Hartt, 2018 First full comprehensive guide to one of the most important genres of music in the Middle Ages *A History of Western Choral Music, Volume 1* Chester L. Alwes, 2015-07-15 A History of Western Choral Music explores the various genres key composers and influential works essential to the development of the western choral tradition Author Chester L Alwes divides this exploration into two volumes which move from Medieval music and the Renaissance era up to the 21st century Volume I surveys the choral music of composers including Josquin Palestrina Purcell Handel and J S Bach while detailing the stylistic textual and extramusical considerations unique to the topics covered Consideration of Renaissance music includes both sacred and secular works specifically addressing the growth of sacred music the rise of secular music and the proliferation of sacred polyphony from Josquin to Palestrina Discussion of the Baroque era is organized by geographic location exploring the spread of Baroque style from Italy to German France and England Volume I concludes by examining the aesthetic underpinnings of the early Classical and Romantic eras Framing discussion within the political religious cultural philosophical aesthetic and technological contexts of each era A History of Western Choral Music offers readers specialized insight into major composers and works while providing a cohesive understanding of choral music s place in Western history **Music in Print Master Title Index, 1988** emusicquest, 1990 *Giovanni Pierluigi da Palestrina* Clara Marvin, 2013-10-15 First Published in 2002 This guide introduces students and scholars to the literature on Palestrina as well as the complicated history of the publication of his works This bibliography is divided into four primary sections historical background on musical social and cultural life biographical literature studies of sources music and style and reception history They are divided roughly into the periods dating from Palestrina s lifetime to about 1750 from about 1750 to about 1914 from 1914 to the present This title also contains historical research on performance conditions and practices as they would have applied in Palestrina s time *The Motet in the Age of Du Fay* Julie E. Cumming, 2003-10-16 A re evaluation of the Latin texted motet during the age of Du Fay Poetry and Music in Seventeenth-Century England Diane Kelsey McColley, 1997-12-11 This study explores the relationship between the poetic language of Donne Herbert Milton and other British poets and the choral music and part

songs of composers including Tallis Byrd Gibbons Weelkes and Tomkins The seventeenth century was the time in English literary history when music was most consciously linked to words and when the mingling of Renaissance and new philosophy opened new discovery routes for the interpretation of art McColley offers close readings of poems and the musical settings of analogous texts and discusses the philosophy performance and disputed political and ecclesiastical implications of polyphony She also enters into the discourse about the nature of language relating poets use of language and composers use of music to larger questions concerning the arts politics and theology

The Rise of European Music, 1380-1500 Reinhard Strohm, 2005-02-17 This is a detailed and comprehensive survey of music in the late middle ages and early Renaissance By limiting its scope to the 120 years which witnessed perhaps the most dramatic expansion of our musical heritage the book responds in the 1990s to the tremendous increase in specialised research and public awareness of that period Three of the four main Parts I II IV describe the development of polyphony and its cultural contexts in many European countries from the successors of Machaut d 1377 to the achievements of Josquin des Prez and his contemporaries working in Renaissance Italy around 1500 Part III by contrast illustrates the musical life of the institutions and musical practices outside the realm of composed polyphony that were traditional and common all over Europe The book proposes fresh views in each chapter discussing dozens of musical examples adducing well known and hitherto unknown documents and referring to and evaluating the most recent scholarship in the field

Music in Print Master Title Index, 1999 emusicquest, 1999 **Write All These Down** Joseph Kerman, 1998-03-18 Joseph Kerman is one of the most eminent wide ranging and readable of today s writers on music Admirers of his many books on musicology opera Beethoven and Elizabethan music will find much to interest them in this collection of essays taken from general journals such as the Hudson Review and the New York Review of Books as well as more specialized publications

Poetry of the English Renaissance, 1509-1660 John William Hebel, Hoyt Hopewell Hudson, 1929 **Hymns and Hymnody, Volume 1** Benjamin K. Forrest, Mark A. Lamport, Vernon M. Whaley, 2020-03-26 Hymns and the music the church sings are tangible means of expressing worship As worship is one of the central functions of the church and it occupies a prime focus a renewed sense of awareness to our theological presuppositions and cultural cues must be maintained to ensure a proper focus in worship Hymns and Hymnody is an introductory textbook in three volumes describing the most influential hymnists liturgists and musical movements of the church This academically grounded resource evaluates both the historical and theological perspectives of the major hymnists and composers that have impacted the church over the course of twenty centuries Volume 1 explores the early church and concludes with the Renaissance era hymnists Each chapter contains five elements historical background theological perspectives communicated in their hymns compositions contribution to liturgy and worship notable hymns and bibliography The missions of Hymns and Hymnody are to provide biographical data on influential hymn writers for students and interested laypeople and to provide a theological analysis of what the cited composers have communicated in the theology of their

hymns It is vital for those involved in leading the worship of the church to recognize that what they communicate is in fact theology This latter aspect is missing in accessible formats for the current literature **Catalog of Copyright Entries, Third Series** Library of Congress. Copyright Office,1974 The record of each copyright registration listed in the Catalog includes a description of the work copyrighted and data relating to the copyright claim the name of the copyright claimant as given in the application for registration the copyright date the copyright registration number etc **The Art of the Song Recital** Shirlee Emmons,Stanley Sonntag,2001-11-15 Since its original publication the Emmons Sonntag text has continually stood out as the definitive work on the song recital The book presents imaginative advice and practical techniques for producing successful recitals and kindling audience excitement Every aspect of the recital is covered from building programs and the use of acting skills to the relationship between the singer and the accompanist Singers of all levels and backgrounds will benefit from the authors vast experience in the performance of song recitals as a singer accompanist team The comprehensive repertoire lists now organized by voice and instrumentation as well as by composer appeal to both students and professional musicians Readers will agree that the authors have met their goal of providing extensive throughgoing and definitive insights into the attributes that can render the song recital at once a great art and a magnificent entertainment

Guillaume de Machaut, The Complete Poetry and Music, Volume 9 Jacques Boogaart,2017-12-31 This long overdue new edition of Guillaume de Machaut s twenty three motets the largest surviving collection of such works by a single composer in this period is based on the most authoritative of the surviving manuscripts and is designed to meet the needs both of advanced scholars and musicians as well as students and performers This user friendly format indicates variants on the scores and has a layout that makes each work s structure clearly visible the lyrics with full English translation are presented at the end of each work Prescribed Music for School Years Beginning 1971, 1972, 1973, 1974 University Interscholastic League (Tex.),1971 *Schwann* ,1990
