

Il dipinto è una rappresentazione di un momento di vita quotidiana, una scena di vita di strada, che si svolge in un'atmosfera di pioggia e di luce. La donna, con il suo cappello rosso e la sua mantella blu, è il centro dell'attenzione. Il suo sguardo è rivolto verso il basso, verso il piccolo cane che tiene in braccio. La sua espressione è serena, quasi felice. In primo piano, un bicchiere di champagne e un piatto di dolci sono posati su un tavolo, suggerendo un momento di pausa e di piacere. Lo sfondo è sfocato, ma si può intravedere la folla di una strada londinese, con i suoi edifici e i suoi alberi. L'uso della pittura a olio e la tecnica del "wet-on-wet" conferiscono all'opera una sensazione di movimento e di vita.

## **Renoir A Master Of Impressionism:**

Renoir Gerhard Gruitrooy,1994 Pierre Auguste Renoir perhaps the most recognizable of the Impressionist portraitists was a painter who combined classical and modern techniques to portray an intimate vision of the late nineteenth century Parisian life of leisure he knew so well As a colorist and portrait painter Renoir s contributions to the highly influential Impressionist movement were substantial His concentration on the figure and on the more pleasing aspects of life invited the viewer into his remarkable vision of sensitivity and pleasure Illustrated with 129 full color reproductions this volume examines Renoir s life and the extraordinary artistry that has made him one of the most beloved painters of all time

**Renoir** Gerhard Gruitrooy,1995-05-01 The art of the great masters is showcased in these lavishly illustrated books Each volume offers a fascinating overview of the artist s career with full color reproductions of their work and specially commissioned biographies and interpretations The Master Impressionists Charles Louis Borgmeyer,1913 Paint Like Renoir Damian Callan,2015-01-23 Paint Like Renoir is the second book in the series following Paint Like Degas Oil paint has tremendous versatility from the dilute and transparent glaze or wash through to the thick impasto mark Renoir employed the whole range of paint qualities and this is one of the most valuable reasons for studying his work **Monet & Renoir** Charles River Charles River Editors,2015-08-06 Includes pictures Includes the artists quotes about their lives and art Includes online resources and a bibliography for further reading Includes a table of contents To get a sense of the kind of prestige that Claude Monet enjoys within the art world one need only learn that his Le Bassin Aux Nympeas 1919 from his series of paintings featuring water lilies sold for the equivalent of more than 70 million This is an incredibly staggering price especially considering that early in his life Monet had been so poor and debt ridden that some of his paintings were taken from him by creditors How exactly did Monet progress from being an impoverished young Impressionist artist working at the vanguard of European art to the legendary Master whose works command prices near the very pinnacle of the art world Naturally Monet s commercial success soared exponentially in the decades following his death in 1926 at a time in which the prices commanded by the great Masters of Western art began rising in price at exponential rates Yet even during his own lifetime Monet enjoyed a sharp rise to fame and was canonized as one of the greatest painters in France Following sharply in the footsteps of Edouard Manet Claude Monet was one of the first painters identified within the Impressionist circle indeed it was Monet himself who coined the label of Impressionist after using it in the title of one of his paintings Where some artists reach the peak of their acclaim early in life Monet s star continued to rise even throughout his old age although some would argue that the last decade or so of his life were anticlimactic at least from an artistic standpoint his landmark water lilies were made during his elderly years And even though Monet would continue to paint well after the canonical period of Impressionism had ended his name was and remains synonymous with Impressionism along with cherished acquaintances of his including such luminaries as Pierre August Renoir Camille Pissarro and Edouard Manet Simply put Monet is a

monumental figure when it comes to examining Western art during the second half of the 19th century Pierre Auguste Renoir stands alongside Claude Monet at the very peak of Impressionist painting and though neither of them can be credited with founding the movement that honor likely goes to Edouard Manet or Edgar Degas Renoir and Monet remain inextricably tied to the key characteristics of Impressionism loose brushwork outdoor painting an emphasis on capturing natural light and shadow and a focus on remaining in Paris and the surrounding countryside Yet if Monet and Renoir are each remembered for their affiliation with these descriptors differences nevertheless distinguish them especially the fact that Renoir concentrated less on nature than did Monet attending instead to scenes depicting Parisian leisure activity This thematic concern for depicting scenes of idyllic Parisian enjoyment such as rowing in boats or grand luncheons imbues Renoir with a greater sense of joie de vivre than Monet or perhaps any of the other members of the Impressionist cohort Even though Renoir's art shares much in common with his Impressionist colleagues both his handling of paint and even his subject matter contain significant differences that render him truly unique as a painter That Renoir captured scenes of leisure better than any of his contemporaries was surprising and unlikely considering the background in which he was raised Denied the opportunity for a proper education Renoir's painting which started at a young age was borne more out of a need to work than in pursuit of a lifelong passion Renoir certainly loved to paint but like Monet painting always remained his profession and he treated it as such Monet Renoir looks at the personal background that led to the two becoming artists and the cultural climate in which they rose to fame
