Wilsey, 2011-06-01 Is America a Christian nation? This question has loomed large in American culture since the Puritans arrived on American shores in the early seventeenth century. More recently the Christian America thesis has been advocated by many evangelical leaders across the denominational spectrum. This book contributes to the conversation by critiquing from an evangelical perspective the idea that America is a Christian nation as articulated by specific writers over the past three decades. Wilsey asserts that the United States was not conceived as a Christian nation but as a nation with religious liberty. Herein lies the genius of the Founders and the uniqueness of America *AP European History Premium, 2022-2023: 5 Practice Tests + Comprehensive Review + Online Practice* Seth A.
