Renoir Sensuous Vision:

Renoir Anne Distel,1995 In a career spanning 60 years and thousands of paintings Auguste Renoir ensured that his art communicated a sense of happiness and contentment Through his sense of colour he transformed the world in which he lived into art *The Biography Book* Daniel S. Burt,2001-02-28 From Marilyn to Mussolini people captivate people A E s Biography best selling autobiographies and biographical novels testify to the popularity of the genre But where does one begin Collected here are descriptions and evaluations of over 10 000 biographical works including books of fact and fiction biographies for young readers and documentaries and movies all based on the lives of over 500 historical figures from scientists and writers to political and military leaders to artists and musicians Each entry includes a brief profile autobiographical and primary sources and recommended works Short reviews describe the pertinent biographical works and offer insight into the qualities and special features of each title helping readers to find the best biographical material available on hundreds of fascinating individuals *The Difficulties of Modernism* Leonard Diepeveen,2013-10-18 In *The Difficulties of Modernism* Leonard Diepeveen examines how difficulty became central to our encounters with modern literature and culture Literary modernism s first readers often complained that difficulty was running rampant in literature that art had become a plague of unintelligibility Diepeveen argues that the simultaneous appearance of modernism and discussion about difficulty was not coincidental difficulty allowed modernism to rise to the status of high art and it was fundamental to how modernism shaped the canon not only of twentieth century literature but of the literature that preceded it He argues that modernism can be best understood as the moment when knowing how to maneuver through difficult art became the central sign of one s ability to participate in high culture *Artworld Prestige* Timothy Van Laar,Leonard Diepeveen,2013-01-09 Why does the artworld often privilege one cultural form over another Why does it grant more attention to reviews in say Artforum over ARTnews And how can an artist once hailed as visionary be dismissed as derivative just a few years later Exploring the ever shifting estimations of value that make up the confluence of artists critics patrons and gallery owners known as the artworld Timothy van Laar and Leonard Diepeveen argue that prestige a matter of socially constructed deference and conferral plays an indispensable role in the attention and reception given to modern and contemporary art After an initial chapter that develops a theory of prestige and the poignancy of its loss the book looks at how arguments of prestige function in systems of representation various media and art s relationship to affect It considers twentieth century artists who moved not away from but toward figuration looks at what is at stake in the recurrent argument about the death of painting examines the decline and an apparent return of sensual pleasure as a central attribute of visual art and concludes with a look at the peculiar function of prestige in outsider art Illustrated with artwork by David Park Jorge Pardo Gerhard Richter Anish Kapoor Cecily Brown Howard Finster and others *Artworld Prestige* provides an engaging guide to the changes debates and shifts that animate aesthetic judgments **The Arts** ,1928 **Renoir** François Fosca,1924
