that Americans embrace the Renaissance as a model of culture and sophistication seeing it as confirmation that the individual can achieve greatness against long odds a belief at the core of our own society After an examination of The Real Renaissance 1400 1620 the book looks at ways in which Americans relive the experience including Faires and Living Last Suppers ways in which we re create the Renaissance in our own world and finally ways in which the Renaissance is portrayed for better or worse in fiction and film , The Renaissance of Gwen Hathaway Ashley Schumacher,2023-03-14 Ashley Schumacher s latest novel is a delightful read with diverse characters and an irresistible setting The Renaissance of Gwen Hathaway proves that there s no better place to find yourself than at a Renaissance Faire Jen Deluca author of Well Met Dumplin meets Well Met in this novel about finding your place in the world learning love is a risk worth taking and discovering what happens when you take your fate into your own hands Since her mother s death Madeline Gwen Hathaway has been determined that nothing in her life will change ever again That s why she keeps extensive lists in journals has had only one friend since childhood and looks forward to the monotony of working the ren faire circuit with her father Until she arrives at her mother s favorite end of tour stop to find the faire is under new management and completely changed Meeting Arthur the son of the new owners and an actual lute playing bard messes up Maddie s plans even more For some reason he wants to be her friend and ropes her into becoming Princess of the Faire Now Maddie is overseeing a faire dramatically changed from what her mother loved and going on road trips vastly different from the routine she used to rely on Worst of all she s kind of having fun Ashley Schumacher s The Renaissance of Gwen Hathaway is filled with a wise old magician who sells potion bottles gallant knights who are afraid of horses and ride camels instead kings with a fondness for theatrics a lazy river castle moat with inflatable crocodile floaties and a plus sized heroine with a wide open heart if only she just admits it Set in one of my favorite places in the world a Renaissance Faire full of jousts royalty bards and castles this is a wise beautiful funny book with tremendous heart I absolutely loved it Jamie Pacton author of The Life and Medieval Times of Kit Sweetly and Lucky Girl Handbook of Research on Library Response to the COVID-19 Pandemic Holland, Barbara,2021-03-19 Since the spread of COVID 19 conferences have been canceled schools have closed and libraries around the world are facing difficult decisions on which services to offer and how ranging from minimal restrictions to full closures Depending on the country state or city a government may have a different approach sometimes ordering the closure of all institutions others indicating that it s business as usual and others simply leaving decisions up to library directors All libraries worldwide have been affected from university libraries to public library systems and national libraries Throughout these closures libraries continue to provide services to their communities which has led to an emerging area of research on library services new emerging technologies and the advancements made to libraries during this global health crisis The Handbook of Research on Library Response to the COVID 19 Pandemic consists of chapters that contain essential library services and emerging research and technology

that evolved and or has continued during the COVID 19 pandemic as well as the challenges and opportunities that have been undertaken as a result The chapters provide in depth research surveys and information on areas such as remote working machine learning data management and the role of information during COVID 19 This book is a valuable reference tool for practitioners stakeholders researchers academicians and students who are interested in the current state of libraries during a pandemic and the future outlook Black Tunnel White Magic Rick Jackson,Matthew McGough,2025-03-04 Detective Rick

Jackson a decorated LAPD detective and a key inspiration in the development of Harry Bosch delivers a shocking and immersive look into the one case he could never let go In June 1990 Ronald Baker a straight A UCLA student was found repeatedly stabbed to death in a tunnel near Spahn Ranch where Charles Manson and his followers once lived Shortly thereafter Detective Rick Jackson and his partner Frank Garcia were assigned the case Yet the facts made no sense Who would have a motive to kill Ron Baker in such a grisly manner Was the proximity to the Manson ranch related to the murder And what about the pentagram pendant Ron wore around his neck Jackson and Garcia soon focused their investigation on Baker s two male roommates one Black and one white What emerges is at once a story of confounding betrayal and cold hearted intentions as well as a larger portrait of an embattled Los Angeles a city in the grip of the Satanic Panic and grappling with questions of racial injustice and police brutality in the wake of Rodney King In straightforward matter of fact prose Rick Jackson the now retired police detective who helped inspire Michael Connelly s beloved Harry Bosch along with co writer Matthew McGough take us through the events as he and his partner experienced them piecing together the truth with each emerging clue Black Tunnel White Magic is the true story of a murder in cold blood deception and betrayal and a city at the brink set forth by the only man who could tell it **Anatomy of a Cosplayer** James Hannon,2018-06-30

COSPLAY Its a word that invokes a multitude of reactions and explanations From comic conventions to charity events to movie premieres and parades there are people donning the costumes and personas of every character from comics video games pop culture and even internet memes And behind the masks and tights of this costumed community are everyday people doctors lawyers police officers firefighters soldiers and a lot of computer professionals of all ages genders and races Author James Hannon introduces you to a cross section of costumers and takes you behind the scenes of cosplay life over the last decade From the small niche of early Star Trek and Star Wars costumers to the modern cosplayer community meet the people who have been there along the way **ANATOMY OF A COSPLAYER** has everything you ever wanted to know about cosplaying but didnt know or were too afraid to ask Learn about the costumers the how and why they got into this hobby Read about some of the larger costumed organizations and their impact on the community and fandoms worldwide Join others on their individual cosplay adventures and learn how they deal with the changing environment costuming skill development and what it really takes to survive a convention Hear from over 70 cosplayers as they honestly tell of their experiences good and bad within this silly yet rewarding thing we call COSPLAY *Consuming History* Jerome de

Groot,2009-01-13 Non academic history public history is a complex dynamic entity which impacts on the popular understanding of the past at all levels In Consuming History Jerome de Groot examines how society consumes history and how a reading of this consumption can help us understand popular culture and issues of representation This book analyzes a wide range of cultural entities from computer games to daytime television from blockbuster fictional narratives such as Da Vinci Code to DNA genealogical tools to analyze how history works in contemporary popular culture Jerome de Groot probes how museums have responded to the heritage debate and the way in which new technologies have brought about a shift in access to history from online game playing to internet genealogy He discusses the often conflicted relationship between public and academic history and raises important questions about the theory and practice of history as a discipline Whilst mainly focussing on the UK the book also compares the experiences of the USA France and Germany Consuming History is an important and engaging analysis of the social consumption of history and offers an essential path through the debates for readers interested in history cultural studies and the media

Queen Morgana And The Ren Fairies Teel James

Glenn,2012-02-01 Queen Morgana will not allow free passage between the realms of the Fae and of humans Because of this both realms are dying The only bridge between the worlds is the place where dreams live in the daylight Renaissance Faïres A group of humans stumbles through the portal a cocky movie make up man who hits on the wrong woman a Vietnam vet whose nightmares make living a chore a private detective on the strangest case of his career a crippled cop and a burger store manager who loves to go LARPing One of them has to show the Queen of the Fae what true love is or they will perish in the greater darkness that is growing day by day Oh and in the process they have to try and figure out who the strange guy in the Viking helmet is and why he is giggling all the time

The Wizard Within Me Arnie

Grimm,2009-05 In the years following World War II Americans in every city in the United States enjoyed bowling Men and

women bowled in separate leagues or together In bowling s early days pin boys risked the dangers of flying wood to set pins from afternoons through early mornings often in seedy surroundings When pinspotters replaced the pin boys national advertising campaigns changed the sport s image Huge bowling lanes welcomed people of all social levels Bowling boomed Hidden Agendas is set in the 1980 s a time when bowling s popularity was universal The story focuses on a young New York man hired to participate in an Arizona bowling match with a 20 million dollar jackpot Edward Vincent Karol has worked his way to the top of two professions Smart enough to realize the people bankrolling his opponent might want him removed he vanishes from his usual haunts Yet two dominant needs remain One is regular practice and the other a way to get to Arizona unharmed His challenges are complicated by his mother s incessant demand for a grandchild and a meeting with a young woman whose physical and mental health verge on total disaster He d like to help her Doing so would mean added tension throughout the most difficult month of his career

Magical Tourism and Enchanting Geographies Jane Lovell,Nitasha Sharma,2025-06-06 This book explores the events attractions and places that comprise magical tourism It showcases magical storytelling ecologies realities entities belief systems cultural heritage and rituals leading to spiritual otherworldly enchanting mindful interconnected green and dark experiences The volume offers the reader insights into the exciting popular new tourism trend of magical tourism and its over arching attributes and tropes Chapters feature a number of case studies and discussions including the history of magical travel studies of affect witch festivals the rights of mythical animals folkloric beasts unmappable places that seem to retreat and slide sideways multi layered place folklore and mythology portals nexuses of meaning fayres festivals identities and cos play This volume addresses the challenges of sustainable futures green heritages commercialisation representation inclusion accessibility community ownership magical events beliefs and practices and asks if there is a magical turn in research The book is highly relevant to those with expertise and interest in geography tourism hospitality and events studies marketing religious studies anthropology sociology and heritage and cultural studies

Women, Leisure and Tourism Linda J. Ingram,Klára Tarkó,Susan L. Slocum,2021-12-03 Women Leisure and Tourism provides a comprehensive discussion of women leisure and tourism through the lens of leisure production and consumption both by women and for women Specifically this text includes a multi cultural perspective to highlight the unique attributes leisure brings to women the role of women in leisure entrepreneurship and the creation of supportive inclusive environments to enhance female well being through the examination of these activities in often overlooked populations The diversity of women s leisure and tourism practices is best perceived through the links between various leisure practices e g sport outdoor recreation travel and tourism learning crafts events family leisure as well as an understanding of leisure production across cultures and life stages These chapters bring to the forefront many of the challenges inherent in providing leisure and tourism that support the diverse needs of women as well as a look at female innovation that is also often overlooked in leisure research The book includes examples of both applied and conceptual chapters from global perspectives in academic studies
