Renderings Max Kozloff, 1970 Encyclopedia of Twentieth-Century Photography, 3-Volume Set Lynne Warren, 2005-11-15 The Encyclopedia of Twentieth Century Photography explores the vast international scope of twentieth century photography and explains that history with a wide ranging interdisciplinary manner This unique approach covers the aesthetic history of photography as an evolving art and documentary form while also recognizing it as a developing technology and cultural force This Encyclopedia presents the important developments movements photographers photographic institutions and theoretical aspects of the field along with information about equipment techniques and practical applications of photography To bring this history alive for the reader the set is illustrated in black and white throughout and each volume contains a color plate section A useful glossary of terms is also included *Art Criticism and Modernism in the United States* Stephen Moonie, 2022-03-22 This study is an analysis of high and late modernist criticism in New York during the 1960s and early 1970s Through a close reading of a selection of key critics of the period which will expand the remit beyond the canonical texts the book examines the ways that modernist criticism s discourse remains of especial disciplinary interest Despite its alleged narrowness and exclusion the debates of the 1960s raised fundamental questions concerning the nature of art writing Those include arguments around the nature of value and judgement the relationship between art criticism and art history and the related problem of what we mean by the contemporary Stephen Moonie argues that within those often fractious debates there exists a shared discourse And further contrary to the current consensus that modernists were elitist dogmatic and irrelevant to contemporary debates on art the study shows that there is much that we can learn from reconsidering their writings The book will be of interest to scholars working in art history modern art art criticism and literary studies René Magritte and the Art of Thinking Lisa Lipinski, 2019-04-04 For Ren Magritte painting was a form of thinking Through paintings of ordinary objects rendered with illusionism Magritte probed the limits of our perception what we see and cannot see the nature of representation as a philosophical system for presenting ideas and explored perspective as a method of visual argumentation This book makes the claim that Magritte s painting is about vision and the act of viewing of perception itself and the process of how we see and experience things in the world including paintings as things Catalog of the Library of the Museum of Modern Art: Col Museum of Modern Art (New York, N.Y.). Library, 1976 Machine in the Studio Caroline A. Jones, 1996 Drawing on extensive interviews with artists and their assistants as well as close readings of artworks Jones explains that much of the major work of the 1960s was compelling precisely because it was mainstream central to the visual and economic culture of its time Allan Kaprow, Robert Smithson, and the Limits to Art Philip Ursprung, Fiona Elliott, 2013-05-10 This innovative study of two of the most important artists of the twentieth century links the art practices of Allan Kaprow and Robert Smithson in their attempts to test the limits of art both what it is and where it is Ursprung provides a sophisticated yet accessible analysis placing the two artists

firmly in the art world of the 1960s as well as in the art historical discourse of the following decades Although their practices were quite different they both extended the studio and gallery into desert landscapes abandoned warehouses industrial sites train stations and other spaces Ursprung bolsters his argument with substantial archival research and sociological and economic models of expansion and limits

Visualizing Feeling Susan Best, 2011-06-30 Is late modern art anti aesthetic What does it mean to label a piece of art affectless These traditional characterizations of 1960s and 1970s art are radically challenged in this subversive art history By introducing feeling to the analysis of this period Susan Best acknowledges the radical and exploratory nature of art in late modernism The book focuses on four highly influential female artists Eva Hesse Lygia Clark Ana Mendieta and Theresa Hak Kyung Cha and it explores how their art transformed established avant garde protocols by introducing an affective dimension This aspect of their work while often noted has never before been analyzed in detail Visualizing Feeling also addresses a methodological blind spot in art history the interpretation of feeling emotion and affect It demonstrates that the affective dimension alongside other materials and methods of art is part of the artistic means of production and innovation This is the first thorough re appraisal of aesthetic engagement with affect in post 1960s art

Made in U.S.A. Sidra Stich, University Art Museum Berkeley, 1987-01-01 Made in U S A takes a new look at American art of the 1950s and 1960s and shows us how American it was This is a provocative study of those artists who appropriated everyday images from the world of mass media and suburban living and forced their viewers into a sometimes witty sometimes bittersweet confrontation with the realities of living in late twentieth century America

Modern Arts Criticism Joann Prosyniuk, 1991

Figuring Jasper Johns Fred Orton, 1994 The author begins this challenging monograph by probing Modernism s surfaces and subjects its public and private meanings in order to establish Johns s importance as the modern allegorical artist in the years after Abstract Expressionism Yet Figuring Jasper Johns is not an essay that presumes to offer an instant interpretation Rather Fred Orton self consciously constructs a Jasper Johns whose work is introduced and explained in three chapters each of which addresses a specific picture or sculpture like Flag Painted Bronze Savarin and Untitled 1992 These in depth studies situate individual works in their social context as well as in Johns s oeuvre Fred Orton s purpose is to get to

terms with and find terms for a difficult and elusive body of work by one of the most important artists of the 20th century
