Young, like me, would have been interested in the politics and the culture, and the economy. The concept of a living wage is interesting in principle, but it is not clear what it means. I would like to see a study of the living wage in the United States, and the results of the study would be published in the *Journal of Applied Economics*.

[illegible]

It is assumed, for the purposes of this study, that the use of the Internet is a necessary condition for the use of e-learning. Therefore, the use of e-learning is assumed to be a necessary condition for the use of the Internet.

Renaissance Latin Poetry Literature In Context Series

Estelle Haan

Renaissance Latin Poetry Literature In Context Series:

Renaissance Latin Poetry Ian Dalrymple McFarlane, 1980 Neo-Latin Poetry in the British Isles , 2013-03-14
Investigation of the Latin poetry produced by British poets from the sixteenth century onwards affords an indispensable insight into a dominant strand in the intellectual cultural and educational life of the British Isles during this period At this time the composition of Latin poetry was a regular feature of school curricula and a popular leisure time activity of the educated elite Such examination also sheds light on the poetic principles and practice of major British poets such as Campion Cowley Herbert and Milton who penned a large quantity of neo Latin verse in addition to their better known vernacular works **Monographic Series** Library of Congress, 1980 *English Romantic Hellenism, 1700-1824* Timothy Webb, 1982
Library of Congress Catalogs Library of Congress, 1981 **The Cambridge Companion to Catullus** Ian Du Quesnay, Anthony John Woodman, 2021-04-29 Comprehensive coverage accessible to students and non specialists of one of the most popular poets of classical antiquity **Library of Congress Catalog** Library of Congress, 1980-07 *Allegorica* , 1981 **A.U.M.L.A.** , 1980 **Comparative Criticism: Volume 16, Revolutions and Censorship** E. S. Shaffer, 1994-10-27 This 1994 book addresses literary theory and criticism comparative studies in terms of theme genre movement and influence and interdisciplinary perspectives **Subject Catalog** Library of Congress, 1980-07 Imitative Series and Clusters from Classical to Early Modern Literature Colin Burrow, Stephen J. Harrison, Martin McLaughlin, Elisabetta Tarantino, 2020-09-07 This volume shows the pervasiveness over a millennium and a half of the little studied phenomenon of multi tier intertextuality whether as linear window reference where author C simultaneously imitates or alludes to a text by author A and its imitation by author B or as multi directional imitative clusters It begins with essays on classical literature from Homer to the high Roman empire where the feature first becomes prominent then comes late antiquity a lively area of research at present and after a series of essays on European neo Latin literature from Petrarch to 1600 another area where developments are moving rapidly the volume concludes with early modern vernacular literatures Italian French Portuguese and English Most papers concern verse but prose is not ignored The introduction to the volume discusses the relevant methodological issues An Afterword outlines the critical history of window reference and includes a short essay by Professor Richard Thomas of Harvard University who coined the term in the 1980s *Quinquereme* , 1980
The Oxford Handbook of Neo-Latin Sarah Knight, Stefan Tilg, 2015-05-01 From the dawn of the early modern period around 1400 until the eighteenth century Latin was still the European language and its influence extended as far as Asia and the Americas At the same time the production of Latin writing exploded thanks to book printing and new literary and cultural dynamics Latin also entered into a complex interplay with the rising vernacular languages This Handbook gives an accessible survey of the main genres contexts and regions of Neo Latin as we have come to call Latin writing composed in the wake of Petrarch 1304 74 Its emphasis is on the period of Neo Latin s greatest cultural relevance from the fifteenth to the eighteenth

centuries Its chapters written by specialists in the field present individual methodologies and focuses while retaining an introductory character The Handbook will be valuable to all readers wanting to orientate themselves in the immense ocean of Neo Latin literature and culture It will be particularly helpful for those working on early modern languages and literatures as well as to classicists working on the culture of ancient Rome its early modern reception and the shifting characteristics of post classical Latin language and literature Political social cultural and intellectual historians will find much relevant material in the Handbook and it will provide a rich range of material to scholars researching the history of their respective geographical areas of interest

Catullus Ian M. le M. Du Quesnay, Tony Woodman, 2012-10-18 In this book a sequel to Traditions and Contexts in the Poetry of Horace Cambridge 2002 ten leading Latin scholars provide specially commissioned in depth discussions of the poetry of Catullus one of ancient Rome s most favourite and best loved poets Some chapters focus on the collection as a whole and the interrelationship of various poems others deal with intertextuality and translation and Catullus response to his Greek predecessors both classical and Hellenistic Two of the key subjects are the communication of desire and the presentation of the real world Some chapters provide analyses of individual poems while others discuss how Catullus poetry was read by Virgil and Ovid A wide variety of critical approaches is on offer and in the Epilogue the editors provide a provocative survey of the issues raised by the volume

Acta Conventus Neo-Latini Lovaniensis ,2024-06-03

Every third year the members of the International Association for Neo Latin Studies IANLS assemble for a week long conference Over the years this event has evolved into the largest single conference in the field of Neo Latin studies The papers presented at these conferences offer then a general overview of the current status of Neo Latin research its current trends popular topics and methodologies In 2022 the members of IANLS gathered for a conference in Leuven where 50 years ago the first of these congresses took place This volume presents the conference s papers which were submitted after the event and which have undergone a peer review process The papers deal with a broad range of fields including literature history philology and religious studies

Patronage and Humanist Literature in the Age of the Jagiellons Jacqueline Glomski, Senior Research Fellow Jacqueline Glomski, 2007-01-01 Every epoch has its artists thinkers and creators and behind many of these people there is a patron waiting in the wings Patronage and Humanist Literature in the Age of the Jagiellons looks at the relationship between humanist scholars and their patrons in east central Europe during the early sixteenth century It is the first study in English specifically to address literary patronage as it existed in this particular time and place Drawing on the writings of three itinerant scholar poets associated with the courts of Cracow Buda and Vienna Jacqueline Glomski argues that even while they supported the imperial pretensions of the Jagiellonian monarchs the humanist scholars of east central Europe also created effective propaganda for themselves by representing their own role in the conferring of fame upon their patrons Using a wide array of source material from dedicatory letters to panegyric and political literature Glomski describes how important patronage was to the scholar poets and analyzes the process by which conventions of

Renaissance humanism spread across Europe Patronage and Humanist Literature in the Age of the Jagiellons is an insightful historic account that is accessible to anyone interested in patronage at the time of the European Renaissance *Selected Papers on Ancient Literature and its Reception* Philip Russell Hardie, 2023-08-21 This volume gathers together about two thirds of the articles and essays published between 1983 and 2021 by Philip Hardie whose work on ancient literature has been of seminal importance in the field The centre of gravity lies in late Republican and Augustan poetry in particular Lucretius Virgil and Ovid with important contributions on wider Augustan culture on Neronian and Flavian epic on the Latin poetry of late antiquity and on the reception of Latin poetry The Routledge Handbook of Literary Translingualism Steven G. Kellman, Natasha Lvovich, 2021-09-30 Though it might seem as modern as Samuel Beckett Joseph Conrad and Vladimir Nabokov translingual writing texts by authors using more than one language or a language other than their primary one has an ancient pedigree The Routledge Handbook of Literary Translingualism aims to provide a comprehensive overview of translingual literature in a wide variety of languages throughout the world from ancient to modern times The volume includes sections on translingual genres with chapters on memoir poetry fiction drama and cinema ancient medieval and modern translingualism global perspectives chapters overseeing European African and Asian languages Combining chapters from lead specialists in the field this volume will be of interest to scholars graduate students and advanced undergraduates interested in investigating the vibrant area of translingual literature Attracting scholars from a variety of disciplines this interdisciplinary and pioneering Handbook will advance current scholarship of the permutations of languages among authors throughout time **Both English and Latin** Estelle Haan, 2012-01-01 This study examines the interplay of Latin and English in a selection of John Milton's neo Latin writings It argues that this interplay is indicative of an inherent bilingualism that proceeds hand in hand with a self fashioning that is bicultural in essence Interlingual flexibility ultimately proved central to the poet of Paradise Lost an epic uniquely characterized by its Latinate vernacular and its vernacular Latinitas Author Estelle Haan Sheehan is Professor of English and Neo Latin Studies at The Queen's University of Belfast She is a well known and well respected Neo Latinist who has published several volumes with the American Philosophical Soc and has recently edited Milton's Latin and Greek poetry for Oxford University Press
